NOTICE OF MOTION

Hon. Kibwana Swaleh: Thank you, Honourable Speaker. Honourable Speaker, I beg to move the following Motion.

And the permission, as per the House, the permission is granted. Yes, Clerk?

[Question proposed and agreed to]

Yes, Honourable Kibwana, please build your Motion.

Hon. Kibwana Swaleh: Honourable Speaker, as I was saying, this Special Sitting is about the Supplementary Budget that will enable us to operate. As we are aware that the Supplementary Budget is something that we normally do, so that our votes and also our spending be in the right way in a manner that is within the law. Honourable Speaker, we are aware that also this Supplementary Budget comes against the background that the changes on CARA (County Allocation Revenue Act) and which we must adhere has an Assembly. So, Honourable Speaker, mine is that to ask Members just to deliberate on the Supplementary Budget and see that we can pass it and ask them to pass it so that at least we can utilize our funds because we still have a long way to go until June 30th, Honourable Speaker. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, Honourable Abdirahman.

Hon. Abdirahman Abdikadir: Honourable Speaker, I stand to support the Motion. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, the Vice Chair, Honourable Hamida.

Hon. Noor: I do stand to support the Motion. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, Honourable Jackton Madialo.

Hon. Madialo: Thank you, Mr. Speaker. I support.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you, Honourable Mwaura.

Hon. Mwaura: Thank you, Mr. Speaker. I support the Motion.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Yes, Honourable Deputy Majority Leader.

Hon. Maimuna Salim: Thank you, Mr. Speaker. I stand to second.

The Deputy Speaker (Hon. Fadhili Makarani): You support. Okay. Yes, Honourable Kibwana, please reply to your Motion.

Hon. Kibwana Swaleh: Honourable Speaker, reading the mood of the House, they have overwhelmingly supported this Motion. Without much, I will just appreciate the office that we are working together, that is my Secretariat, and also the idea that we got also from the Budget office. So, Mr. Speaker, I do appreciate my colleagues for supporting this Motion. Thank you.

The Deputy Speaker (Hon. Fadhili Makarani): Thank you. Honourable Members, I now stand to put the question that the Motion by Honourable Kibwana Swaleh Baya on the Mombasa County Supplementary Appropriation Bill, 2025, Bill number one, be read a second time.

[Question put and agreed to]

Yes, Clerk, please read the Bill for the second time.

[The Clerk read the Bill for the second time]

Honourable Members, the Bill, having been read for a second time, stands committed to the Committee of the Whole House. Up standing Honourable Members?

[Loud consultations]

Honourable Members, I think you have perused the Finance Bill, Supplementary Bill, and we are now back to business, I will let the Clerk of this Committee to take us through. Yes, Clerk?

[The Clerk read Clauses 3 and 4]

Honourable Members, I now propose a question that clause 3 as read and clause 4 as read be part of the Bill.

[Question proposed and agreed to]

Honourable Members, any input?

[Silence]

Honourable Kibwana, any input on clause 3 and 4?

Hon. Kibwana Swaleh: Thank you. Honourable Speaker, I do not have any input.

The Chairperson (Hon. Fadhili Makarani): Reading the mood of the House, Hon. Members, I now proceed to put a question that clause 3 as read and clause 4 as read be part of the Bill.

[Question put and agreed to]

Yes, Clerk?

[The read Clause 5]

Honourable Members, I now propose a question that Clause 5 as read be part of the Bill.

[Question proposed and agreed to]

Any input, Honourable Members? Yes, Honourable Patrick Mbelle. Any input? Honourable Nyota? Honourable Katana? Any inputs, Members?

[Silence]

Members, I'm seeing that there are no amendments or inputs in this clause, so I proceed to put the question on that clause 5. The supply granted for services of the year ending on the 30th June, 2025 in respects of votes R3012, R3013, R3014, R3017, R3022, R3029, R3030, R3031, R3034, R3035, R3036, R3037, R3038, R3039 and D3012, D3013, D3014, D3017, D3022, D3029, D3030, D3031, D3034, D3035, D3036, D3037, D3038, D3039 in accordance with the Supplementary Appropriation Act, 2025 be part of the Bill.

[Question put and agreed to]

Yes, Clerk.

[The Clerk read the First schedule]

Honourable Members, I now propose a question that the First Schedule R3012 as read plus the figures be part of the Bill.

[Question proposed and agreed to]

Any inputs Honourable Members on R3012? Yes, Honourable Kibwana.

Hon. Kibwana Swaleh: Thank you, Chair. In R3012 be amended, Honourable Speaker, Honourable Chair, that the vote R3012 be amended in column three by deleting the amount of Kenyan shillings 813,735,933 and replace it with amount of Kenyan shillings 740,740,845,894. Thank you.

The Chairperson (Hon. Fadhili Makarani): Honourable Kibwana, as you have introduced an amendment, please have your seconder before I propose a question on the amendment.

Hon. Kibwana Swaleh: Thank you, Honourable Speaker. I will ask Honourable Abdirahman to second.

The Chairperson (Hon. Fadhili Makarani): Yes, Honourable Abdirahman.

Hon. Abdirahman Abdikadir: Mr. Speaker, I second the amendment.

The Chairperson (Hon. Fadhili Makarani): Honourable Members, I now propose the question that the First Schedule on R3012 as amended by the Chairman Honourable Kibwana Swaleh Baya be part of the Bill.

[Question proposed and agreed to]

Honourable Members, any input on this amendment? Yes, Honourable Jacktone Madialo.

Hon. Madialo: Thank you, Mr. Chairman. The list the Chairman would accord us is an explanation on why the reduction.

The Chairperson (Hon. Fadhili Makarani): Thank you, Honourable Jacktone Madialo. The Chairman will reply, any other input Honourable Members, concerning the figures? Before I let the Honourable Chair to reply, any other input? Honourable Kibwana, please reply on why the reduction for the Members to understand.

