PRAYERS

The Speaker (Hon. Khatri): Good morning Honourable Members. Yes, Clerk next Order please?

NOTICE OF MOTION

AUTHORIZATION FOR INTERNAL BORROWING TO ADDRESS A FISCAL DEFICIT
HONOURABLE ALI OMAR SHARRIF (MCA, TONONOKA WARD/VICE CHAIRPERSON
MOMBASA COUNTY ASSEMBLY SERVICE BOARD)

Yes, Honourable Ali Shariff. Please issue the Notice of Motion.

Hon. Ali Shariff: Thank you Mr. Speaker Sir. Mr. Speaker Sir, I wish to give notice of the following Motion - *Authorization for Internal Borrowing to Address a Fiscal Deficit. The County Assembly of Mombasa;*

LAYING FOUNDATION ON the principles of public finance as enshrined in Article 201 of the Constitution of Kenya, 2010, and its mandate under Section 142 of the Public Finance Management Act, 2012, to ensure prudent financial management;

RECALLING the established Staff Salary Cash flow Support Facility with KCB Bank Limited, an operational arrangement designed to ensure the timely payment of staff salaries pending the receipt of exchequer releases from the National Treasury;

NOTING that pursuant to this facility, KCB Bank Limited disbursed the May, 2025 salaries on behalf of the County Assembly, thereby creating a contractual liability for the Assembly to settle from its operational budget for the financial year ended June 30 2025;

GRAVELY CONCERNED by the subsequent enactment of the County Allocation of Revenue Act 2024 which statutorily reduced the Assembly's approved budget ceiling by

Kenya Shillings Seventy-Two Million (Kshs.72.000.000) after the Assembly's financial commitments for the year had been finalized in the IFMIS;

HAVING REGARD TO THE FACT that in diligent execution of its mandate, it had processed has processed and fully committed its expenditures for the 2024/2025 Financial Year within the Integrated Financial Management Information System (IFMIS) based on its originally approved budget;

ACKNOWLEDGING that this sequence of events had culminated in a critical and quantifiable funding gap of Kenya Shillings Thirty-Eight Million Six Hundred (Kshs.38.625.910.26), which funds had been paid through an ongoing overdraft facility repayable to KCB Bank Limited monthly, which is currently due for repayment;

CONVINCED THAT a temporary internal reallocation of resources from the Mombasa Assembly Car Loan and Mortgage Fund which currently holds sufficient liquidity, represents the most responsible, cost-effective, and self-reliant solution to this exigent pressure;

AFFIRMING that the Mombasa County Assembly Service Board is the statutory body mandated to administer the funds and properties of the County Assembly of Mombasa and is therefore the sole appropriate entity to execute this necessary borrowing;

UNDERSCORING, the imperative that this internal borrowing is a temporary measure and that the borrowed funds must be replenished to the Mombasa Assembly Car Loan and Mortgage Fund in a timely manner to safeguard its primary mandate;

Hereby RESOLVES as follows:

- 1. AUTHORIZES the Mombasa County Assembly Service Board, pursuant to Section 142 of the Public Finance Management Act, 2012 to borrow internally a sum not exceeding Kenya Shillings Thirty-Eight Million Six Hundred and Twenty-Five Thousand Nine Hundred and Ten and Twenty-Six Cents (Kshs.38,625,910.26) from Mombasa Assembly Car Loan and Mortgage Fund.*
- 2. DIRECTS that the source of the said funds shall be the Mombasa Assembly Car Loan and Mortgage Fund from the account held at Gulf African Bank Bondeni Branch Mombasa payable to KCB Bank Limited.*
- 3. DECIDES that the borrowed funds shall be applied exclusively to defray the deficit in the recurrent expenditure budget and facilitate the full payment of staff salaries and allowances for the month of May, 2025.*
- 4. STIPULATES THAT the internally borrowed amount shall be repaid to the Mombasa Assembly Car Loan and Mortgage Fund account held at Gulf African Bank, Bondeni Branch Mombasa in six (6) equal monthly installments of Kshs.6,437,651.71 each month with the first installment payable in August, 2025.*

Thank You Mr. Speaker.

