Honourable Members, I can see there is some excitement in the House. Let me take this opportunity to add some few things; these are student leaders and representatives from various institutions of higher learning within Mombasa County, who are here on an educational visit to the County Assembly. Their visit is aimed at enhancing their understanding of the legislative processes, the role of the County Assembly in governance, and the importance of civic participation in County affairs. On behalf of the County Assembly of Mombasa and indeed on my own behalf I take this opportunity to warmly welcome them to the Assembly, we commend their interest in public affairs and encourage them to remain actively engaged as responsible citizens and future leaders. *Karibuni sana*. Thank you. I will give an opportunity to a few Members to perhaps welcome them. Is there any Member wishing to give them a welcome remark? Yes, Honourable Shilla.

Hon. Mumba: Thank you, Mr. Speaker. I stand to welcome the students of the universities and the political student associations who have visited us here today. We are glad they have come to this House to learn, to observe and see the business that is in this House, we welcome you all. You feel at home. You learn because you will be the leaders of tomorrow and you will see how we represent you in this Assembly so that you can have something to share with the rest of your colleagues when you go back. Have a nice listen and take note of what is important for you to put it in front in the future. Thank you and most welcome.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Hawa the youth representative of the House.

Hon. Hawa Omar: Thank you Mr. Speaker. I also take this opportunity to welcome you students from Mombasa Universities and Colleges Student Associations. I take this opportunity to welcome you to this August House, we are thrilled to have you here for this kind of visit and as future leaders or current leaders, it is important for you to understand the inner workings of this democratic institution and we are honoured to play a part in shaping you, shaping your knowledge and the perspective you have in this leadership.

So, this is where the laws are made and the voices of the citizens are represented so once again, I stand here to welcome you and we look forward to a productive and enlightening visit. Thank you.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you Honourable Hawa. Yes, Honourable Milka Moraa Ngare.

Hon. Ngare: Thank you Mr. Speaker for the opportunity. Let me also take this chance to welcome the students from Mombasa Universities and colleges to this Honourable House. I am very sure that you are going to have a good experience being an educational transformative civic tour to enrich your knowledge, acquire what you want to supplement and what you have already learned in your college and yes, the speaker said we sound excited. Yes, I had my namesake there Moraa. Moraa in a special way you are very much welcome to the House, thank you so much and have a wonderful experience. Thank you so much Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you. Talking of namesakes, I have also had my namesake in the House.

[Laughter]

Yes, Honourable Shilla also has had her namesake. Yes, Honourable Frankline Makanga. You are a youth so do not be shocked by that.

Hon. Makanga: Thank you Mr. Speaker. I do not know whether I have a namesake up there. Yes, so my namesake welcome, welcome to the Assembly. My name is Frankline Makanga, a Member of County Assembly for Chaani Ward that is Chagamwe Constituency. I'm probably a youth at exactly 34 years, so as young people you are welcome to this House and do not shy away from contesting for these political seats. You can choose any Ward represented by these Honourable Members here to make them have a run for their money. So *karibuni sana* and have a learning experience. Thank you.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdirahman): Yes, Honourable Hamida.

Hon. Noor: Thank you, Mr. Speaker for giving me this opportunity welcoming the students from Mombasa University College Student Association. I welcome you this morning especially I welcome you the young ladies so as my colleagues have just said you are most welcome and see how we conduct our businesses in the House. You are most welcomed. Thank you very much.

The Temporary Speaker (Hon. Abdirahman Abdikadir): I think we have had enough of that and the last person perhaps to do the welcoming remarks will be Leila Nyache.

Hon. Nyache: Ahsante sana Mheshimiwa Spika kwa kuweza kuniona pia mimi niweze kukaribisha wanafunzi kutoka chuo kikuu cha Mombasa. Nawaambia karibuni sana katika Bunge la Kaunti ya Mombasa muone vile tunavyowakilisha wananchi katika Bunge hili na muone vile tunavyowakilisha hata nyinyi katika Bunge hili na pia tunawaomba muweze kuwa

The Temporary Speaker (Hon. Abdirahman Abdikadir): Ahsante sana. *At this juncture I would like us to transact the business ahead of us. Yes Clerk?*

NOTICE OF MOTION

ESTABLISHING MODERN KIOSKS FOR STREET HAWKERS TO PROMOTE URBAN ORDER AND REVENUE GROWTH

Yes, Honourable Frankline Makanga please give the Notice of Motion.

Hon. Makanga: Thank you Mr. Speaker. Mr. Speaker I would like to give notice to the Following Motion.

Mr. Speaker Sir, I beg to give notice to the following Motion;

THAT AWARE THAT Article 55(c) of the Constitution obligates the State to promote the participation of youths in economic life, while the Urban Areas and Cities Act, 2011 mandates County governments to ensure proper planning, regulation of commerce, and orderly development of public spaces;

FURTHER AWARE THAT in many urban centers across Mombasa County, hawkers and informal traders routinely occupy road reserves and pedestrian pavements-particularly along major roads, markets, and bus termini-posing safety hazards, obstructing foot traffic, and contributing to visual disorder;

COGNIZANT THAT most hawkers operate under highly precarious conditions due to lack of designated spaces, leading to constant evictions, harassment, and inability to access public utilities or grow their businesses;

DEEPLY CONCERNED THAT this unregulated occupation of walkways undermines urban accessibility, sanitation, and mobility, while also denying the County Government the opportunity to formalize the informal sector for predictable revenue generation;

NOTING THAT the construction of modern, well-designed kiosks-allocated at affordable rental rates and linked to business permits-would not only restore order to urban centers but also empower hawkers with dignified workspaces, increase revenue through kiosk hire and annual licensing, and reduce enforcement conflicts;

CONVINCED THAT structured integration of informal traders into the urban economy through modern kiosks will promote inclusive economic growth, enhance public safety, and improve the image and functionality of Mombasa's towns and trading centers;

I, therefore urge this Assembly to RESOLVE:

1. *THAT, the County Executive Committee Member for Trade develops and submits; within 90 days, a plan for the phased construction of modern kiosks in designated urban centers and roadside areas, with special consideration for high-density zones prone to hawker congestion;*
2. *THAT, upon completion, the kiosks be allocated to registered hawkers through a fair and transparent process, subject to monthly rental fees and annual single business permit requirements, thereby transitioning informal traders into the formal revenue base:*
3. *THAT, the County Government incorporates funding for the kiosk programme in upcoming plans and budgets including resources for land preparation, modular kiosk construction, sanitation, and lighting infrastructure, in collaboration with youth and artisan groups for local job creation.*

Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Clerk?

