STATEMENTS

MEASURES TO REPAIR HAZARDOUS POTHoles IN THE COUNTY

Yes, Honourable Hamisi Mbaya?

Hon. Hamisi Mbaya: Thank you Mr. Speaker Sir for giving me this opportunity. Mr. Speaker Sir, I stand to put a Statement on Measures to repair hazardous potholes in the County of Mombasa.

Mr. Speaker Sir, pursuant to Standing Order 41 (2) (c) of the Standing Orders of the County Assembly of Mombasa, I wish to request for a Statement from the Chairperson of the Committee on Transport, Infrastructure and Governance regarding the state of road infrastructure within Mombasa County, specifically concerning a large and hazardous pothole located at the junction of Likoni and Shelly Beach Roads. The said pothole has caused significant inconvenience to motorists and pedestrians alike, posing a serious risk to road users. Mr. Speaker Sir, during the rainy season, the situation worsens as the pothole fills with muddy water, making it difficult to detect its depth and extent, thereby increasing the likelihood of accidents, vehicle damage and potential injury to pedestrians.

Mr. Speaker Sir, in this regard the Chairperson should inquire into and report to this Assembly on the following:

- 1. The immediate measures that the County Government has taken to repair or address the giant pothole at the junction of Likoni and Shelly Beach Roads.*
- 2. The timelines within which the said pothole will be permanently repaired to ensure safety and smooth flow of traffic.*
- 3. The border measures being undertaken by the County Government to identify repair and maintain potholes on County roads across all Wards.*

4. *The maintenance strategy and schedule in place to ensure timely inspection and repair of road infrastructure, especially during and after the rainy season.*
5. *The mechanisms for public reporting of road damage and how promptly such reports are acted upon by the relevant County department.*

Thank you, Mr. Speaker Sir.