The Speaker (Hon. Khatri): Thank you very much Honourable Ali Shariff. Yes, Clerk next Order please?

MOTION

MEASURES TO ENHANCE THE IMPLEMENTATION AND ENHANCEMENT OF THE MOMBASA COUNTY CHILD CARE FACILITIES ACT, 2016

The Speaker (Hon. Khatri): Yes, Honourable Milka Moraa please move the Motion.

Hon. Ngare: Thank you Mr. Speaker Sir. I beg to move the following Motion.

Today at the County Assembly of Mombasa guided by the Constitution of Kenya, 2010 particularly Article 53(2) which dictates that a child's best interests are of paramount importance and Article 43(1) on the right of education and health;

REAFFIRMING the authority and mandate of this Assembly as enshrined in the Mombasa County Child Care Facilities Act, 2016 here after the act which seeks to ensure all children have access to safe stimulating and nurturing environments;

AWARE THAT, while the Act provides a robust legal foundation a significant disparity persists between its provisions and the operational realities of many child care facilities especially those serving our most vulnerable communities;

CONCERNED THAT without a supportive implementation strategy the Act's compliance requirements particularly licensing and infrastructure standards could inadvertently force the closure of essential affordable child care providers in informal settlements;

FURTHER CONCERNED that this implementation gap risks creating a too tired child care system in Mombasa deepening inequalities by allowing quality to advance in affluent areas while leaving children in low-income communities further behind;

RECOGNIZING THAT strategic investment in the early years is the single most effective means of developing human capital and that accessible quality child care is a critical enabler of economic growth by unlocking the full potential of the female workforce;

ACKNOWLEDGING the existing county government initiatives such as the ECD feeding programs as a vital starting point that demonstrates the capacity for successful integrated service delivery;

NOTING THAT global best practices defined by UNICEF W.H.O nurturing care framework demand an integrated approach that combines health education and public health and nutrition safety responsive caregiving and opportunities for early learning;

HEREBY RESOLVES that the County Government of Mombasa do as follows;

1. Enhance accountability and public transparency:

Tabled before this assembly within 90 days a comprehensive report on the Act's implementation status including data on facilities licensed revenue collected and the operational status of the advisory committee and simultaneously launch a public online database of all licensed facilities.

2. *Invest in human capital through tired certification.
In partnership with accredited institutions immediately roll out a sub sized tired professional development program for all children providers. This program must be accessible across all sub-counties and structured to create a career pathway from a foundational certificate to an advanced diploma with a curriculum centered on the nurturing care framework.*
3. *Pilot integrated child development hubs.
Drawing from the international best practices select fund and upgrade at least two child care facilities in each sub-county to function as integrated service hubs. These pilot centers will locate or provide regular access to essential services including child growth monitoring immunization checks nutritional support and parental skills workshops.*
4. *Operationalize a supportive quality assurance system.
Immediately fund and operationalize the inspectorate unit mandated by the Act equipping it with a modern digital toolkit for assessments. This unit must operate on a dual mandate ensuring compliance through regular inspections while providing supportive developmental guidance to help all facilities progressively achieve the required standards.*

I ask Honourable Allen Katana MCA for Shanzu Ward to second the Motion. Thank you, Mr. Speaker.

[The Honourable Speaker (Hon. Khatri) exited the Chair]

[The Temporary Chair (Hon. Hamisi Nyota) in the Chair]

The Temporary Speaker (Hon. Hamisi Nyota): Yes, Honourable Allen Katana.

Hon. Katana: Thank you, Speaker. I was very much ready prepared to second the motion. Thank you.

The Temporary Speaker (Hon. Hamisi Nyota): I now propose a question that the Motion by Honourable Milka Ngare on Measures to Enhance an Implementation and Enhancement of the Mombasa County Child Care Facilities Act, 2016 be considered by this Honourable House in the same terms as moved?

[Question proposed and agreed to]

Yes, Honourable Milka please make a contribution to the Motion.