NOTICE OF MOTION

MEASURES TO ENHANCE VOCATIONAL SKILLS AND ESTABLISH PUBLIC TRAINING CENTRES IN EVERY SUCH COUNTY

Yes, once again Honourable Frankline Makanga.

Hon. Makanga: Again, thank you, Mr. Speaker. I rise to beg to give notice to the following Motion. Motion on Enhancement of Vocational Skills and Establishment of Public Trading Centres in every Such County;

THAT ARE AWARE THAT Article 43(1) (f) of the Constitution guarantees every person the right to education, while Article 55 obligates the state to promote access to employment and training for the youth. Obligations further are enforced by the bottom-up Economic Transformation Agenda and the Mombasa County Integrated Development Plan, CIDP, 2023/2027;

FURTHER AWARE THAT Mombasa County faces a youth unemployment rate of 39.2 per cent, that is according to Kenya National Bureau of Statistics, 2023, while public vocational training centres, VTCs, operate at only 47 per cent capacity, regulating, sustaining under-utilization and limited access to market-ready skills;

COGNIZANT THAT more than 60 per cent of VTCs in the county are equipped with outdated infrastructure and obsolete training tools that fall short of technical and vocational training authority, that is TVETA, while negative percentages around vocational careers continue to deter enrollment, as documented in a 2023 KIPPRA study;

DEEPLY CONCERNED THAT high tuition fees averaging 15,000 per term and cost-based educational requirements are major financial barriers that exclude many capable youths, particularly those from low-income and marginalized communities. Alarmed that this persistent failure to produce industry-aligned graduates has resulted in a critical 4

per cent labour shortage in Mombasa's global sectors, including maritime logistics, construction and the geoeconomic, thereby threatening the success of strategic projects such as the Dongo Kundu Special Economic Zone;

CONVINCED THAT addressing this crisis requires urgent, coordinated action to transform vocational education into an inclusive, modern, and industry-driven vehicle for youth empowerment and economic transformation;

I, therefore, urge this Assembly to RESOLVE;

1. THAT within 90 days, the County Executive Committee Member for Education and Vocational Training tables before this Assembly;

(a) A comprehensive audit of all public vocational training centers benchmarked against TVETA standards; and,

(b) A full-costed five-year modernization plan to rehabilitate and equip existing VTCs and establish at least one new center in each underserved sub county.

2. THAT by July 2026, the County Government, in collaboration with key employers, launches a formal, 'Mombasa skills to Industry Charter' to:

a) Guarantee at least 1,000 paid internships or apprenticeships annually for VTC graduates.

b) To establish a structured framework for industry-aligned curriculum for development and job placement.

2. THAT in the next financial year, the County Government establishes and ring-fences a 'Mombasa Youth Skills Fund' to:

a) To provide full bursaries for at least 1,000 disadvantaged learners annually, with the priority given to women, youth with disabilities, and those from informal settlements. And;

b) Finance starter toolkits and business incubation support for top-performing graduates in priority trade areas.

3. THAT as a standing accountability mechanism, in the County Executive Committee Member (CECM) for Education and Vocational Training shall submit biannual progress reports to this Assembly detailing;

- VTC enrolment trends,*
- Utilization of the Youth Skills Fund,*
- Status of infrastructure upgrades,*
- Graduate placement outcomes under the Skills to Industry Charter.*

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Frankline, who is your seconder to the Motion? Oh, it is a Notice of Motion. Yes, Clerk.

MOTION

MEASURES TO ENHANCE VOCATIONAL SKILLS AND ESTABLISH PUBLIC TRADING CENTRES IN EVERY SUCH COUNTY

Honourable Frankline, perhaps we should get into the Motion and propose a seconder without taking us through this document once again.

[Consultations]

Hon. Makanga: Thank you Mr. Speaker for your Solomonian wisdom. I think you are one of the few species remaining under the sun for considering that I have laboured reading out that whole script and therefore Mr. Speaker, allow me to ask Honourable Milka Moraa Ngare, who also happens to be my mother-in-law, to second the Motion.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Milka Moraa.

Hon. Ngare: Mr. Speaker thank you, remember in the House it is not in order to call me mother-in-law because I have not received any cows anyway, I do second the Motion. Thank you.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Members, I now propose the question that the Motion by Honourable Franklin Makanga on measures to enhance vocational skills and establish public training centres in every Sub-County be considered by the Honourable House in the same terms as moved.

[Question proposed and agreed to]

Yes, Honourable Frankline Makanga, please build your Motion.

Hon. Makanga: Thank you Mr. Speaker. I again thank you for this opportunity and thank the Honourable Members for allowing this noble Motion be debated on the floor of the House. Mr. Speaker, we as a House and as a County we are concerned about the state of our TVETs and the VTCs. Honourable Speaker, the Constitution of Kenya, 2010 from its promulgation, that is on 27th August, 2010 has mandated the County Government a core function in the education sector that is meant to empower the young people with hands-on skills and not only doing the construction of the infrastructure, but even funding those institutions to ensure that the young people are equipped with the right skills for the ready job market. Honourable Speaker, skills that are very basic like plumbing are skills that will be able to help reduce the unemployment rates and will also be able to help our young people, especially those who do not have the advantage of joining the university or colleges. For those of them who are not able even to finish Class 8, this is an opportunity for them to access such skills so that they are able to better their lives.

Mr. Speaker, as enshrined in our Constitution Article 55, which has been cited in my Motion states;

a) That the state shall take measures including affirmative action programme to ensure that the youth access relevant education and training.

Mr. Speaker, then we go to Part B of the same article, it says;

b. Have opportunities to associate, be represented and participate in political, social, economic and other spheres of life,

Then;

c) Access employment and d) are protected from harmful cultural practices and exploitation.

Mr. Speaker, of late there has been a conversation about the youth and everybody had their reservations, but one thing if I'm to speak as a youth is that the state and the County government, the state being both the national government and the County government have a duty and an obligation that this generation of young people we have been mandated by the Constitution to make sure that we lay foundations for them, both for education, for skills and to make sure, Honourable Speaker, they are employed so as we pass this Motion, I have made several prayers that;

1. We make sure that our VTCs in Mombasa are functional.
2. We have the right equipment

Honourable Speaker, we cannot be having VTCs operating with equipment that are outdated or that were purchased almost ten years ago and expect that this digitized generation will be able to use them. Further, Mr. Speaker, we understand that we have constituencies, including Chagamwe constituency and we do not have a VTC owned by the County government and we have young people there who are voters, we have young people who have every single right to make sure that they access this type of training. The VTCs we have as at now Mr. Speaker that is functional owned by the County government is the one in Mtongwe and I can assure you, if you visit that place, you will be shocked about the current state of that VTC. Therefore Mr. Speaker, it is my prayer that having six Sub Counties in Mombasa, if we have at least a VTC in Kisauni, not just for Public Relations, but a functional VTC where people are getting skilled, where people are empowered and once, they finish the training, Mr. Speaker, *wanapewa pesa ya kuweza kuanzisha yale mafunzo walisomea...*

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): You are out of order!