Hon. Kibwana Swaleh: Thank you, Honourable Speaker, Honourable Chair. I would like to reply back to my colleague from Mikindani as well as the Assembly that we present this supplementary budget with a figure of Kshs 813 million. That is the figure that we did, Kshs 813,735, 933. Honourable Speaker, after reviewing this supplementary budget, we found that we had the changes in CARA. Our ceiling for the County Assembly was 740,845,894, Honourable Speaker. So, Honourable Speaker as a Committee, we found that this was an issue with the Controller of Budget (COB); this budget would not have passed at the COB if we went ahead and passed without amendment. Honourable Speaker, thank you.

The Chairperson (Hon. Fadhili Makarani): Thank you, Honourable Kibwana Swaleh. Honourable Members, I hope you have understood the Chair and if there is any other input, please forward before the Chair before I proceed in putting the question. If you also need more clarification, you will find a time to visit the Chairman in his office for him to clarify more. Honourable Members, having there no other input, I am now putting a question on the amendment introduced by Honourable Kibwana Swaleh Baya that votes R3012 be amended in column 3 by deleting the amount of Kenya shillings 813,735,933 Kenya shillings and replacing it with an amount of Kenya shillings 740,845,894.

[Question proposed and agreed to]

Honourable Members, I now proceed to put a question that the votes R3012 as amended be part of the Bill.

[Question put and agreed to]

Yes, Clerk.

[The Clerk read Vote R3013]

Honourable Members, I now propose a question that R3013 as read be part of the Bill.

[Question proposed and agreed to]

Any inputs Honourable Members? Because I'm seeing before my table that there are no amendments proposed, any other Member with any input on that vote? Honourable Members, having there are no input, I now proceed to put a question that R3013 be part of the Bill.

[Question put and agreed to]

Yes, Clerk.

[The Clerk read Vote R3014]

Honourable Members, I now propose a question that vote R3014 as read be part of the Bill.

[Question proposed and agreed to]

Any inputs Honourable Members? Yes, Chairman Kibwana Swaleh Baya, Chairman Finance, Budget and Appropriation?

Hon. Kibwana Swaleh: Thank you, Chair. I will propose that vote R3014 be amended in column 3 by deleting the amount of Kenyan shillings 1,447,867... 1,447,867,316 and replace it with the amount of Kenyan shillings 1,520,757,355 be amended.

The Chairperson (Hon. Fadhili Makarani): Honourable Members, as you have seen, the Chairman has introduced an amendment. We need a seconder, then we proceed in proposing the question.

[Silence]

Who is your seconder?

Hon. Kibwana Swaleh: I will ask one of my Members, Honourable Juma Kambi to second.

The Chairperson (Hon. Fadhili Makarani): Yes, Honourable Mwalimu Juma.

Hon. Juma Mwalimu: Thank you. Mr. Chairman, I stand to second.

The Chairperson (Hon. Fadhili Makarani): Thank you. Honourable Members, I now propose a question on the amendment as introduced by Honourable Kibwana Swaleh that vote R3014 be amended in column 3 by deleting the amount of Kenyan shillings 1,447,867,316 and replace it with the amount of Kenyan shillings 1,520,757,355.

[Question proposed and agreed to]

Any inputs, Honourable Members, on that amendment or the Chairman to clarify more why there is such amendment? Yes, Honourable Kibwana? Yes, Honourable Mbelle?

[Interruption]

Hon. Mbelle: Mr. Chair, as he is clarifying why there is that amendment, can you please also kindly tell us, do we have an increase in the allocation or do we have a reduction in the allocation as per the supplementary? Thank you.

The Chairperson (Hon. Fadhili Makarani): Okay, Chairman?

Hon. Kibwana Swaleh: Thank you, Chair. As I reply back on the vote R3014, which is our amendment from Kenyan shillings 1,447,867,316 and now we replace it with 1,520,757,355. The reason is that when there was that CARA on the ceiling, our money was reduced and put to the executive of Honourable Chairman. So that is why you see the shifting. The executive were able to get more money, they were added some amount of money than the Assembly. The Assembly had a reduction of 72 million. Therefore, we are reading negative 72 million in our budget. Thank you.

[Loud Consultations]

The Chairperson (Hon. Fadhili Makarani): Thank you, Honourable Chair. I hope Honourable Patrick Mbelle and the House; you are satisfied with the response from the Honourable Chair. As he said earlier, Honourable Members, whatever that was introduced by CARA was not yet implemented on the ground. That is why you are seeing these changes. After passing this supplementary budget, that is when the changes that were done by CARA will take effect. So, we as an Assembly, we lost almost Kshs 72 million. Yes, Honourable Members, I now proceed to put a question on the amendment as proposed by Honourable Kibwana Swaleh Baya on vote R3014 as amended be part of the Bill.

[Question put and agreed to]

Yes, Clerk, proceed? Honourable Members, the vote R3014 as amended and passed by this Honourable Committee is now part of the Bill. Yes, Clerk, proceed.

[The Clerk read vote R3014, R3017, R3022]

[Interruption]

[Consultations]

[The Clerk corrected the Vote numbers]

[Interruption]

[Loud consultations]

Honourable Members, I now propose a question that vote R3017, R3022, R3029, R3030, R3031, R3034, R3035, R3036, R3037, R3038, R3039 be part of the Bill.

[Question proposed and agreed to]

Any inputs, Honourable Members? Yes, Honourable Patrick Mbelle?

