They are here on an educational visit to learn about the workings of the County Assembly and gain a better understanding of the legislative process and the important role this institution plays in the governance and development of Mombasa County. On behalf of the County Assembly of Mombasa, and indeed on my own I warmly welcome the students and their teachers to the Assembly. We are delighted by their interest in civic education at such a formative stage, and we hope this experience will inspire them, to take an active interest in public service and leadership in the future. *Karibuni sana ahsanteni*. Before we get into the order of the day allow me to ask few Members to give a welcoming remark to the students. I will start with Honourable Maryam Baimu MCA, Free town.

Hon. Baimu: Ahsante sana Mheshimiwa Spika kwa kuweza kunipatia nafasi hii. Kwanza ningependa kuwakaribisha wanafunzi wetu wa kutoka Kisauni Vision Junior Academy, karibuni sana kwa Jumba hili ili muweze kujifunza mawili au matatu katika zile kazi ambazo Waheshimiwa wa Bunge la Kaunti ambazo wanafanya katika Bunge. Nina amini hii ni kati ya masomo yenu na mujihisi nyumbani na msikize hoja ambayo leo tumeleta kwa hili Jumba na ninaamini, mkitoka hapa ndani you will be more learned or better equipped students as you go back to school. Karibuni sana na mnakaribishwa ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Allen Katana?

Hon. Katana: Mheshimiwa Spika ahsante na nikushukuru kwa kunipa nafasi hii. Kwa kuwa watoto wanatoka Kisauni na pengine ni roho wa Mungu Mheshimiwa Spika amekuambia uniite mimi pengine huenda nikawa Mbunge wa Kisauni na bila kujiumauma niwaalike watoto hawa ambao wametutembelea leo. Shule za Kisauni katika Mombasa Kaunti ndio tuna shule nzuri zaidi na zaidi ya vyote hii shule ni miongoni wa ile shule ambazo sisi kama watu wa Kisauni tunajivunia Mheshimiwa Spika. Kwa hivyo niwakaribishe watoto pamoja na walimu masomo mtakayopata hapa si lazima mukaweze kuwa Waheshimiwa lakini najua wengine mtakuwa Mahakimu, wengine mtakuwa Mawakili hapa hapana tofauti na kule kortini. Kwa hivyo kuna mawili au matatu naamini mtasoma na yatawasaidia katika maisha yenu. Kwa hayo mengi Mheshimiwa Spika nakushukuru kwa nafasi hii na ndoto yako ya kwanza nikaweze kufaulu na kuwa Mbunge wa Kisauni. Ahsante.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Clerk?

MOTION

ESTABLISHING MODERN KIOSKS FOR STREET HAWKERS TO PROMOTE URBAN ORDER AND REVENUE GROWTH

Yes, Honourable Frankline Makanga MCA Chaani Ward? Please move the Motion.

Hon. Makanga: Thank you Mr. Speaker, Mr. Speaker I beg to move the following Motion;

THAT AWARE THAT Article 55(c) of the Constitution obligates the State to promote the participation of youth in economic life, while the Urban Areas and Cities Act, 2011

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 3*

mandates County governments to ensure proper planning, regulation of commerce and orderly development of public spaces;

FURTHER AWARE THAT in many urban centers across Mombasa County, hawkers and informal traders routinely occupy road reserves and pedestrian pavements particularly along major roads, markets, and bus termini posing safety hazards, obstructing foot traffic, and contributing to visual disorder;

COGNIZANT THAT most hawkers operate under highly precarious conditions due to lack of designated spaces, leading to constant evictions, harassment and inability to access public utilities or grow their businesses;

DEEPLY CONCERNED THAT this unregulated occupation of walkways undermines urban accessibility, sanitation, and mobility, while also denying the County Government the opportunity to formalize the informal sector for predictable revenue generation;