Hon. Makanga: I'm sorry, Mr. Speaker, that I hate to change to English, but you know, the Swahili is also a national language so maybe if you allow me, you know I'm a youth so if you allow me maybe you prohibit me from speaking in slang.

Otherwise, if you allow me to speak both English and Swahili, I will be able to pass my message Mr. Speaker, so may rule on you know that.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Frankline Makanga, you are a Member of the Speaker's Panel and you know the rules of the House and you know the Standing Order if you choose to start in English, then you have no other choice but to carry on with the language in English however, if you choose to also use Swahili then I will give an opportunity later on when you're responding to the motion. But right now, please carry on with the English.

Hon. Makanga: Okay, thank you. Thank you, Mr. Speaker, so...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): ...And you have two minutes by the way.

Hon. Makanga: Thank you. So, Mr. Speaker, having started off with English, I will complete in English; what I was saying is that once these young people have been trained in our institution being the Vocational Training Colleges (VTCs), it is a mandate and an obligation of the County government to make sure that the young people are given a start-up kit. If someone has been trained on plumbing to be given tools of work so that they can go outside there and make sure that they are able to do their job. Honourable Speaker, if someone has been trained as a barber, they are given the barber machines and other stuff that will make them useful in the society and by so doing we will have reduced the whole issue and get back on conversation that we are having with the young people are fighting the government. We as the young people and my comrades who are up there, we are not against the government...

[Applause]

All we want is our space and our rightful space by us having the right opportunities meant for us as the young people and let the older people who are in power as of now, Honourable Speaker especially those who have been appointed in the County Governments and by the National Government, let them pave way for these young people for who are up there to occupy those positions, anybody 60 years and above they have every right to retire to create space for the young people. Thank you, Mr. Speaker. And I ask Honourable Members to support the Motion. *Ahsanteni sana.*

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Milka Ngare the second of the Motion.

Hon. Ngare: Thank you, Mr. Speaker. As I stated earlier, as I seconded the Motion, yes, if you look at the prayers that Honourable Frankline Makanga has put on paper, they are very relevant. TVET's and VCT's should have a demand-driven curriculum for students so that immediately they get out of college or they get out of school they are able to align what they have learned with what is on the ground.

So, I was disrupted by a call here Mr. Speaker forgive me. I do support all the prayers that are on this Paper and I do support that we allocate budgets for the TVET's and for the VCT's so that when the students arrive for the same, they are able to align what they have learned with the skills on the ground. Immediately they leave the TVET's, they are able to get something to do because then when we allocate budget, we shall be able to assist the students. Thank...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Just a minute before you finish. Yes, Honourable Manuari are you up on the point of order?

Hon. Juma Manuari: Mheshimiwa Spika, ahsante sana kwa nafasi hii. Nimesimama kujuzwa kauli za dada yetu, ama mwalimu wetu wa Kizungu Mheshimiwa Milka Ngare hatujui ni VCT ama ni nini ambao anayoisema maana hatujamuelewa ile anayoizungumza twajua ni yale masehemu ya kupimwa maradhi ya gonjwa la Ukimwi...

[Laughter]

Lakini sasa tunamuona anaongeza tu kuongeza atueleze vizuri ilikuwa anamaanisha nini hapo ni VCT ama ni hii ambayo imeandikwa hapa. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Milka Ngare?

Hon. Ngare: Sometimes people choose listen to what they want, Vocational Training Centres (VTCs)...

[Applause]

Thank you. To wind up, maybe he needs a little bit of explanation on the same later on when I finish Honourable Athman Mwamwiri can translate into Kiswahili because he is very fluent in Kiswahili and further explain to him so that he gets to understand the difference between the two. Thank you so much. So, I do support the Motion Mr. Speaker thank you so much.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Katana.

Hon. Katana: Mheshimiwa Spika, nikushukuru kwa heshima zote kwa kuona ni afadhali nizungumze wakati huu na kwanza nimpongeze Mheshimiwa Wakili na tena Daktari Frankline Makanga (Hossana) kwa kuleta swala hili. Mheshimiwa Spika, si mara ya kwanza Bunge hili tumekua na hoja kama hii. Nakumbuka Mheshimiwa Patrick Mbelle wa Wadi ya Bamburi; kuna wakati alileta swala kama hili na lilipingwa kwa kiasi fulani na mimi nilisimama nae peke yake na utofauti uliopingiwa swala hili ni kwamba yeye alikua ameomba kwa shule zetu na zisiwe katika sehemu hizi zilizotengwa. Kwa hivyo naona Mheshimiwa Daktari, Mheshimiwa Frankline Makanga ameleta swala hili kwa njia mwafaka ifaayo na tena kuna maneno ambayo nitanukuu Mheshimiwa Spika ni kwamba kuna nukuu katika...ya kwamba, *threatening the success of the strategic project such as in Dongo Kundu special economic zone*. Mheshimiwa Spika, hakuna tishio lolote kinachotishia ni hichi tu; ya kwamba watu watatoka mbali kuja kuchukua hizi kazi lakini kwamba tishio zoezi hili halitakua si kweli na halafu tukikosa kupitisha swala hili ili

Executive walifanyie kazi vijana wetu watabaki bure mitaani na tunavyoona kwamba tunavyolia Mombasa Port wanaofanya kazi wengi ni wageni, wengi si wa sehemu hizi kwa sababu vijana wetu kusema ule ukweli Mheshimiwa Spika wanakosa ujuzi. Kitu kingine ambacho kimetajika katika maombi haya Mheshimiwa Spika ni kwamba Ksh.15,000.00 kama karo hio iko ghali zaidi; nimesoma mahali hapo na pendekezo ikawa iwe itapungua ili wasiojiweza wale wachochole nao wawe wataweza kusaidika. Tena Mheshimiwa Spika kuna ombi lingine la kibinafsi ambao limefanya wanaume wengine pia wanavunjikiwa na nyumba zao. Mheshimiwa Spika ni kwamba ombi limewekwa pale ya kwamba kuwe na hakika ya angalau, sijui Kiswahili ni nini utanisamehe watu 1000 ambao hawa watakuwa zile karo za zitalipiwa na katika watu hao wako kina mama, vijana na watu wanaoishi na ulemavu.