Hon. Mbelle: Chair, I have a question on vote number R3037, which is for the Department of Education. Chair, to my understanding, there is a deduction of 99 million shillings on the Elimu Fund vote, which squarely affects our bursaries or vocational training. So, Chair, I would wish to probably understand from the Chair Finance, how probably do we get into making sure that we are getting Kshs 99 million shillings out of this vote? Are we ready to receive the repercussions as they are? Or what is the mitigation measures that have been put for us to avert the implications that will come with the deduction of the monies from vote number R3037?

The Chairperson (Hon. Fadhili Makarani): Yes, Honourable Members, do you have any other inputs before a Member from that Committee or the Chairman to respond? Any other inputs, Honourable Members? I have seen Honourable Patrick Mbelle has raised an issue on vote R3037 from the Department of Education, matters of bursaries. Any other input, Honourable Members?

[Silence]

Yes, Honourable Abdirahman?

Hon. Abdirahman Abdikadir: Chair, I think the Chair is here, but if you will allow me, I will respond.

The Chairperson (Hon. Fadhili Makarani): Yes, proceed. The Chairman has signaled me that I let you respond on that issue.

Hon. Abdirahman Abdikadir: Chair, the issue that has been raised is a reduction in the recurrent budget of the Education Department. This could be a question by the issues surrounding the court cases of the bursaries. However, if you look at it keenly, the same funds have been allocated under the development. It looks like there is an increase in the development of the same department that the focus has shifted on completion of existing ECDEs and other amenities within the department. So, there is an increase in the development of the same department, Chair and the jurisdiction is still not out on the issue of the bursary. So, we will not be on it for far too long, Chair. Thank you.

The Chairperson (Hon. Fadhili Makarani): Thank you. Yes, Honourable Patrick Mbelle?

Hon. Mbelle: Mheshimiwa Mwenyekiti, jibu alilotoa wanachama ama Mwanakamati wa Kamati ya Fedha, Mheshimiwa kidogo inakinzana na yale niliyouliza kwa sababu *vote* niliouliza ni *vote* ya *recurrent* ambayo ina pesa za watoto wetu za kwenda kufundishwa aidha ni *vocational training* ama kupeana bursaries za kwenda shuleni. Mheshimiwa Mwenyekiti, kesi ilioko kortini haitusumbui kwa njia yoyote ile ma haitushutishi kupunguza pesa za kupeleka vijana katika kwenda kufanya *vocational training* na kuzipeleka kwa *development*. Hiyo *vote* ya *Elimu Fund* hapo mwanzo ilikuwa haina pesa; *Elimu fund mandate* yake kulingana na ile *Act* yake haina uwezo wa kujenga sasa sijui wametoa pesa katika *vote* ya kua vijana pesa kwenda kusoma na kuenda kuweka katika maswala na ujenzi ama mambo ya *development* halafu *development* hii

atueleleee ni aina gani? *Development* bado tuko kwa *recurrent* na ni kitu ambacho *kinatu-affect* kwa sana, tunahitaji *bursaries*...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Just a minute. Where is the Chairman Education Committee? I think, Honourable Patrick, are you a Member of Education Committee?

Hon. Mbelle: Yes, Chair.

The Chairperson (Hon. Fadhili Makarani): Okay. I think you could be in the rightful position to at least clarify on why, because you have sat with your department and they are the ones who have proposed these amendments. But I will let the Finance Committee to give any input if they have, but that Committee on Education are the rightful people to respond on your issue. Yes, Honourable Abdurrahman?

Hon. Abdirahman Abdikadir: Chair, you have just said what I wanted to say. As a Finance Committee, it is our assumption that all the Committees have engaged their relevant departments because we are getting these figures from the departments. Also, we are of the opinion that perhaps the department has engaged their relevant Sectoral Committees. As a Department of Finance, we have focused on the Finance department whose role was just limited to compilation of these figures. So, Honourable Mbelle is a Member of the Committee; perhaps he will be in a position why his own department has suggested that they need to reduce those figures.

[Interruption]

Hon. Hamisi Nyota: Chair, I think I have to make a comment on that...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota, you have to ask the Chair to give you permission to...

[Interruption]

Hon. Hamisi Nyota: Yes, that is why I was calling you Chair. Maybe you did not hear me, I was calling you Chair.

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Before you continue, let Honourable Madialo, who has raised his hand, since Honourable Abdirahman was talking.

Hon. Madialo: Thank you, Chairman, for giving me this opportunity. I think this issue that the Finance Committee always, when they have a Bill, they always like throwing it back to committees, I think it is a fallacy that we assume, we assume, we assume that your Committee has been meeting.

I think, now, let this... for once, let the leadership of this Assembly always guide us. So, for example, in the new year's budget that is coming, before it is done, we should be guided in the Committees to sit down with, or maybe it has been overtaken by event, yes, but next time let that be so. Because always, this Committee has always been throwing back these issues to the Committee, which we do not think is correct and right.

Hon. Mbelle: Mheshimiwa Mwenyekiti! Mheshimiwa Mwenyekiti kama utaniruhusu tafadhali?

The Chairperson (Hon. Fadhili Makarani): Thank you, before I let Honourable Patrick Mbelle to react and Honourable Abdirahman to respond back on what Honourable Madialo said, I would just like to bring to the attention of this Honourable House that our Standing Order 206 (3) and let the Clerk to read the Standing Order for the Members to benefit on the procedures of such issues.

[The Clerk read Standing Order 206 (3)]

That was for the benefit of this Honourable House. Honourable Patrick Mbele, what is your reaction? Was it Mbelle or Nyota?

[Interruption]

Hon. Mbelle: Kuna swali nilikuwa nataka kuuliza?

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Mbelle, then Honourable Nyota.