Hon. Ngare: Thank you Mr. Speaker once again. I rise to move this Motion as stated on the Order paper dated Wednesday 8th July, 2025. Mr. Speaker, this Motion is about the future of our County, it is about the wellbeing and development of our youngest and most vulnerable citizens, our children. I bring this Motion guided by the Constitution of Kenya specifically Article 53(2) which rightfully declares that a child's best interests are of paramount importance Article 43(1) on the fundamental rights to education and health so what is the core problem here? Mr. Speaker, we have a solid piece of legislation in the Mombasa County Child Care Facilities Act, 2016; this Act is designed to ensure that all our children have access to safe stimulating and

nurturing environments for their early development however we must be honest with ourselves. While the law exists on paper its implementation has fallen short. There is a significant gap between what the Act proposes and the reality on the ground especially for children in our most vulnerable communities and informal settlements.

I am deeply concerned that without a proper implementation strategy and without addressing the licensing, the infrastructure standards we are at risk of forcing the closure of some of these essential affordable childcare providers in informal settlements. Furthermore, this gap is creating a two-tiered system where affluent areas have access to quality regulated childcare while low-income communities are left behind. This is deepening inequality from the earliest stages of life and we cannot allow this to continue. Mr. Speaker this Motion provides a clear four-point action plan to rectify this situation; therefore, in the Motion I have proposed several resolutions that the County Government of Mombasa should take.

One; I have proposed about enhancement of transparency and data collection. We must bring all our childcare facilities into light; we need to publish a comprehensive report on the status of all licensed facilities. This includes the allocation, ownership and operational status. We also need to create a public online database for full transparency. Currently we have childcare facilities known as 'Mama Mlezi' if I can borrow that word from Kiswahili but knowing how many there are who operates them, how are they operated, who are the caregivers? Do they have the proper documentation? Is now a big problem in our County and I remember one Honourable Member in this House by the name Allan Katana brought similar queries to this House but nothing has been done so far.

I also remember the Chairman of Labour Honourable Madialo brought almost a similar Motion here on proper childcare facilities nothing has been done up to date that is why I am invoking this Childcare Facilities Act that was enacted that was passed in this House in 2016. Resolution number two invest in our childcare professionals; we need to have professionals taking care of our children, they need to have been assessed medically, they need to have gone to school so that they know how to handle our young ones in fact it says the first 1000 days are the most critical, the most important for a developing child. If a child is not given proper care at that stage that child does not grow well, if a child does not get the best at that stage does not do well. So, we must invest in our childcare professionals.

Three we need pilot innovative child development hubs; I will bring you nearer home we have the Aga Khan Schools for example. I was a teacher in one of them The Aga Khan Foundation built the School of Excellence; the one near the ferry and gave it the best of the best including an amphitheater where other Aga Khan School children can come and benchmark. What were they doing? They were putting up a School of Excellence in one of their institutions to do an experiment on how can a child in a perfect environment given the best and a perfect environment how do they perform as compared to children in other institutions that don't have those kinds of facilities. This is what I'm talking about here. That we can have two pilot childcare centers of excellence where the other ones can come and benchmark where they can also get immunization where they can copy the best practices for us to have the best.

And finally, we must strengthen oversight and support. Our core mandate here is to oversight. We also have our inspectorate who are supposed to be keeping guard of these childcare facilities so that we have the best from those childcare facilities. Some of us have visited Wow Moms in Nairobi which is being supported by the County Government of Nairobi and it is a very.... they will bear me witness we have gone there with some of the Honourable Members we visited there and we have an example a perfect example of how a childcare facility

is supposed to have. I visited South Korea and I was taken to a perfect and excellent hub of a childcare facility so we are ready to give guidance we are ready to offer any information that could help us get there and have the best for our children.

Mr. Speaker, acknowledging the great work already being done by the County executive in various initiatives we also recognize a global truth investing in early year is the single most effective way to develop human capital and unlock the full economic potential in our society particularly our women. The Motion provides a clear actionable roadmap to bridge the gap between law and practice. It is a vital starting point to ensure every child in Mombasa has the best possible in starting life. I urge my fellow Members Honourable Members to support this Motion for the sake of our children, our communities and the future prosperity of our great County. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Milka, yes Honourable Morgan Matsaki.