NOTING THAT the construction of modern, well-designed kiosks-allocated at affordable rental rates and linked to business permits would not only restore order to urban centers but also empower hawkers with dignified workspaces, increase revenue through kiosk hire and annual licensing, and reduce enforcement conflicts;

CONVINCED THAT structured integration of informal traders into the urban economy through modern kiosks will promote inclusive economic growth, enhance public safety, and improve the image and functionality of Mombasa's towns and trading centers;
I, therefore urge this Assembly to RESOLVE:

- 1. THAT, the County Executive Committee Member for Trade develops and submits, within 90 days, a plan for the phased construction of modern kiosks in designated urban centers and roadside areas, with special consideration for high-density zones prone to hawker congestion;*
- 2. THAT, upon completion, the kiosks be allocated to registered hawkers through a fair and transparent process, subject to monthly rental fees and annual single business permit requirements, thereby transitioning informal traders into the formal revenue base;*
- 3. THAT, the County government incorporates funding for the kiosk program in upcoming plans and budgets including resources for land preparation, modular kiosk construction, sanitation and lighting infrastructure in collaboration with youth and artisan groups for local job creation;*

Mr. Speaker, may I ask Honourable Allen Katana the incoming MP Kisauni to second the Motion.

The Temporary Speaker (Hon. Abdirahman Abdikadir): You know Honourable Members before you ask anyone to second the Motion you need to have consulted them. It has consequences in case it does not go the way you had planned, so Honourable Frankline Makanga, I give you an opportunity to choose whoever you wish to second this Motion.

Hon. Makanga: Honourable Speaker, I humbly request Honourable Allen Rodgers Katana the incoming Member of Parliament for Kisauni to second the Motion.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Allen Katana? The floor is yours.

Hon. Katana: Thank you Mr. Speaker and I also want to thank the Honourable Member for this opportunity that he has granted me, but with my reservations that if you can give me time Mr. Speaker I can explain because I stand not to second this Motion. Thank you.

The Temporary Speaker (Hon. Abdirahman Abdikadir): You stand not to second this Motion. Honourable Frankline Makanga, I had initially guided you but you were adamant none the less, I will give you an opportunity to choose whoever you wish to second this Motion.

Hon. Makanga: Thank you Mr. Speaker...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): But before you do that you may take your sit allow me to check few things here and there...

[Silence]
[Low consultations]

Honourable Salim Mbaya, is there an issue? You seem to be approaching the Mace in a suspicious manner, is there an issue? Please be advised you do not have to come all the way here to show your respect, please be advised and be guided.

[Laughter]
[Loud consultations]

Honourable Members, allow me to say the following that in this rare circumstance that the second had shown no intention to second the motion, I will grant the following options to the mover of the Motion ;the first option is to seek another Member to second it before the Motion is officially considered, I also give him an opportunity to reintroduce the Motion at a later sitting with a new seconder or to withdraw or amend the Motion and resubmit if appropriate Honourable Frankline Makanga please be advised. You might choose out of the three options that I have just read out.

Hon. Makanga: Thank you Mr. Speaker for your directions and wisdom. I request Honourable Jactone Oluoch Madialo to second the Motion.

Hon. Madialo: Thank you Mr. Speaker Sir. I stand to second the Motion.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Members, I now propose the question that the Motion by Honourable Franklin Makanga on, establishing modern

kiosks for street hawkers to promote urban order and revenue growth be considered in this Honourable House in the same terms as moved.

[Question proposed and agreed to]

Yes, Honourable Frankline Makanga please elucidate further on why you will want to move this Motion.

Hon. Makanga: Thank you, Mr. Speaker. Before I make my humble submissions, Honourable Speaker allow me to join other Members in welcoming the young talks from Kisauni Junior Academy to this Assembly. My name is Honourable Frankline Makanga, a Member of County Assembly for Chaani Ward that is in Changamwe, welcome. Make sure that you learn the many objectives that caused you to come here. I know you all have expectations and it is our prayer that as a House we shall meet part of your expectations. Honourable Speaker, before us here is a Motion that has a view or with objectives of bringing sanity and maybe you need to guide because this is a House of records and order I do not know why Members are making it a marketplace and it is the same order that you want to bring out there.