Haya ndio maradhi ambayo sisi wanasiasa pia tumeyapeleka mbele sana na tukamwacha mwanamume ambaye ana mzigo wa kubeba familia Mheshimiwa Spika. Katika wale Waheshimiwa ambao wako nyanjani sana Mheshimiwa Spika mimi ni mmoja wao na nimekua nalaumiwa kwa muda huu wote tangu nishike hatamu yangu pale Shanzu Wadi ya kwamba nilipokua nikiwajali, nimekua nikiwajali vijana, nimekua nikiwajali wamama lakini wababa wanajinyonga na msongo wa mawazo kwa sababu hawahusishwi popote na pia hawana uwezo wowote. Ombi langu ni, mwenye ambaye ameleta hii hoja ni ya maana sana Mheshimiwa Makanga liwe litaongezewa katika hii sehemu ambayo watalipiwa watu 1000 Mheshimiwa Spika wawe ni wanaume ambao maskini, wanadhililishwa ndoa zao pia zinavunjwa kwa sababu ya kukosa kuzikimu familia zao kwa kukosa ujuzi kama huo. Kwa hivyo Mheshimiwa Spika utaniruhusu nikae na mia fil mia mimi nitakua miongoni mwa wale watakao unga mkono swala hili. Ahsante Mheshimiwa Spika.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Juma Manuari please make your contribution.

Hon. Juma Manuari: Ahsante Mheshimiwa Spika. Umenipata nimekua najadiliana na ndugu yangu hapa Mheshimiwa Patrick Mbelle kuhusiana na haya maswala lakini nichukue nafasi hii kwanza kumshukuru Mwenyezi Mungu. Pili, kuwakaribisha vijana wetu ndugu zetu karibuni katika hili Jumba ili vijana wenzetu mujifunze kutokana na haya mambo yanayoendelea hapa na si rahisi kama munavyofikiria isipokua leo someni halafu kesho mungangane mashinani na nyinyi muje tupambane ili tusaide wananchi...

[Laughter]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Katana, are you up on a point of order?

Hon. Katana: Honourable Speaker, I think the Honourable Member is not in order to say we are all youths because he is welcoming all Members and referring to them as our fellow youths. People like me I am not youthful, if he is a youths he should see him as a youth. Thank you, Mr. Speaker.

[Applause]

The Speaker (Hon. Abdirahman Abdikadir): Thank you very much Honourable Katana for the relevant point of order. Yes, proceed Honourable Manuari.

Hon. Juma Manuari: Ahsante Mheshimiwa Spika. Naona ndugu yangu ameamua pia kuzima kipaza sauti, huyu hua ni mtani wangu, kwa hivyo Mheshimiwa Spika mimi nikimaanisha kijana mtu yeyote hana mvi ni kijana na yeye nikimwalia ana mvi. Kwa hivyo asijiweke kwenye daraja letu atusamehe....

[Applause]

Yeye si kijana...Mheshimiwa Spika, nichukue nafasi hii kuunga mkono hoja ya ndugu yetu Mheshimiwa Makanga kwa sababu ni hoja ambayo itatufikisha kule ambako tunataka tufike. Kwa hayo mengi machache Mheshimiwa Spika nimesimama kuunga mkono. Ahsante.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you. Is there any other Member who wishes to contribute to the Motion? Yes, Honourable Ali Omar Shariff, Chairperson Committee on Youth, Gender and Sports.

Hon. Ali Shariff: Thank you Mr. Speaker for giving me this opportunity to contribute about this Motion. Mr. Speaker, I am standing here to support my fellow Member Honourable Frankline Makanga on this Motion which benefits the youth of Mombasa. Mr. Speaker, when we look at the statistics about the unemployment rate, we are so saddened to see 49.2 per cent; these Vocational Training Centres – VTC’s they operate at only 47 per cent capacity so they are under capacity operationally. We can also see the training centres are under equipped with outdated infrastructures. Mr. Speaker, I beg my fellow Members to support this Motion and this Motion should be implemented immediately for the benefit of the youth of Mombasa...

[Applause]

Mr. Speaker, I also want to welcome the youth or the student leaders from different universities and colleges in Mombasa County we were also in your place some of us were headboys, prefects and others were noise makers but we penetrated in this House. So, Mr. Speaker we want to welcome the youth and we wish you all the best in leadership and I am sure...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Kai is up, just take your seat Honourable Ali Shariff.

Hon. Kai: Mheshimiwa Spika, ninafikiri unaelewa taratibu za Bunge hili ya kwamba chochote unachokisema kinanakiliwa katika Bunge hili. Sijui kama Mheshimiwa mwenza anaweza kutoa ushahidi wakati hawa viongozi wako hapa, ni yupi ambae alikua mpiga kelele ili isiwe hawa ndugu waliokuja kujifunza hapa wakaona ya kwamba kuna Waheshimiwa wengine walikuja hapa kazi yao ni kupiga kelele kama anaweza kutaja ataje mmoja ama aweze kuomba msamaha kwa kutoa kauli hii. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Ali Shariff?

Hon. Ali Shariff: Mheshimiwa Spika, dalili za wapiga kelele zajulikana mtu akiongea ana mkakatiza mwenzake akiongea. Mimi namwambia yeye ameamka ananikatiza...

[Laughter]

Sasa anajijua mpiga kelele ni nani...

[Laughter]

Ama vipi vijana?

[Laughter]

The Temporary Speaker (Hon. Abdirahman Abdikadir): You are out of order Honourable Ali Shariff! Please address the Honourable Speaker! Is there any other Member wishing to contribute? Allow me to introduce our Honourable Hamida Noor to make a contribution.

Hon. Noor: Thank you, Mr. Speaker. I stand to support the Motion. First of all; secondly Mr. Speaker, I will emphasize for the Mombasa County government to have these vocational courses my plumber is old and whenever I have any issues about plumbing, I have to keep on calling him every now and then to remind him to come. He is good in his job, no doubt about it because of the experience he has but what it is, is that we need the young ones, the youth, to come on board and have these vocational skills. Secondly, Mr. Speaker I stand to support this Motion because of the youth of this community; we do not have any institutions for disabilities to be trained, I deal with autistic children and most of them do not have anything to do. They are sitting at home if the vocational could have swimming in their facilities, could have carpentry, they would be in those institutions. Mr. Speaker, we need this thing before the economic zone comes up, because if the economic zone comes up and we do not have our youth and the young ones that are going to occupy this place, we will have people coming from other Counties. Mr. Speaker, we need this thing to be implemented like yesterday. So, I do stand to support the Motion. Thank you very much.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you. Yes, Honourable Pamela?