The Minority Leader (Hon. Matsaki): Thank you so much Honourable Speaker and I stand fully to support this motion brought by Honourable Milka and I'm also guided by the Constitution of Kenya, 2010 Article 53 (2) which indicates that a child's best interests are of paramount importance. Thank you so much.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you Honourable Morgan Matsaki for your contribution. Yes, Honourable Silvester Kai MCA Junda.

Hon. Kai: Thank you, Mr. Speaker. I stand to support the motion because it is very healthy for our children but again, I have a humble request to our very dear Honorable Member Milka Areba that when she goes to the South Korea please take me so that I can even learn further about this Motion. Thank you.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Silvester Kai. Yes, Honourable Mwaka Mulundonda.

Hon. Mwaka Mulundonda: Ahsante sana Mheshimiwa Spika na mimi nasimama kuweza kuitilia mkazo hoja hii kwa sababu msingi wa mtoto ni afya, jambo la kwanza, la pili ni elimu na mazingira pale ambapo anakaa kwa hiyo jambo hili tuweze kulitia mkazo ili waweze kupata afya njema, waweze kusoma vizuri, waweze kupata malezi mazuri. Kwa sababu kama sisi kweli tulienda Nairobi kuona vile facilities za watoto vile wanakaa. Kwa kusema kweli ni jambo la kusikitisha sana kiasi cha kwamba sisi kama Mombasa hatuwezi kuiga kama ule mfano kama ule. Watoto walikuwa wanakaa mahali pazuri kwa sababu kina mama wanaenda kufanya biashara na watoto wanahangaika mitaani ambapo kwamba tunaweza kupata sehemu kama hiyo na watoto wakaweza kuwekwa kwa hali nzuri hiyo ni sifa kwetu kama wakaazi wa Mombasa pili pia tunapata jaza zetu kwa Mwenyezi Mungu kwa sababu watoto wale wale wakikua vizuri ndio tunapata madaktari, tunapata mengine, tunapata watoto ambao watakuwa wataweza kuendesha taifa letu la kenya lakini kama tutaweza tukapata watoto kama mama anatafuta pesa, hana pahali watoto pa kukaa, watoto wako mitaani ndio tunawaita ni chokora. Hakuna jina la chokora ispokuwa ni malezi na umasikini na kustojaliwa kwa kuweza kuwekwa mahali pazuri. Kwa hilo mimi naliunga mkono na kama alivyosemwa Mheshimiwa Milka maneno mengi tunazungumzia hapa yanaishia hapa hayawezi kuendelea mbele kama sisi kina mama wacha baba maanake nikisema mama nimebeba mimba, nimemzaa, nimemlea kwa hiyo mwenye uchungu zaidi ni

mama na hata akimuona Mheshimiwa Milka alikuwa anaongea na jazba kabisa kwa sababu anajua uchungu wa mtoto. Kwa hiyo kina baba poleni japo kuwa nyinyi pia mnajua uchungu wa mtoto lakini unajua mambo yenu ni dakika tano mnamalizana na sisi sisi tunazidi kulea mtoto. Kwa hiyo poleni kina baba...

The Temporary Speaker (Hon. Hamisi Nyota): Honourable Mwaka kindly wind up you have two seconds. Yes, Honourable Mwaura any point of order?

Hon. Mwaura: Mr. Speaker, you have just heard what *Mheshimiwa* has just said.

The Temporary Speaker (Hon. Hamisi Nyota): What is your point of order Honourable Mwaura?

Hon. Mwaura: I just need clarity Mr. Speaker on the point that she has made and I want to quote her saying that wanaume zao ni dakika tano. She may need to clarify that dakika tano ni za nini?

The Temporary Speaker (Hon. Hamisi Nyota): Honourable Mwaka?

Hon. Mwaka Bakari: Ahsante sana Mheshimiwa Spika nilikuwa namanisha dakika tano unajua dakika tano nimesema mama na baba mwenye ulezi zaidi ni mama na mwenye majukumu ni mama. Baba yeye kazi yake ni ndogo ya kuwa anaenda kazini, anaacha mama pale nyumbani mama yeye anaenda kazini lakini sasa mama naye anaelea mtoto kwa hiyo dakika tano nimeisema yeye anaangalia tu mtoto mara moja anaenda zake. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Mwaka I think that is well understood. Yes, Honourable Jactone Madialo.