The Temporary Speaker (Hon. Abdirahman Abdikadir): What exactly is out of order?

Hon. Makanga: People are consulting in high voices led by Major Kibwana.

The Temporary Speaker (Hon. Abdirahman Abdikadir): You mean Honourable Members?

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes. So maybe you tell them to hear me in silence.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Let the Member be heard in silence Honourable Members. Yes, proceed.

Hon. Makanga: Thank you Mr. Speaker. As earlier indicated, the Motion before us is meant to bring sanity in the business space in the County. Honourable Speaker, we have had incidences where the hawkers, the *Mama mboga's*, the people who are running this economy being on the lower level of business, being our youths and women having challenges doing business in the city. Honourable Speaker, it has been manifested by us having congested corridors, congested walkways, blocked pathways because these people have to lay their goodies to sell to the people, especially the evening hours at the CBD and Honourable Speaker for us to bring sanity we as a House must bring solutions by ensuring that we are creating a space that will enhance their growth and will create an opportunity for them to do business with dignity.

Honourable Speaker, it is stipulated in the constitution that the government has a responsibility of ensuring, the state has a responsibility of ensuring that women and youth are encouraged to do business and this can only happen if we empower them by creating the right spaces for them to do business, as a County we have an obligation to make sure that we maintain order and we plan our city in a manner that one who visits Mombasa will be able to appreciate it as a city of order. Honourable Speaker, this cannot happen when we have hawkers running helter-skelter from each corner, from one corner to the other, just to make sure they earn a living.

Honourable Speaker, if we as a legislative arm of this County government we are able to put measures that will bring this sanity then we will have saved our women and youth from the constant harassment from the inspectorate and enforcing officers who always go for them, arrest them, take them to court then you can imagine, someone who is selling paper bags in *Marikiti* being taken to court to be charged with a fine of Ksh.10,000. Honourable Speaker, unless this House and the Honourable Members who are in here, the Honourable Members of sound mind of course, who are here, unless they make a decision and they be intentional to improve the working spaces for our people we stand to lose so much revenue, the order that is having a history with Mombasa. Honourable Speaker, as this happens and as having identified spaces where constructions of kiosks will be made by the government, because that is again, is a function of the County government according to the Constitution of Kenya, a Schedule 4, 2(b) of the Constitution of Kenya, 2010 trade still lies under the County government as a function that is to mean Honourable Speaker, we must ensure that these people are able to get the needed support from their government. Honourable Speaker, what are the advantages of having a formalized way of these hawkers having places to do their business? One, we shall have an increase in revenue collection Honourable Speaker because the County government will be able to collect rent from these stall owners who will have been rented to.

Two, Honourable Speaker, we shall be able to also get additional revenue from the single business permits of their level, Honourable Speaker that is to mean, we will also be able to reduce the corruption cases where the enforcing officers visit those in the market and collect handouts from them just to make sure that they protect them therefore, Honourable Speaker, as this happens and it being done in all the Sub-Counties that we are having in Mombasa being six Sub-Counties we will be able to bring sanity we will be able to bring order. Honourable Speaker, just have an imagination know you as a Member of this Honourable House and on your seat and being the one who hosts *Marikiti* and the *Likoni* Ferry area you can imagine us having organized stalls at that space; imagine we will not be having all that congestion, of people having to run for their safety simply because hawkers are all over the ferry area and in *Marikiti* area where the Member and the Chair for Trade, Honourable Abdulrahman stands in as the MCA of that Ward Honourable Speaker.