Hon. Arwa: Thank you Mr. Speaker for giving me this opportunity also to give my contribution. Mr. Speaker, before I proceed with my contribution, I also want to welcome the University students from various institutions to this Honourable House. This is a chance for them to know how laws are being made in this House, Mr. Speaker also to give them room to learn about the public participation. Mr. Speaker, I want to thank the Almighty God for having given us this chance today to see the day today. Mr. Speaker, I want to congratulate the Honourable Member from Chaani for bringing this important Motion to this Honourable House this is a very important Motion before us this morning. Mr. Speaker, I stand to support the Motion, *measures to enhance vocational skill and establish public training centers in every Sub-County*, as you are aware, there is a saying that in this country there are many youths who are jobless. If you talk about the welfare of the youth in this country, that is a fact that they will dance with you Mr. Speaker, you will realize that we have school drop outs, we have those who did not qualify to go

to the universities but here we have the establishment of the vocational training at the Sub-Counties. Mr. Speaker, the youth will acquire practical skill development, they will also have to realize their dreams and also enter the workforce earlier. Mr. Speaker, I stand to support the Motion. Thank you, Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Fadhili Mwalimu Makarani, the Deputy Speaker please make your contribution?

The Deputy Speaker (Hon. Fadhili Makarani): Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika, mimi nimesimama kuunga mkono hoja iliyoletwa na Mheshimiwa mwenza wa kutoka eneo Bunge Changamwe na vile vile mwakilishi wa Wadi ya Chaani. Mheshimiwa Spika, mimi kwanza pia ningeomba ikiwezekana hivi vyuo vya ufundi sisi kwa kule kwetu Changamwe hakuna ambayo ni ya serikali. Tungeomba pia tuwe ni wenye kufikiriwa ikiwa serikali ya Kaunti itaweza kujenga naelewa ya kwamba serikali ya Kaunti sasa inazunguka kupokea maoni kutoka kwa wananchi na ni jukumu letu sisi kama Waheshimiwa kutoka maeneo yale pia tuzidi kuwaambia watu wetu waipatie kipao mbele ili wengine wakianza kufaidika na sisi pia wale wa Changamwe tutakuwa miongoni mwa wale ambao watafaidika na vyuo hivi vya kiufundi. Mheshimiwa Spika, vile vile huu mtaala wa elimu uangaziwe vizuri sana kwa sababu yasikitisha kuona vijana kwa sasa hivi wanaenda kwenye vyuo na yale wanayofunzwa hayapo katika *Market*. Hivi sasa tukiangalia kunakuja magari ambayo hayatumii mafuta na tunataka ndio maana nasisitiza kuhusu huu mtaala vijana wetu watakuwa *futuristic* Mheshimiwa Spika, isiwe tu waenda pale twawafunza kushika spana na kufungua matairi na kuziba pancha na hali gari zinazokuja ni gari ambazo kwa ukweli hazitumiwi, *'They are tubeless'* wazungu wanavyosema ama ni magari ambayo yanatumia *battery* pia pikipiki ziko Mheshimiwa Spika na zimeleta ajira sasa ni haki huu Mswada uangaliwe badili ya kwenda kufundisha watu pikipiki ambazo zinaondoka kwa *Market* wafunzwe ni vipi watafanya ili wakienda kwa soko wawe watakuwa ni wenye kuajiriwa kwa haraka.

Tumeona Mheshimiwa Spika nchi zilizoendelea jinsi zinavyofanya ili kuendeleza nchi yao; sisi tulivyokuwa bado ni watoto tulikuwa tukiambiwa vijana ni viongozi wa kesho na ile kesho imefika, hivi sasa sisi ndio viongozi, ni leo, kesho imefika sasa ni leo na sisi ndio viongozi wa leo na tutakapo kosea kuwapatia foundation nzuri vijana wetu ambao wako nyuma, itakuwa tumewaweka mahali pabaya, itakuwa tumekosa kuwajengea soko la wao kuweza kujenga nchi yao na vile vile kupata ajira ya kuwaendeleza familia zao na kuendeleza nchi yetu na kuendeleza kaunti yetu. Mheshimiwa Spika, mimi naomba sana huu Mswada wa elimu uangaliwe na pia vile vile sisi kule kwetu Changamwe tuweze kupata chuo cha kiufundi kwa sababu kama ni kiwanja kipo na chaweza kikajengwa hiyo shule ya ufundi. Mheshimiwa Spika na hata mimi ninaweza nikaungana na waheshimiwa wenza twende nikawaonyeshe kiwanja kipo. Kwa hayo mengi Mheshimiwa Spika, mimi naomba Waheshimiwa wenza tuweze kuunga mkono hoja hii na isiwe tu kuunga mkono, nataka tuone imeweza kutendewa haki yake, ipewe haki yake kwa manufaa ya watoto wetu, kwa manufaa ya vijana wetu na kwa manufaa yetu sisi wenyewe. Kwa hayo mengi ahsanteni sana naomba tushikane pamoja tupitische hii hoja.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Mariam Baimu?

Hon. Baimu: Ahsante sana Mheshimiwa Spika kunipatia nafasi hii. Mimi nimesimama kuunga mkono huu mswada Measures to enhance vocational training kwa vijana wetu. Nafikiria waheshimiwa wenza wameongea mengi lakini mimi nazidi kusisitiza umuhimu wa wa hizi vocational training ama vijana waweze kusaidika tunaona katika hizi maneno maneno ama hoja zilizoletwa na Mheshimiwa mwenza Frankline ni kwamba vijana wetu wengi wako kwa makazi na kulingana na mwaka, 2023 ilikuwepo katika asilimia 39.2. Pia kidogo nikizidi kutia mkazo vile Mheshimiwa aliongea Frankline, ingekuwa vizuri kama County Government ingeweza kupeana gurantee angalau watoto elfu moja kama itawezekana kutoka kwa familia za kimaskini waweze kusaidiwa kulipiwa hizi internship at least waweze kujisaidia. Pia kama itakuwa vizuri pia kama serikali ya Kaunti ingeweza kushirikiana na ikaweza kulipia watoto *full bursaries* kwa watoto wale *needy* au watoto wanaotoka kwa familia za kimasikini. Kwa hivyo mimi nimesimama kuunga huu mkono na pia kwangu Kisauni, tuko na kisauni TVET lakini tunaona kwetu vifaa vya kazi ambavyo viko ni vya kitambo. Kwa hivyo hii hoja kama tunaweza kufanya *rehabilitation* ya vile vifaa na *equipment* pale nina imani watoto watapata vifaa vya kisasa vya kisiku hizi ili waweze kusoma kwa bidii. Kwa hayo mengi nimesimama kuunga mkono. Ahsante.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Before I hand over to the mover of the Motion, I will give an opportunity perhaps the last opportunity to Honourable Patrick Mbelle. Yes, Honourable Patrick Mbelle?