Hon. Madialo: Ahsante sana Mheshimiwa Spika kwanza ningependa kutoa pongezi za dhiti kwa Mheshimiwa Milka Moraa Ngare kwa kushinda tuzo. Ningependa kuambia Mheshimiwa Spika na waheshimiwa wenzangu ya kwamba hii tuzo ambapo alipatiwa Mheshimiwa Milka Ngare ni tuzo ya kweli maana of late watu wanatuzwa tuzwa left, right and center tuzo zengine *fake fake*. Lakini hii ya Milka ni tuzo kamili sahihi na hata hii hoja tayari inakuonyesha kazi ambayo Mheshimiwa Milka anafanya katika Bunge hili na pia kule nje. Kwa hivyo ningependa kusema hivi ninaunga mkono hii hoja ahsanteni.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Jack Madialo. Yes, Honourable Ali Shariff.

Hon. Ali Shariff: Thank you Mr. Speaker. I beg to support the Motion brought by Hon. Milka who was recently awarded as the best female MCA regionally in coast and number two in the country. Honourable Milka has brought a lot of Motions which are beneficial to the community so it is upon the executive to implement them now. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Ali Shariff. Yes, Honourable Samuel Mwaura you had a stood earlier?

Hon. Mwaura: Ahsante Mheshimiwa Spika hata nami naungana na wenzangu kumshukuru Mheshimiwa Milka kwa sababu ya kutuzwa kama Mheshimiwa MCA bora zaidi wa kike ndani ya Mombasa na wa pili ndani ya nchi yetu ya Kenya. Mheshimiwa Spika nikisema hivyo nataka niunge huu mswada mkono na ni mshukuru sana Mheshimiwa Milka kwa sababu ya mapenzi yake makubwa kwa watoto wadogo ambapo ni nakumbuka sio muda mrefu alileta hoja nyengine ya kusema ya kwamba watoto walio ama wanaokaa na wazazi wao ndani ya masoko yetu waweze kutengewa sehemu ambapo wanaweza kuenda kunyonyeshwa na kuenda kuangaliwa ili usalama wao uwe umehakikishwa.

Mheshimiwa Spika huu mswada nao analenga kuhakikisha ya kwamba watoto wakikua kwanzia pale chini wakue wakiwe wametengenezewa ile tunaita kwa kimombo *foundation* na *foundation* ya mtoto Mheshimiwa Spika ndio inayoamua ya kwamba huyu mtoto watakuwa namna gani na kukua kwake inawezachangia zaidi hata utu uzima wake Mheshimiwa Spika kwa hivyo tukiwa na jamii ambayo tumewalea watoto wachanga wakiwa tumewalea na misingi mizuri tunahakika ya kwamba taifa letu siku zijazo litakua taifa zuri ambalo halina watu wanao haribu mali kwa kusingizia maandamano, watu wanaoharibu nchi kwa kusingizia ukosefu wa ajira, ni watu ambao watakua kwa kweli wamepata ufahamu na wamejua ya kwamba nchi ni ya muhimu zaidi. Kwa hivyo Mheshimiwa Spika nasimama kuunga hoja hii mkono. Ahsante.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you Honourable Samuel Mwaura. Yes, Honourable Pamela Ojala.