Hon. Mbelle: Ahsante, Mheshimiwa Mwenyekiti wakati *supplementary* imeletwa katika Jumba hili ilikuwa *committed* kwa Kamati ya Fedha, na kama ulivyo tusomea ni kwamba bila hata swali kuwekwa huwa Kamati zote zimepewa ili kwenda kuuliza maswali sasa Mheshimiwa Mwenyekiti nina uhakika kwamba ile wizara yangu pia haijui mambo haya ukimuuliza afisa mkuu kuhusu mambo haya mengi hayajui. La pili, Mheshimiwa Mwenyekiti swala hili twaweza kuwa tunafanya mashindano hapa ndani lakini cha ukweli ni kwamba pesa hizi zinapopunguzwa sote tuko katika Wadi ambapo sisi tunasumbuliwa kuhusiana na mambo na *bursaries* kwangu kila siku nabishiwa. Hivyo basi Mheshimiwa Mwenyekiti twaweza lifanya kweli jambo la mzaha ama jambo la kushindana lakini ukweli wa mambo ni kwamba kupunguzwa kwa pesa ya basari na si basari za *high school* peke yake ziko mpaka za *vocational* itakuwa na athari kubwa kwa mambo yetu kama Bunge katika siku zijazo.

Kwa hivyo nakubali kwamba inafaa kuwa ishughulikiwe katika Kamati ya Elimu, tunafaa tuulize maswali kweli ni kwamba hatujakaa na wao na katika ule udadisi wangu kidogo kuna wengi katika idara hiyo ambao hawajui kilichoko katika bajeti hii. Lakini Mheshimiwa Mwenyekiti naregelea twalifanya la mzaha saa hii tunasukumiana hapa na pale lakini pesa zimepunguzwa zitakuja kutuathiri sisi wenyewe. Kwa hivyo ningeomba tu wanipe jibu kama tumepunguza 99 tuko katika idara ya elimu tumeongeza wapi? Ili kuweka fidia ya hiyo athari ya kwamba hakuna basari na si eti hatupendani ni kujua tu kama tumepunguza hapa tumeekeza mahali fulani katika maswala ya *recurrent* katika maswala ya vijana kwenda kusoma ili tujue tutakapotoka hapa kijana akiniuliza swali nitamjibu vipi lakini ukitoka Mheshimiwa anajua

kwamba 99 milioni zimepunguzwa katika kitita cha *Elimu Fund* hivyo kinaniathiri vipi kwenda mbele kwa watu wangu kule mitaani na wamepanga vipi katika kufidia kama Kamati ya Fedha kwa sababu hao mwisho wa siku hii stakabadhi wao ndio wako nayo. Ahsante Mheshimiwa Spika.

The Chairperson (Hon. Fadhili Makarani): Thank you, Honourable Patrick Mbelle. But, Honourable Members, let the truth be told because the Honourable Chairman for Finance, he would not be in a position to respond on what Honourable Mbelle is raising. The people who can respond well are the people from that department concerned. So, as per our Standing orders, Honourable Members, and we are heading to the appropriations, I think we have less than two months sorry! less than a month. So, let us rectify where we have missed. Let us sit with our departments; talk to them, let not just the Finance Committee is given the burden of sitting with all the departments, and yet it is not their mandate. Let us take this mantle, sit with the department, ask that department, now that we have reduced the 72 million, what next for our people? Because the Chairman of Finance, I'm not talking on his behalf, but I'm sure he cannot respond on what you are raising, not unless that department is in front of us, and we ask the department on the same. Because what is before us, these are figures that are before us, and we are supposed to pass this supplementary according to the timings that were gazetted. So, please, I am not trying to let you not to ask, but let us, in future, let us follow the rightful procedures so that next time when we come here, the department or the committee concerned can respond on what some of the matters that are arising before this Honourable Whole House Committee. Yes, Honourable Nyota?

Hon. Hamisi Nyota: Chair, just to add on the same, Chair, I think there is a point we're also missing here, because when the paper is laid, it's committed to a certain Committee. It's not about the Chair; it's about the Committee. If it is laid, it's committed to a Committee, so it is a Committee to work on. So, when you ask these questions, we're asking the committee through the Chairman, Honourable Chair

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota, Honourable Members, Order Members! I will also let the Clerk to take us through 206(4), so that for the benefit of Members to understand, and in future, we follow the rightful track. Yes, Honourable Madialo? Prepare to read that clause.

Hon. Madialo: Chair, I agree with you 100 per cent, and we are not blaming the Committee on Finance. We are requesting that going forward, you are sitting there with the Senior Clerk Assistant and the others, among I respect. Going forward, we would request that let the Clerks guide the Committees, let them not let these things pass. You know, we Committee Members and Chairpersons and Members are not technical people. We also have so many things in our heads to do, even back there. So, they are the ones that are in office to understand the technical things, the procedures of the House, so going forward, I even do not know, I think maybe for the budget that is coming, I think we also time, we are late also...

[Loud consultations]

We are not late, so thank you. So going forward, the budget that is coming...like he is my Clerk in my Committee. *Bring those people so that we can ask them questions; this is not the issue to be discussed in the House.* Thank you.

The Chairperson (Hon. Fadhili Makarani): Okay, thank you. I will let the Clerk, the Senior Clerk, to take us through the Standing Order 206 for the Members to understand and the Chairs of the different Committees who are present here today; after the Clerk reads this Standing Order, I'm sure you can take charge as from tomorrow. So that next time we move on the same direction. Yes, Clerk, please read the Standing Order?

[The Clerk read Standing Order 206 Sub Order 4]

Thank you, Clerk. So, I think, Honourable Members, the Clerk or the Standing Orders are clear. It is us, the Committees, to sit with the different Departments, whatever questions that you will ask those different Departments, you will forward your reports to the Committee on Finance and Budget for them to proceed and bring back a report to this Honourable House. So, the question of committal, it was committed to the Committee on Finance, but you are supposed to forward your reports, so that when the Committee comes back to this Honourable House, we read on the same page. Because what they will be presenting in the floor of the House, it is what you as a Committee, you will have submitted to that Committee. So, should we proceed? Chair, just on the procedural issue...