Hon. Mbelle: Ahsante Bwana Spika. Mheshimiwa Spika, kwanza naomba nikaribishe vijana wenzangu ambao vilevile ni wanafunzi na viongozi katika vyuo vikuu na vilevile vya ufundi katika Jumba hili. Si miaka mingi iliyopita Mheshimiwa pia mimi nilikuwa mwanafunzi katika chuo anuwai cha TUM ama Technical University of Mombasa na nikiwa hapo nilikuwa kiongozi na kuna mengi ambayo tulifanya nikiwa kama kiongozi wa wanafunzi wakati huo na nina imani kuwa wamekuja kusoma ili kuimarisha uongozi wao ili kusaidia jamii na hata wengine katika shuleni. Kwa hivyo karibuni tena sana mujifunze ili muweze kuwasaidia zaidi. Mheshimiwa Spika kwanza naomba nianze kuwahabarisha kwamba kama vile alivyosema Mheshimiwa Katana ni kwamba mwaka ukiopita kulikuwa na hoja iliyoletwa na Mheshimiwa mwenza Mheshimiwa Milka na ndani yake nikatoa mchango kusema kwamba kuna umuhimu na upungufu mkubwa katika maswala ya mafunzo ya vijana wetu kule nyanjani na nikatoa mfano ya kwamba niko na shule kule mtaani ambayo inaitwa Kashani secondary school ambayo kwa miaka mitatu watu wanafanya mitihani ya KCSE na waliweza kufanikiwa kupata angalau gredi ya C- na kuendelea ilikuwa juu ya asilimia 90, hiyo basi wengi katika wale waliofanya mtihani pale walikuwa wamefeli na ikawa swali ni je vijana hawa wanaenda wapi?

Mheshimiwa Spika nilingojea kuona kama kuna action yoyote ambayo tungefanya kama serikali ya Kaunti na la kuhuzunisha mpaka leo hakuna kitu ambacho tumefanya. Niliamua Mheshimiwa Spika kwa juhudi zangu mwenyewe kwenda kufungua chuo cha ufundi ambacho kinaitwa Bamburi Skill Development Centre ili kuweza kuwafundisha vijana wale na Mheshimiwa kati ya yale maombi niliyopata, nilipata maombi zaidi ya vijana 1324 wakitaka kuweza kufundishwa maswala ya ufundi *skills* ndogo ndogo. Mheshimiwa Spika, kufikia leo nimefundisha 120, inamaanisha kuna elfu moja na bado wanahitaji kuweza kuwa *trained*. Mheshimiwa Spika, kinacho huzunisha zaidi ni kwamba ninapo soma hoja ya Mheshimiwa Frankline Makanga ni kwamba amesema katika Kaunti yetu ya Mombasa vile vyuo ambavyo tuko navyo ambavyo vinafaa kufundisha mambo ya *vocational training* ni asilimia 60 pekee yake ambayo viko na uwezo wakutoa mafunzo kutokana na kwamba viko na vifaa duni ambayo wanatumia, vile vile kati ya hivyo asilimia 60 ya vyuo ambayo tuko navyo ambavyo vinafanya

kazi, vinafanya kazi katika asilimia 47. *They are only operating at 47 per cent*, kwa hivyo inazidi kuhuzunisha ni kwamba hata watakao enda katika shule hizo bado itakuwa ni matatizo, Mheshimiwa Spika hilo linatupeleka katika ile *point* ya kwamba anasema kuna asilimia 40 *labour shortage* katika Mombasa. Mheshimiwa Spika, si uongo sasa ni hivi kuna miradi kama vile ujenzi wa barabara ambao unaendelea wa KENHA kuanzia hapa *Island* mpaka Mtwapa, ni dhahiri shahiri kwamba wengi wanaofanya kazi katika sehemu hizo, wengi si wa huku na si eti hawataki kuandikwa kazi. Lakini Mheshimiwa Spika wanapofika kazi zile ambazo ni *technical* kuendesha *crane* kufanya vitu vyengine ambavyo ni *technical* katika shughuli ile wanakosekana vijana wetu ambao wanafanya kazi katika sehemu ile na wakipatikana pia Mheshimiwa Spika *experience* pia vile vile hawana ya kuwekwa sehemu zile za kujenga barabara ambazo zinafaa kutumika na si hapo peke yake, ziko sehemu nyingi ambazo kuna mambo kama haya yanaendelea. Ukienda mahotelini kwetu kuna watu ambao wanaitwa katika sehemu zengine kuja kufanya kazi hapa kwetu. Ukienda katika sehemu tofauti tofauti ama katika *industries* tofauti tofauti, shida ni hio moja, kwa hivyo Mheshimiwa Spika hoja hii sioni kwamba kuna yeyote katika Bunge hili ambaye ametaka kupinga kwa sababu, shida hii inatupata sote katika mitaa yetu na vijana wetu ni kweli wengi wako mitaani hawajui la kufanya.

Mheshimiwa Spika katika siku zilizopita pamoja na wewe na tulifanya zoezi la kutafuta vijana ambao wa kwenda kufanya kazi katika meli. Tukatafuta sijui zaidi ya elfu moja. Wenye walikuwa *qualified* kufanya kazi hizo, ilikuwa ni vijana kumi na tano peke yake ikiwa nakumbuka, lakini hao hao watu waliokuwa wanafanya *recruitment* wakaenda Nairobi, wakapata zaidi ya watu mia mbili *in less than an hour*. Kwa hivyo Mheshimiwa Spika inatuambia kuwa tuko na shida kubwa katika Kaunti yetu ya Mombasa, na ni muhimu sana kama Serikali yetu ya Kaunti iangalie hii kama donda sugu ambalo linathuathiri na ndio maana mpaka leo Mheshimiwa Spika, ukienda mitaani maswala ya uwizi, maswala ya vitu ambavyo havifai kufanyika kwa mitaa yaendelea kwa usana, na hapa kuna uwezekano yakiendelea kwa usanaa katika...