Hon. Ojala: Thank you Mr. Speaker for giving me this opportunity also to give my contribution Mr. Speaker. Mr. Speaker, before I proceed I want to congratulate my darling sister Honourable Milka Areba from another mother of the good work she has been doing and she makes us proud as Honorable members of this House Mr. Speaker. Mr. Speaker always it is well known that women are the enemies of their own women but I want to confirm to this Honourable House that that is not true because when Milka told us she is going to get a award is only that it was a short notice but we wanted to accompany her so that we saw the solidarity Mr. Speaker but that one that fruit it comes because of the good leadership that we have and it is true that we need to give our Honourable Speaker Aharub Khatri a big round of applause for the support he normally gives us as Honourable Members and Mr. Speaker when I embark on the Motion Mr. Speaker I stand to support the Motion to enhance the Implementation and Enhancement of The Mombasa County Child Facility Act, Mr. Speaker. Mr. Speaker, this is a very important Motion before us today as Honourable Members. Mr. Speaker, if this Motion is implemented, it will empower our County to register and licence diverse child care providers, second, maintain high standards of safety and quality, Mr. Speaker, coordinate cross-departmental efforts for child welfare, fulfill constitutionally a mandate in promoting child development and protection. Mr. Speaker, I urge Honourable Members to support this important Motion. Mr. Speaker, I stand to support the Motion. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you, Honourable Pamela Ojala. Yes, Honourable Allen Katana, MCA Shanzu.

Hon. Katana: Mheshimiwa Spika nikushukuru kwa nafasi hii tena nimshukuru Mheshimiwa Milka Areba kwa kuleta mjadala wa maana sana ikumbukwe Mheshimiwa Spika katika Jumba hili ilikuwa Jumanne tarehe tatu, mwezi wa kumi, mwaka wa elfu mbili na ishirini na tatu kama alivyosema Mheshimiwa aliyelea hoja hii Bungeni leo ya kwamba nilileta hoja kidogo sawia na hoja ya leo lakini ni huzuni Mheshimiwa Spika vitu tunavyo vipitisha katika

jumba hili, labda wenzetu upande wa pili wana vichukulia kidhihaka na hivyo basi kuonekana jumba hili ni jumba la watu ambao hawajui walikuja kufanya nini Mheshimiwa Spika. Ningeangalia leo hii hoja zilizo letu na Mheshimiwa Milka, zingekuwa zina misingi bora ya kuendeleza hoja ambazo nilizileta mwaka mzima uliopita Mheshimiwa Spika. Kwa sababu ukiangalia maombi yaliyoletwa na Mheshimiwa Milka na simuungi mkono kwa kuwa alishinda tuzo Mheshimiwa Spika mimi ninachokiunga mkono, huwa naunga mkono kitu cha maana ambacho kitaleta natija kwa watu wetu. Maombi haya ya manne ni muhimu sana na sasa hivi haya maombi manne yangekuwa yanalala katika misingi, ambayo tayari kama sisi au kama jumba hili kupitia kwa Kamati inayoongozwa na Mheshimiwa Mwaura Mheshimiwa Spika tungekuwa tumesukumana ingekuwa tuna nafasi rahisi sana ya kuafikia maombi mazuri ambayo Mheshimiwa Milka ameyaleta siku ya leo.

Mheshimiwa Spika ni kwamba hivi sasa sisi tulio hapa kama Waheshimiwa siku ya leo ingekuwa hatukupata misingi bora kusema ukweli wengi wetu hatungekuwa hapa na ya kwamba pia vilevile yale tuliopata wakati wa nyuma sisi ambao tuko hapa leo vilevile yanahitaji kuboreshwa kwa sababu sasa dunia ilivyo sivyo ilivyokuwa, ametaja katika ombi lake la tatu Mheshimiwa Spika kufuatilia kuhusu upeanaji wa wa chanjo. Leo hii watu wanapata ulemavu ambao hawakuzaliwa nao kwa sababu wanakosa wazazi, pengine ni mayatima ama wanakosa wazazi walio na elimu kwa maswala ya chanjo. Mimi nikiwa Mheshimiwa hapa Mheshimiwa Spika, nikujuze nina mtoto wa mwaka mmoja na miezi minne na mke wangu kila siku ananiambia naenda kudungwa chanjo baada ya mwezi huu anaenda mimi sielewi ni chanjo gani anaenda kupatiwa na inatakikana kwa muda gani lakini kama ingekuwa hizi sharia tunazoweka na kama iliyowekwa leo Mheshimiwa Spika itapata nafsi ya kufuatiliziwa, kuna vitu vingine vitakuwa vinajengwa vinawekwa kama misingi itakayosaidia kizazi chetu kina macho kuja hasa jiji la Mombasa.