[Interruption]

Yes, Honourable Mbelle. Honourable Mbelle?

Hon. Mbelle: Mheshimiwa Mwenyekiti alichosema Bwana Katibu ni cha kweli lakini swali ambalo nitauliza tena Kamati ya Fedha kama kweli tunafaa tufuatilie hivyo je muko na ripoti kutoka kwetu? Na ile ripoti kutoka kwetu wamejumuisha na yao kulileta kwa sababu sisi tunafanya muongozo tuelewe tu leo makosa yamefanyika. Muko na ripoti na nyinyi kutuonyesha?

[Interruption]

The Chairperson (Hon. Fadhili Makarani): It is as if you are in front of the courts, and you are saying that I have no evidence. On your part, did you sit to forward the Reports to the Committee? And the Committee on Finance, did you receive any Reports from the Education Committee and Blue Economy?

Hon. Abdirahman Abdikadir: None. So, you know by virtue of them not sending a Report to us, it is deemed that they have agreed with the relevant department. Chair, you are also the Chairperson on Liaison so, perhaps this is a matter that can be discussed at your Committee, and Members can be guided. This is not a session of induction on our Standing orders. Let us focus on the material before us today...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): We are learning! We are learning!

Hon. Abdirahman Abdikadir: But let us not focus so much on the procedure. Okay! Okay!

The Chairperson (Hon. Fadhili Makarani): Thank you. Okay, thank you. Yes, Honourable Mbelle?

[Interruption]

Hon. Hamisi Nyota: Chair, just to wrap it up. Just to wrap it up, Chair. Okay, maybe there was a hitch that the other sector Committee never forwarded any document to the Finance Committee. But at the same time, the Finance Committee, once the document is laid and committed to their Committee, they are working on it. Chair, do you know what to mean? Because no sectoral Committee brought anything to them, they never worked on it just for the way it is because as a Committee if a document is committed to you, you work on it as a Committee. So, if you have not received from the Blue Economy Committee, it seems that everything, whatever you receive, it is whatever you leave it like that. Is it what the Chairman can confirm to us?

[Interruption]

Hon. Abdirahman Abdikadir: Chair, I think the Members are admitting that they have not done their job.

The Chairperson (Hon. Fadhili Makarani): Order! Order Members!

[Interruption]

Hon. Abdirahman Abdikadir: Record that you have not done your own job.

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Members, can we proceed? Order Honourable Members! As I said earlier, Honourable Kibwana, order! Let us have one meeting, Honourable Members, because we were on vote R3017 to R3039. So, before I put a question Honourable Members, as I said earlier, we missed; there is a part that we missed. So, ask Committees, from next week Monday let us try to rectify, and we have heard that we have just one month remaining. So, during this one month remaining for the appropriation, the budget estimates, please, Honourable Members, let us work with our departments, let us take note of whatever that we have and ask the departments, and forward our Reports to the Committee on Finance, for us to come and discuss the Reports together in the floor of this Honourable House.

[Interruption]

What is it, Honourable Madialo?

Hon. Madialo: Having been guided by your good office, I request, and as it is the practice, for example, of the National Assembly, what they were doing this week, all the Committees appeared before the Committee on Finance. All the Committees and I think that is how you are guiding us, and we are learning, and we appreciate. Now, it has happened the way it has happened; we cannot reverse it, so let us pass this Bill, but going forward, we would also request that the Committee on Finance to be patient, because sometimes they go before us they

summon the departments before us. So, having been guided, as you have guided us, let them be patient, wait for each and every department to interrogate, each and every Committee to interrogate their departments, then bring, for example, the Committee on Education, National Assembly. It was not factored in, the money for exams; what did the Committee on Education do? They took money from the department, and then brought it back for, I think we should now begin to do our function. Meanwhile, let the Committee on Finance be patient and wait for the Committees. Thank you.

[Applause]

The Chairperson (Hon. Fadhili Makarani): Okay, yes, Honourable Nyota. Let Honourable Kibwana be patient. Yes, Honourable Nyota? What is your reaction?

[Interruption]

Just a minute. Yes, Honourable Nyota?

Hon. Hamisi Nyota: Chair, as you have guided us, we are here to learn. Maybe in the future but also, if we have questions, if we have concerns about whatever we are passing now, because if you tell us not to ask any questions because they will not respond, then why are we here?

[Loud murmurings]

If there is any reduction and increase then we are obliged to ask, If I can see there is an increase...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota please I have allowed you to ask your question, I am the one who allowed this whole thing to continue because we at the moment, we are discussing votes from this supplementary budget. So just let the Honourable House to at least to learn, so that from next week the departments or the Committees concerned, I will also talk to the Clerks for them to prepare for the Committees at least they call their departments and sit with them and forward your reports.

Hon. Hamisi Nyota: I am well guided Chair. My only concern now is should we comment or not; on these votes because if we move like this we have to make any comments, amendments should we keep quiet, move on because if you ask me, we will comment on questions maybe.

The Chairperson (Hon. Fadhili Makarani): Okay you have seen some amendments that were proposed so if you have any amendments, you can share them with the Chair of Finance for the Committee to proceed with those amendments.

Hon. Hamisi Nyota: But if I have a question on the reduction and increase of the budget.

The Chairperson (Hon. Fadhili Makarani): You will ask the concerned department if you have a question on the reduction, ask the department concerned.

Hon. Kibwana Swaleh: Chair, allow me to say something which is very important.

The Chairperson (Hon. Fadhili Makarani): Yes, Kibwana? I will let Honourable Kibwana, then Honourable Mwaura, then Honourable Juma Mwalimu then I proceed to put a question.