Kwa hivyo Mheshimiwa Spika langu ni kupongeza Mheshimiwa Frankline Makanga kwa kuja na hoja hii na kuomba kwamba tulitilie mkazo swala hili kuhakikisha kwamba, vijana wetu tunaweza kuwanusua katika hali ambayo hawajui tu katika hali mbaya na sisi kama Bunge ni muhimu kuweza kushauri serikali na kuhakikisha kwamba bajeti inapokuja tunaeka mkazo kuhakikisha kwamba vijana wetu, tunawaekea pesa ya kwenda kwa masomo na vile vile yale makampuni ambayo kule nje ambayo wameomba wafanyiwe *internship*, kama Serikali ya Kaunti ni muhimu tuanze kutoa *incentives* kwa hizi makampuni. Tuweze kuwapatia motisha ya kwenda kuchukua vijana wetu, aitha kuwapa nafasi ya kuweza kuwachukua for *internship* ama kuwapa nafasi ya kujifunza mafunzo ya kazi katika sehemu hizo. Mheshimiwa Spika kwangu nahisi uchungu nikiongea jambo hili, lakini kwa sababu tuko Bungeni naomba nikome hapo na niombe vijana wenzangu ambao wako katika *gallery*, jambo hili si la Wabunge katika sehemu hii pekee yake hata wanapokutana na Wabunge tofauti tofauti iwe ni Wabunge iwe ni maseneta, iwe ni Women Representative, hili ni jambo ambalo ni muhimu kuliangazia kwa sababu lina adhari kubwa si hapa pekee yake bali katika sehemu nyingi. Ahsante Mheshimiwa Spika na naunga mkono hoja hii ahsante.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Because of interest of Members, I will allow and also give an opportunity to Honourable Mbaya.

Hon. Hamisi Mbaya: Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii, japokuwa nimesamama zaidi ya mara nane ikawa bado sionekani ambapo ukiangalia kimo

changu mimi ni mrefu hata kuliko wale wafupi ambao wameweza kupata fursa hii ya kuweza kuzungumza, lakini vile vile umenipatia fursa, ninasema ahsante sana Mheshimiwa Spika kwa sababu itakuwa labda huwenda mimi niwaku kamaliza. Mheshimiwa Spika, kutokana na hoja hii ambayo imeleta na kijana wangu ambaye ni mwakilishi wa Wadi ya Chaani Mheshimiwa Spika, sina budi kuiunga mkono hoja hii kwa sababu, nikimwangalia kijana wangu akiwa mbele yangu ambaye ni Mheshimiwa Mwenza, naona hata miaka yake haifiki yule ambaye ni kijana wangu wa tatu Mheshimiwa Spika kumanisha ya kwamba mimi ni mzazi na mimi pia niko na vijana ambao wanastahili kupata zile huduma ambazo Mheshimiwa Mwenza ameweza kutuletea hii hoja Mheshimiwa Spika. Mimi sitokua mwingi wa maneno, lakini niweze kuweka sawa mahali pamoja vile vile Mheshimiwa Spika, wale wazee wa Bunge hili sio Mheshimiwa Allen Katana pekee yake, hata mimi ni mmoja wao katika wale wazee ama watu wazima ambao wako katika nyumba hii Mheshimiwa Spika...

[Applause]

Na tuko na kila sababu kama ni zile sababu ambazo zimeweza kuleta kijana kutoka kule Bomu kwamba Bunge hili anatofautisha vijana na mvi Mheshimiwa Spika, hata mimi niko mvi nazo ahsante sana Mheshimiwa Spika nimeunga mkono hoja hii.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Patrick, I have given you an opportunity to contribute.

Hon. Mbelle: I want to inform the House.

The Temporary Speaker (Hon. Abdirahman Abdikadir): You want to inform the House?

Hon. Mbelle: Of course! Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Please, proceed.

Hon. Mbelle: Mr. Speaker Sir, I apologise because I am told by the majority that I am supposed to have sat down but if you allow I just want to inform the House Deputy Speaker had actually alluded that matters of curriculum development at some point, we might want to consult, but Mr. Speaker we now have a new system of making curriculums, particularly at the County levels even at university levels, we have something called CBET Competency Based Education Training which is then approved by the TVET CDACC which is the if I am not wrong and Curriculum Development Assessment And Certification Council. So, Mr. Speaker we are actually allowed as a County Government state what exactly is needed in terms of our skills in our facility and create curriculums that fit and suit what is there particulars in matters of economies and practices in our society. So, I just wanted to inform the House that we now have the capacity and the freedom to actually create curriculum that fits our industry, thank you Mr. Speaker.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you.

I think we have exhausted in contributing to the Motion, I will give the Leader of Majority an opportunity to wrap it up.

The Leader of Majority (Hon. Mwamwiri): Ahsante Mheshimiwa Spika. Mheshimiwa Spika mbali na yote ni wakaribishe wanafunzi wa vyuo vikuu na ... wanatoka katika mji wetu huu wa Mombasa. Mheshimiwa Spika niwapongeze pia kwa kuchukua fursa hii kututembelea kuweza kujifunza yanayojiri katika Bunge hili, ambayo kwa muktasari Mheshimiwa Spika yote yameangazia kwa mlango wa kumi na moja katika katiba yetu ya Jamhuri ya Kenya, hapa utapata majukumu ya ugatuzi, uwakilishi na lengo na shabaa ya kuweko kwa ugatuzi Mheshimiwa Spika. Mheshimiwa Spika, nikija katika hoja hii kwanza nimpongeze Mheshimiwa Mwenza aliyeleta hoja hii na nisimame pamoja na Waheshimiwa Wenza kuweza kuiunga mkono hoja hii kwa sababu, unapoangalia mpangilio wa nne sehemu ya pili ya katiba yetu ya Kenya, inapeana majukumu ambayo yamegatuliwa na ni wajibu ya kutekelezwa na serikali Gatuzi. Mheshimiwa Spika sehemu ya tisa katika ratiba hii ya nne, inazungumzia kuhusu maswala ya elimu ya chekechea, vyuo vya mafunzo ya ufundi na vyuo vya mafunzo ya ufundi wa nyumbani Mheshimiwa Spika, pamoja na usimamizi ama taswisi za kusimamia watoto katika Kaunti yetu ama gatuzi letu hivyo basi kufikia sasa tukio ni tatu bado miaka 13 ya ugatuzi, katika yale majukumu yaliyogatuliwa mdhamini wa hoja hii ametuambia ya kwamba tuko na vyuo vya mafunzo ya kiufundi ambayo ni vitatu Mheshimiwa Spika lakini pia hali yake hairidhishi.