Katika ombi lile lile pia, linatusaidia Mheshimiwa Spika nakupa mfano tu kidogo ndio nitoke katika mada hii. Tunapata shida inapofika wakati wa ugavi wa hizi pesa za kusaidia kwa kimombo waniita *bursary*. Kwa sababu gani inakuwa ni matatizo Mheshimiwa Spika? Ni kwa sababu serikali yetu ya kaunti haina idadi kamili ya Watoto, lakini endapo tutakuwa na rekodi kamili ama na hesabu kamili ya watoto wetu katika vituo hivi kama alivyoomba Mheshimiwa Milka itakuwa rahisi mbali tu katika huduma hizi hata katika maisha ya baadae tunapotaka. Sasa hivi Mheshimiwa Spika naona kuna hoja imetoka *executive* tayari kwamba kutakuwa na sijui niziite pembejeo ama nini wakati mwengine tunakosa maneno ya Kiswahili ya kwamba kutakuwa na pesa ya kuwalipia watu wanaokwenda kusema vyuo vikuu kupata elimu ya udakitari peke yake sasa kama hayo ni kweli Mheshimiwa Spika na tunarekodi za watoto wetu tangu ni wadogo na serikali ya Kaunti imetusaidia kufuatilia ni hakika kwamba tutakuwa tunafanya kazi kwa ubora.

Jengine Mheshimiwa Spika, ambalo ni ombi lake la kwanza Mheshimiwa Spika ni kufuatilia upeanwaji wa leseni katika hizi sehemu za hifadhi ya watoto katika hizi shughuli zilizosemwa leo Mheshimiwa Spika kuna sehemu zengine ziko na badala ya kuwasaidia watoto inakuwa watoto pale wanadhulumiwa kwa sababu walio pale wanaenda tu kwa sababu wanalipwa mshahara lakini hawana *passion* ama hawana mapenzi na shughuli wanazozifanya. Mheshimiwa Spika nisiwe mwingi wa maneno lakini iwe ombi langu kupitia kiti chako na Waheshimiwa wenza walio hapa ni lazima tuingie uchungu ya kwamba kufikia muda huu hili Bunge letu limepitisha sheria nyingi na limeleta mijadala ya maana lakini tunapo pungukiwa ni sehemu yetu ya kuisukuma *executive* ili vitu tunavyovipitisha hapa vikaweze kufanyika kwa

manufaa ya watu wetu kwa hayo maneno mengi naomba kuendelea kuunga mkono hoja hii. Ahsante.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much, Honourable Allen Katana. Yes, Honourable Leila Nyache, MCA Kipevu Ward.

Hon. Nyache: Ahsante sana Mheshimiwa Spika na mimi kuweza kuniona maana nimefanya kama zoezi vile nimesimama nikiketi nimesimama nikiketi pia nimenisadia kulingana na umri, ahsante Mheshimiwa Spika. Mheshimiwa Spika nimesimama kuunga mkono hoja hii iliyokuja na Mheshimiwa mwenza ambaye ni Milka Areba; kwa kweli nampongeza nampongeza sana tena sana huyu dada maanake mimi humuita mpenzi na yeye huniita mpenzi lakini msiende mbali kwa sababu Bunge hili nalijua. Sisi wenyewe huwa tunaitana wapenzi. Kwa hivyo Mheshimiwa Milka anahitaji pongezi kubwa sana. Pili, nataka nimpongeze kwa ile *award* yake aliyoipata...

[Interruption]

The Temporary Speaker (Hon. Hamisi Nyota): Yes, Honourable Allen Katana what is your point of order? Take a seat, Honourable Leila Nyache?

Hon. Katana: Honourable Speaker, I just want to inform the Member on the floor that we do not have Milka. We only have Honourable Milka in this House. Thank you.

The Temporary Speaker (Hon. Hamisi Nyota): Yes, Honourable Leila Nyache proceed with that guidance.

Hon. Nyache: Mheshimiwa Spika yeye anataka kupoteza point zangu lakini hazitapotea.

The Temporary Speaker (Hon. Hamisi Nyota): Proceed Honourable Milka. Honourable Leila, sorry.