Hon. Kibwana Swaleh: I think the initiative of calling the departments is upon the Chair and the Committee itself, not the Clerks. They are the ones who are mandated to invite the departments for interrogation. Honourable Speaker, as my colleague has said in the National government every department is coming before the Committee, just to understand the budget itself Mr. Chair. So, Mr. Chair I think our colleagues as you have said the right thing that all of us are learning, so I think the budget with timeline, we cannot say we just wait for you and you know by 30th June we are supposed to pass the budget. So, I am asking since we have learned today the three weeks remaining let the Committees ask the departments to appear before them so that they can understand the budget otherwise the Committee we get a lot of jobs which is not our mandate. Thank you Chair.

The Chairperson (Hon. Fadhili Makarani): Thank you Honourable Kibwana, Honourable Member I have concluded on this matter that Honourable Mwaura and Honourable Mwalimu you have no input yes Honourable Mwaura and I proceed. Let us proceed in proposing the question. Honourable Member, I am not a learned friend but you are my neighbour lets proceed with the procedures of this Committee. Yes, Honourable Mwaura?

Hon. Mwaura: Mr. Chair thank you for noticing me. I have really raised my hand for quite some time, but Mr. Chair my greatest concern is only the timeline, the time that we are always given when the budget and these Bills are tabled in this House. We really had no time to interrogate them and we are taken in a rush. Right now, we are being taken in a rush, all the time they always come in a very short time and we are being told the deadline. Why is it that they do not meet the deadline? They bring the Bills early or whatever they are bringing in the House early enough, so that Members and Committees can have enough time to interrogate them thank you Chair.

The Chairperson (Hon. Fadhili Makarani): Thank you Honourable Mwaura. Honourable Members, we also have to understand that the PFM Act, the Standing-Orders are clear and they the ones that have locked us or the Executive because they have timelines, the budget cycle itself has timelines. So, we cannot tell them to bring budget appropriations in January and yet it is in their PFM the actual date that they are supposed to submit the documents in this Honourable House.

Hon. Mwaura: But Chair these had no timelines.

The Chairperson (Hon. Fadhili Makarani): This is a Supplementary and it can come anytime; it is Supplementary Bill. So those are questions that am not in position to respond but the executive are the ones who you are supposed to ask.

Honourable Members, Order! Honourable Members let me proceed to put a question that Vote R3017, Vote R3022, R3029, R3030, R3031, R3034, R3035, R3036, R3037, R3038, R3039 be part of Bill.

[Question put and agreed to]

Yes, proceed Clerk? Honourable Members, as read from Votes R3017 to R3039 are part of the Bill. Yes, Clerk?

[The Clerk read Second Schedule Votes]

Honourable Members, I now propose a question that Votes D3012, D3013, D3014, D3017, D3022, D3029, D3030, D3031, D3034, D3035, D3036, D3037, D3038, and D3039 be part of the Bill.

[Question proposed and agreed to]

Any inputs Members? Yes, Honourable Patrick?

Hon. Mbelle: Chair, mine is a question of concern and probably the departments now need to answer these questions and not the Finance Committee. One; on the Health Development Budget, Chair we have a movement from the Health department of probably zero shillings to development but at the same time, the same vote has never been utilised and that is on the vote line of special programs, the vote line of preventing care so all these vote lines Chair have never been utilised not even a single cent. We are at the end of financial year; will such kind of votes not be the ones to have such kind of movement? And Chair at the same time, under the preventing health I am getting to the question, I was preparing my Motion Chair, so this is my question...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Patrick, because what I am having, I am not seeing whatever that you are taking us through.

Hon. Mbele: Chair, I have personally gone down and do my own assignment to know what exactly is in this and I think Chair that is not wrong, is it?

The Chairperson (Hon. Fadhili Makarani): It is not wrong as per say but we are supposed to deal with the votes.

Hon. Mbelle: Yes, Chair and I am talking about the vote.

The Chairperson (Hon. Fadhili Makarani): Which vote are you talking about?

Hon. Mbelle: I am talking about the Health D3017.

The Chairperson (Hon. Fadhili Makarani): D3017 what is it about?

Hon. Mbelle: The deduction of Kshs. Sixty-eight million from a vote of Kshs one hundred and fifty-seven million shilling, but the same vote has never been utilised. Chair at the same time...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Patrick I think from D3017 we have Kshs six hundred million.

Hon. Mbele: Yes, Chair.

The Chairperson (Hon. Fadhili Makarani): So, from where is the reduction?

Hon. Mbelle: Mwenyekiti naomba niregelee tena kwa lugha ya Kiswahili, ya kwamba nilipopata hii *document* ya *supplementary*, nilikaa chini kama Mheshimiwa katika Bunge hili na kuweza kuidadisi kwa undani nikajua kwamba, kando na kupewa tu vote D-3017 ikiwa million mia sita, kipi kimeongezeka ama kimepungua? Na ndio swali nauliza kwa Kamati ya Fedha na Afya kama Mwenyekiti yuko hapo je, katika huku kupungua na kuongezeka lazima kuna mahali inatufinya ama kutusaidia ama kuna sababu ya kwa nini haya yote yanafanyika? Ni swali tu la kutaka kujua katika hizi *movements* zote, hasaa katika hio *vote* D-3017 liko swala la, kuna hii idara sehemu ambayo hawajatumia *vote* yao kabisa ya *development zero* kufikia leo hii na haijaguswa. Kwa hivyo mambo kama hayo je, wanachukulia vipi? La pili Mwenyekiti...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): I think Honourable Madialo and Members from your Committee, you get the concerns from Honourable Mbelle. Yes, Patrick?