Mheshimiwa Spika ni wajibu wetu sisi na kama alivyotangulia Mheshimiwa Allen Katana kuhimizana na kuhimiza wananchi ya kwamba, zoezi hili ya kupeana maoni ya kuanza mpango wa maendeleo ya Mombasa ya bajeti inayokuja tuweze kuhimiza watu wetu na kuchangia kwa kina swala hili ili liweze kuingia katika mipangilio hii kwa sababu hatutaweza kulisukuma kwa sababu swala hili linahusu maswala ya kifedha na kwa wajibu wa kanuni zetu za huduma 44(2)(f) inafaa inatulazimu ya kwamba tupate ushauri na kuhusisha Kamati ya Fedha kwa kuleta hoja hii. Lakini hoja hii Mheshimiwa Spika imekuja wakati ambayo kwanzia leo na kesho inapoendelea, tunatengeza mipangilio ya mwaka na Mheshimiwa amepeana nia ya ingie katika mipango ya maendeleo ya mwaka huu, ili yaweze kutekelezwa Mheshimiwa Spika. Hivyo basi tuhimizane na tuhimize wananchi wetu waweze kuchangia katika hili kwa kupeana maoni ili iweze kupewa kipao mbele katika utengenezaji wa bajeti yetu.

Mheshimiwa Spika vile vile nimpongeze Mheshimiwa kwa kuisitiza ya kwamba kupitia elimu hii ya mafunzo ya ufundi Mheshimiwa Spika yanatengeneza nafasi za ajira katika vijana wetu mimi sina ujana wa haja kwa sababu nimevuka miaka thelathini na tano na ninatambulika kikatiba ya kuwa kijana, lakini pia najivunia ya kwamba mimi ni katika wale ambao pia wana elimu hii ya mafunzo ya kiufundi. Mimi ni fundi mzuri wa maswala ya umeme na wakati mwengine nikiwa mitaani hujumuika na vijana wa kutoka vyuo hivi vya mafunzo kufanya nao shughuli mbili au tatu kutandaza waya, kuweka mita za stima Mheshimiwa Spika. Kwa hivyo najivunia kuwa nje ya mshahara wa Bunge hili, hupata angalau kwa sababu wa ujuzi niliyo nao Mheshimiwa Spika...

[Applause]

Kwa hivyo tuhimizane Mheshimiwa Spika na vijana wetu pia tuwapatie moyo ya kwamba kwenda katika vyuo hivi havimaanishi kwamba wameanguka katika maswala ya kielimu, lakini pia tuwape moyo ya kwamba kupitia vyuo hivi vinasaidia kujenga nafasi kama Mheshimiwa Mbelle alivyosema ya kwamba wewe ni baharia, lakini kama hauna ujuzi hauna taaluma kuapata nafasi katika meli zile inakuwa ni changamoto. Hivyo Mheshimiwa Spika naunga mkono hoja hii kwa kina kidaki na nikimalizia, nikumbushe tu Mheshimiwa Makanga

alivyotangulia na akataja ya kwamba lugha ya Kiswahili ni miongoni mwa lugha ya kitaifa nimwambie Mheshimiwa Spika kwa mujibu wa katiba ibara ya saba, lugha ya kitaifa ni moja na ni Kiswahili na zinazofuata ni lugha rasmi katika taifa letu, ambayo Kiswahili inatangulia ya Kiswahili na tunahimizwa pia kukuza lugha ya mama na lugha ishara. Kwa hivyo lugha ya kitaifa ni moja na ni lugha teule ya Kiswahili. Ahsante Mheshimiwa Spika naunga mkono hoja hii.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Frankline in less than one minute please respond.

Hon. Makanga: Ahsante Mheshimiwa Spika na leo ni siku ya habari njema ya kwamba Kiongozi wa Wengi pia ni fundi wa stima, lakini kila atatueleza ni stima ya kuwakisha mataa ama stima nyengine kwa sababu pia huyu ana mambo mengi. Hata hivyo Mheshimiwa Spika nisimame kuwashukuru Waheshimiwa Wenza kwa sababu ya changizo zao katika hoja hii, na nikishukuru Kiti chako kwa sababu ya kuwapa nafasi na nishukuru kila mmoja ambaye anaona ni muhimu kwa swala hili kuweza kufanyiwa kazi na hivyo Mheshimiwa Spika bila kuchukua mda mwingi tuseme yale ambayo tumeyaomba yaweze kushughulikiwa kwa haraka tumepena mda wa siku 90 ili waziri anayehusika na maswala haya aweze kuja na mambo kadha ambayo tumeweza kuyasema ila Mheshimiwa Spika kuna ombi ambalo Kiongozi wa Wengi amesema kwamba, kwa sasa kuna mazungumzo ambayo yanaendelea ya wananchi kuweza kushirikishwa kutoa maoni ya kimaendeleo tuwaombe wananchi wetu na Waheshimiwa hawa wahakikishe jambo hili limewekwa katika yale ambayo yamekusudiwa kufanyika. Na pia hao vijana ambao tuko nao hapa wakiwa viongozi wa shule zetu ama vyuo vikuu vyetu ama vyuo vikuu ambazo ziko ndani ya Mombasa na pia hao wachukue jukumu la kuweza kutumia mitandao walinayo kuwahamasisha wenzao, kwamba hoja hii tumepitisha na pia wahusike katika kutoa maoni kwa sasa tunapoenda kutengeneza miradi inayohusiana na maendeleo ya mji wa Mombasa na pia hao vile vile mimi labda kuwapa ushauri Mheshimiwa Spika nikiwa kijana mwenzao, ya kwamba mara nyingi watu wamefunzwa kwamba kazi ni kama vile udaktari, uwakili ni kufunga makoti na matai lakini mbali na ile taaluma unasomea, itakuwa bora zaidi kama utapata jambo ambalo ukingojwa kuandikwa kazi ya maofisini uwe unaweza kuingia mtaani ukajifanyia na ukapata riziki, kama wanavyosema wenzangu hapa kwamba ndugu zangu *beach ni dume beach ni gumu* kwa hivyo lazima muwe na kitu cha ziada kitakacho wasaidia kupata ile riziki ile ya kila siku nawataki kila la heri mnaposoma mpite muwe kama sisi ama zaidi yetu na Mungu awajalie kila la heri. Ahsante sana Mheshimiwa Spika na ahsanteni Wabunge wenzangu.

[Applause]