Hon. Nyache: Ahsante sana Mheshimiwa Spika, nimesema Mheshimiwa Milka anahitaji pongezi kwanza kwa hii hoja amelea na pia kwa yale yote anayofanya katika uongozi wake kwa sababu ni mtu ambaye ana maono ama ni mtu mbunifu. Kiongozi anahitaji kuwa mbunifu na ndiposa amefika mahali kama hapa siku ya leo. Kwa hivyo mimi nampongeza kuweza kujali watoto, watoto wetu na hapo nyuma pia aliweza kuleta hoja kama hiyo na tukaelezewa kulikuwa na nyengine day care za watoto ambazo ziko hivyo hivyo kama kulikuwa na nyengine hapa Tononoka sijui haieleweki, ndio tunasema vile hivi vigezo vimesema hapa kuwe na miundo msingi ya kisasa na ziwe ambazo zinaeleweka, ziko na leseni na kuwe zinatembelewa, watoto wetu waweze kuwa na mazingira mazuri kuanzia chini na yale mazingira ya watoto yakianzia chini, kwa kweli mtoto anakuwa akiwa anaeleweka yule motto anaelekea wapi. Kwa hivyo mimi sina mengi kuna Mheshimiwa Madialo amesema, tuzo nyengine zilikuwa feki. Mimi pia mwaka jana Mheshimiwa Spika nataka nikueleze ya kwamba nilikuwa namba mbili Kenya nzima na Mombasa nilikuwa namba moja...

[Applause]

Katika maendeleo yangu ya Wadi. Kwa hivyo nashukuru, nashukuru mimi pia nilikuwa mmoja wa wale waliopata tuzo. Pongezi sana Mheshimiwa Milka na tuko nyuma yako sisi kama ma MCA kina mama tutakuunga mkono na kule unaenda usitusahau. Ahsante sana Mheshimiwa Spika, nimesimama kuunga mkono hoja hii.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Leila Nyache.

[Interruption]

Honourable Sylvester Kai what is the point of order.

Hon. Kai: Ni jambo zuri kama Bunge tunafahamishwa Mheshimiwa ana tuzo itakuwa ni vyema pia Mheshimiwa ukituletea tuzo tuisherehekee, hatujaiona Mheshimiwa.

The Temporary Speaker (Hon. Hamisi Nyota): Honourable Silvester?

Hon. Kai: Ilikuwa ni hilo tu ni jambo zuri najua kwa mwenzetu ni vizuri tulishangilia Mheshimiwa Spika. Ahsante.

The Temporary Speaker (Hon. Hamisi Nyota): Honourable Milka Moraa Ngare please reply to the Motion.

Hon. Ngare: Thank you Mr. Speaker. I want to start by thanking the members for the contributions that they have put in to this Motion, very health conversation and I also want to thank them for their congratulatory messages, that have made me almost tear up and I know I have sisters and brothers in this House who genuinely appreciate me so thank you so much and I also want to congratulate Honourable Leila, she was not loud the way I was by bringing out my trophy so that everybody can witness, congratulations my dear Honourable Leila and may you acquire more. Now, this Motion I am glad that Members have understood it and supported fully. My main point I want to say is that the Mombasa County Child Care Facility Act, 2016 was very visionary; it is just unfortunate that it is on paper and nothing on the ground to show for its brilliance. This Motion therefore was not about adding new laws, it is about breathing life into the one that we already have investing in our youngest citizens enabling our women and creating an equitable Mombasa for all so that Children can grow in a very health manner and become the future leaders of this County. With that Mr. Speaker, I want to say thank you very much for the support and I end by telling the Members of this House, let us keep bringing good motion and let us also do our oversight role as required. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Hamisi Nyota): Thank you so much Honourable Milka, I think Honourable Mwaura who is the Chairman for implementation is in this House. Honourable Samuel Mwaura many comments have been made about your Committee please take it serious and fast track the Motion which is passed by this Honourable House to see the light of the day, with that, I now put a Question that the Motion by Honourable Milka Ngare On Measures To Enhance The Implementation and Enhancement of The Mombasa County Child Care Facility Act, 2016, be approved by this Honourable House in the same terms as debated?

[Question put and agreed to]