Hon. Mbelle: La pili ni *Vote* namba D-3022 ambayo ni ya usafiri pesa za usafiri Mheshimiwa Mwenyekiti kwa udadisi wangu wa ndani na si udadisi tu ila kutaka kujua mambo yanaendelea vipi. Mheshimiwa Mwenyekiti, maswala ya *road infrastructure* ambayo ni ujenzi wa barabara, maendeleo yao imepunguzwa na milioni 119 wakati hivi sasa tuko na matatizo makubwa ya maswala ya barabara baada ya mvua je, wanatukinga vipi katika hatari kama hizo? Vile vile katika *vote* hio hio maswala ya *mechanical* and *electrical issue* ambayo yanahusiana na maswala ya *street lighting*. Ziko fedha zimepunguzwa je, wenye Kamati ya *Transport* munatuambia nini kwa hilo? Mheshimiwa Mwenyekiti *vote number* D-3029 ambayo ni ya maji, leo hii Mheshimiwa Mwenyekiti mimi kibinafsi niliomba mradi upelekwe kule kwangu mahali kunaitwa Mwakimbugha hakuna maji na *issue* ni kupeleka *pipe* peke yake. Swala hilo hilo nafikiri Mheshimiwa Kibwana katika sehemu pia ana swala hilo hilo maswala la maji. Saa hizi kuna pesa zimepunguzwa katika *development* ya maswala ya maji na imepunguzwa Mheshimiwa Mwenyekiti kwa kiteta kikubwa, si pesa kidogo sasa maswala kama haya Mheshimiwa Mwenyekiti, Mwenyekiti wa Maji milioni kumi imetolewa katika *development* ya maji ama usambazaji wa maji, tunahitaji maji mitaani katika *vote* hii ni wapi labda wametua *cushion*, imetolewa upande mmoja ametu *cushion* wapi ili ninaposema *ayes*, ninajua ninasema *ayes* nikijua kwamba pia mimi niko *cushioned* ama watu wangu wa Wadi yangu wako *cushioned*, katika *vote* hio na nafikiria amenakili. Naomba nisiulize yote kwa sababu kuna wenzangu pia wanataka kuuliza ahsante Mwenyekiti.

The Chairperson (Hon. Fadhili Makarani): Thank you before I let the Chair of Water and a Member from Health Committee, because I think these are same issues that we had already discussed, but I understand Honourable Patrick Mbelle you are a Member of Transport Committee, are you a Member?

Hon. Mbelle: No Chair.

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota is a Member, I think we had discussed these same issues that you are raising now, because they are the same as the ones we discussed about Education Committee and we said, the departments concerned and the committees concerned, those who represent those different departments, they are the ones who can respond on what Honourable Mbelle you are raising, because of issues of reduction and whatever that you have raised Honourable Patrick Mbelle, it is upon those Committees to respond and we have seen that, some of the Committees have not sat with their departments, so let us give a benefit of doubt that, as from now on wards we are going to follow the right track.

Hon. Katana: Chair, we like Honourable Nyota since he is not comfortable with whatever you are saying, he is a Member of the Transport Committee let him react on the D-3038 because it touches transport.

Hon. Hamisi Nyota: Honourable Allen Katana kindly the Chair of Finance is there, this is a finance document and what I am saying is, whatever you are guiding us is true we really stand with your guidance but Honourable Chair, we are here for a purpose and if there is any deduction on a department and the funds were not utilised previously, how there is an increase on a department and funds which were there previously which were there previously have not been utilised, then a Committee of the Whole House we have the opportunity to ask these critical questions, because maybe I can ask for D-3037 the department spent only twenty nine point something million and the year is almost ending now. So, these are the questions we want to ask if the year is almost ending and the department has spent less than thirty million and here you want to increase more we are wondering how? Same to D-3038 there was a spending of twenty-nine point two million and you are increasing almost a hundred million. So, this question Chair, Chair I am addressing this question are critical.

The Chairperson (Hon. Fadhili Makarani): Proceed.

Hon. Hamisi Nyota: So, if there was underspending and you are increasing the same department almost a hundred million supplementary, then we as Members of this House we need to be told or we need answers, because if we say we just read D-1, D-2, D-3 as many as of the same opinion say ayes then I think two Members can do this. This is because if we go with your direction then we will just have to read we say ayes we pass and we go home, the reason why we are in the Committee of the Whole House is to align or get these issues affecting this Bill as we sit here because this is the session whereby people comment and raise issues and seek answers, that is why we are in the Committee of the Whole House, otherwise you could have just sat up there Honourable Chair. So, we are not asking because we want to make this session long, we are asking because these are concerning questions, the department does not utilise funds on the supplementary we are adding more funds.

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota, so let us start with D-3022 I think that concerns Transport and Infrastructure, respond to this Honourable House on what was raised by Honourable Mbelle, respond to D-3022.

Hon. Hamisi Nyota: Chair, the Committee for Transport were never called by any department to work on it.

The Chairperson (Hon. Fadhili Makarani): Call them.

Hon. Hamisi Nyota: And I can say maybe I was not around maybe my colleagues sat and I was not there...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): If your colleagues sat...

[Interruption]

Hon. Hamisi Nyota: Maybe.

The Chairperson (Hon. Fadhili Makarani): So, you do not have any response on this D-3022?

Hon. Hamisi Nyota: Chair, please let say something, the Committee on Finance has a mandate, we cannot call Committee of Finance because of Committee of Transport. When something is tabled before your Committee, you as the Committee you also have questions. I am not saying anything unless the committee comes.