Therefore, Honourable Speaker, it is my plea that the Honourable Members of sound mind in this House who are wise enough, that is why they were elected to come into this House will consider this Motion and make sure it passes and unless someone has a problem with their thinking. Honourable Speaker, I see no reason of anyone standing to oppose this Motion therefore, those are my humble submissions and I am asking all the Honourable Members here to support this Motion that we can have order in this House that we can have sanity in this city and in the urban spaces that we have. Thank you so much, Honourable Speaker and before I pen off, the issue of the stalls allocation, it must be also done in a manner that is transparent and make sure that the intended beneficiaries benefit out of this program and by so doing, we will have made use of the funds that the Trade Department raised including the liquor fund instead of using those funds to do some funny stuff in this County we can use those funds to erect stalls that will add value to this government instead of the many programs that we are seeing happening, Mr. Speaker, that add no value and if any value, then very minimal value on that matter. Thank you, Honourable Speaker. I request Honourable Members to support. *Ahsante sana*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you for your passionate contribution, allow me to give an opportunity to the seconder of the Motion.

Hon. Madialo: Thank you, Honourable Speaker, for the opportunity. First, may I also join my fellow Members in welcoming teachers and students from Vision Junior Academy, Kisauni feel welcome and we wish you all the best. Secondly, before I delve into supporting this Motion, when I came in the morning people asked me where I was yesterday, I want to be very categorical but first, I would like to congratulate the outgoing Leader Majority for the work that he has done from the time he was chosen to yesterday; he was not thrown out for lack of competence, I cannot tell you that he is competent enough. Secondly, I want to throw my weight and support 150 per cent to Honourable Prischilla, the now Leader of Majority of this County Assembly and I wish her well and I urge all of us also to wish her well because her success is our success and if she fails, we will fail. Lastly, I would like to lend my support to this Motion for two reasons; number one, because Honourable Frankline Makanga is my good friend and number two, this is a good Motion. Nobody should stand it down. Thank you.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, allow me to choose Honourable Milka to make a contribution.

Hon. Ngare: Thank you, Mr. Speaker for acknowledging the fact that seniority is an advantage in this room and I want to appreciate that. Before I give my contribution, let me also take this opportunity to welcome students and Teachers from Kisauni Vision Junior Academy, my Sub-County. I am a neighbor to the incoming aspiring MP of Kisauni so we are neighbors and I take that opportunity to welcome you so that the students can attain the information that they so yearn for to enhance your theory studies and be able to tackle questions when they do come. Congratulations to the teachers for exposing the students to this practical experience so that they can be well equipped. I also want to state that I support this Motion brought to this Honourable House by Honourable Frankline Makanga and I have two or three reasons why I support the Motion we have seen the chaos within the streets of Mombasa of how the hawkers behave so having order within the streets for the hawkers will create order and safety for both them and the other pedestrians and those who come to purchase, it will also assist in waste management because when there is order, bins will be put and other utility hookups like water and electricity to make the area more habitable for the hawkers and those that are going to buy and therefore we will reduce litter and pollution, something that we were discussing in this House yesterday that we need a better waste management system for us to be in a better habitable area. Then another reason why I'm supporting this Motion is because it will increase revenue for the hawkers; everybody would want to get into a shop, into an area that looks attractive and therefore standardized kiosks as Frankline Makanga refers to it will attract more customers. If I am going to the salon for example, I would not get into a salon that looks disorganized, that does not have order because I also want to be in a place where I'm comfortable as I also have my nails done and such kind of things, so we need order in these kiosks and getting more customers will increase revenue. Finally, we are in a tourist area and tourists like to see order; they like to see attractive things so we will attract tourists to come and buy the Maasai beads and such kind of things, African attire for them to go back home with. So, in conclusion, modern kiosks will turn street kiosks into economic zones for both the customer and the seller and with that, I support the Motion and ask my fellow Honourable Members to support the same so that we can have this being tackled. Thank you so much.

The Temporary Speaker (Hon. Abdirahman Abdikadir): For the sake of the students up there allow me to also give an opportunity for the next contributor to speak in Kiswahili. Yes, Honourable Katana please address us in Kiswahili.