The Chairperson (Hon. Fadhili Makarani): Honourable Nyota, not unless you want us to sit until midnight, but I think I was clear enough, Nilizungumza na nikasema kuwa tuko na Standing-Order na tukasoma, Standing-Order 206 na tukasema pale ambapo watu walikosea turekebishe ndio maana nikaamua kulingana na chenye unasema hebu tujibu hii D-3022, na we mwenyewe wakubali fiche kuwa, labda Kamati yako labda haijaketi na ndio maana nilikuwa nataka hivi sasa tuende kwa Kamati ya Afya, nao watuambie halafu tuende kwa Kamati ya Maji, pia watuambie, Kamati ya Elimu iko hapa pia ituambie ikiwa ni sisi wenyewe ndio tumekosa basi tumesema, kuanzia wiki ijayo tu rekebisha tusije tena tujipate tena katika dau lili hili ambalo twaolea na hali dau limefanya nini, lime toboka. Lazima tuzibe tundu ilio toboka tufwate taratibu zinazotakikana, taratibu za kisawasawa, yule Waziri atakuwa katika nafasi ya kisawasawa kujibu haya maswali yako kwa nini hapa kumeongezeka na kwa nini hapa pamepungua. Lakini tukisema kuwa tutamueka Mheshimiwa Mwenyekiti wa Maji atuweleze hapa sasa hivi na yeye hajaketi na ile Kamati na ile Idara yake, itakuwa twamkosea ama twajikosea wenyewe.

Hon. Hamisi Nyota: Yes, I am guided, Chair, very much guided. Isipokuwa tu Mwenyekiti kuna sababu ya kwa nini Bunge liko kwenye Kamati of the Whole House? Kuna sababu?

The Chairperson (Hon. Fadhili Makarani): Twapitia hii Bili ambayo iko mbele yetu ambayo ni *Supplementary, Finance Supplementary Bill* hii....

[Interruption]

Hon. Hamisi Nyota: Chair, Chair...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Ambayo ndio tuko nayo sasa hivi ndio tumeiketia hapa...

[Interruption]

Hon. Hamisi Nyota: Twaipitia kuisoma ama twaipitia kuichambua?

The Chairperson (Hon. Fadhili Makarani): Twaipitia kuisoma na kuitengeza na kuirekebisha, kwa sababu kuna marekebisho ambayo yameletwa, na Nyumba imekubaliana nayo, na kuna kwengine hakuna marekebisho ni kua Nyumba ikubaliane na yale ambayo yamepitishwa hapa. Lau kuna marekebisho yoyote ambayo uko nayo...

[Interruption]

Hon. Hamisi Nyota: Chair...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Ipeane tuingalie, huo ndio utaratibu wa Committee of the Whole House.

[Interruption]

Hon. Abdirahman Abdikadir: Chair, if with your permission, whatever the Honourable Member Hamisi Nyota is engaging in Parliamentary language is called *filibustering*. He is wasting time, he is not raising any issue of substance and you have made your ruling on that matter. Can we proceed, Honourable Chair?

[Interruption]

Hon. Mbelle: Chair, I would wish that he throws that particular statement...

[Interruption]

Hon. Abdirahman Abdikadir: I have not abused anyone. That is what he is doing...

[Interruption]

Hon. Abdirahman Abdikadir: It is Parliamentary. It is *filibustering*.

Hon. Mbelle: Why do you have to say that a Member is wasting time while he is raising very pertinent issues?

[Interruption]

Hon. Abdirahman Abdikadir: It is filibustering....

[Interruption]

Hon. Mbelle: He has to withdraw, Chair...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Order! Order! Order! Order Members!

[Interruption]

Hon. Hamisi Nyota: Chair, I have not come here to waste time...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Order! Order! Order! Honourable Members Order! I think I, *mimi nataka tuelewe kitu kimoja hii* Committee of the Whole House *si kama Kamati zile zetu nyengine tukiwa katika Chambers kule tunafanya* Committee meeting *zetu; katika* Committee of the Whole House *kile kinaletwa hapa mbele ya Kamati hii tunakuja kujadiliana marekebisho ya sheria. Ikiwa kuna sheria marekebisho yeyote uko nayo unapeana mbele Waheshimiwa walioko wanayajadili ikiwa wamekubaliana sheria ile inapitishwa ndio madhumuni na lengo na shabaha ya* Committee of the Whole House. *Lau ingekuwa sio hivyo, basi ingekuwa* Departmental Committee *yaketi kivyake na inapitia maswala yake kivyake na inajadili kivyake. Sasa tusigeuze* Committee of the Whole House *hii tuifanye kama* Committee *nyengine zetu zingine, kwa hayo ambayo nimesema mimi narudi,* I am putting a question that Honourable Member...

[Interruption]

Hon. Hamisi Nyota: Before you proceed Chair, I am not here to waste time as the Member has alleged...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Hamisi Nyota you are out of Order!...

[Interruption]

Hon. Hamisi Nyota: So, he should just withdraw that, Chair...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Honourable Abdulrahman Hussein unatakiwa, umezungumza nini mwanzo, mimi sijasikia...

[Interruption]

Hon. Abdulrahman Abdikadir: Chair what am I withdrawing? It is a fact. There is nothing to withdraw...

[Interruption]

The Chairperson (Hon. Fadhili Makarani): Mimi kama Mwenyekiti sikusikia ni nini ambacho amesema, *not unless* tutaenda kwa Hansard tuangalie na ikiwa kuna kitu ambacho amesema si *Parliamentary Language* tuta *propose to the Honourable Speaker* aje aweze ku *withdraw* mbele ya Nyumba hii. Kwa hivyo tutaenda tuangalie kwenye kitengo cha Hansard ikiwa kuna kitu amezungumza ambacho hakiridhishi Nyumba hii basi atakuja aje atoe samahani hapa ama aregeshe kauli. Kwa hayo mengi mimi nasema *I am proceeding to put a question that votes D3012, D 3013, D 3014, D 3017, D 3022, D 3029, D 3030, D 3031, D 3034, D 3035, D 3036, D 3037, D 3038, D 3039 be part of the Bill.*