Hon. Katana: Ahsante Mheshimiwa Spika. Lakini nikujuze Mheshimiwa Spika kwa kuwa wewe pia ni Mheshimiwa hapa mji wa Kale huenda ukawa sana sana huwezi jua mambo ya Kisauni lakini nakujuza Kisauni ndio kunao wanafunzi ambao wanazungumza kiingereza bora zaidi kuliko sehemu nyengine yoyote ya Kaunti ya Mombasa.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana, I just want to go on record that I want them to understand that the languages permitted here is Kiswahili and English as well.

Hon. Katana: Most obliged.

The Temporary Speaker (Hon. Abdirahman Abdikadir): I do not doubt their understanding of English.

Hon. Katana: Thank you Mheshimiwa Spika. Kuna mijadala mengine Mheshimiwa Spika ikija hapa Bungeni, hua inanitoa machozi, Mheshimiwa Spika. Na mbali na kwamba, umeniruhusu niongee Kiswahili Mheshimiwa Spika. Kuna msemu pia wa kiingereza, unasema, *show me your friend and I will tell you the kind of person you are* sikushtuka, Mheshimiwa leo alioleta mjadala huu, kumtaja Mheshimiwa alieunga mkono kwa sababu, Mheshimiwa Spika, vile vile kulikuja Mswada, unaofanana na huu na kwa kinywa kipana, nikaupinga na uliletwa na mheshimiwa yule yule aliyeunga mkono. Mheshimiwa Spika nikujuze kwamba mara nyingi sisi waheshimiwa tunapoazimwa nguvu na wananchi, hua ni rahisi kujisahau na kuhisi kwamba zile nguvu zetu zipo kwa mda na ya kwamba walio tuazima hizi nguvu wakatuleta katika Mabunge haya ni wananchi maskini ambao wanataka Mswada, wanataka huruma zetu Mheshimiwa Spika, kuna Mswada ulioletwa wa ajabu wajabu Mheshimiwa spika eti vinyozi lazima wavae barakoa ndio watu watunyoje sijui kama Mheshimiwa Spika unakumbuka na mimi nawiana sawa na Mswada huu. Mheshimiwa Spika ili kabla mtu alete swala na lijadiliwe na liweze kupitishwa katika Bunge hili lazima kwanzo mtu ajiulize katika hili swala ninalolileta lina utu ndani yake?...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana, just hold on. Honourable Milka what is out of order?

Hon. Ngare: ...*Off microphone...* *[Inaudible]*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Pursuant to which Standing Order Milka? Which Standing Order is that? 103. I have it here. Are you basing your argument on Standing Order 103?

Hon. Ngare: Yes.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Please! Wait hold on! Are you up on a Stranding Order first and foremost?

Hon. Ngare: Yes.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Which Standing Order?

Hon. Ngare: 103.

The Temporary Speaker (Hon. Abdirahman Abdikadir): 103 touches on grossly disorderly conduct ‘*Conduct is grossly disorderly if the Member concerned creates actual disorder*’...

Hon. Ngare: Disorder of information, yes.

The Temporary Speaker (Hon. Abdirahman Abdikadir): I am proceeding ‘*knowingly raise a false point of order*’, which you are doing... *Uses or threatens violence against a member* so Hon Milka you are out of order! Please allow Honourable Katana to proceed unless you have a substantive Standing order.

Hon. Ngare: Thank you Mr. Speaker for being unfair. I rest my case.

Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you. Yes, Honourable Katana.

Hon. Katana: Mheshimiwa Spika naomba Mungu akulinde uishi miaka mingi na miezi miwili. Mheshimiwa Spika na mimi ni ombi langu hivi, nisitizwe mpaka nimalize kwa sababu mimi ninapo simama na hoja wengi hua inawakwaza lakini niko hapa kuwakilisha wananchi wanyonge walionileta hapa. Sasa nikupe mfano Mheshimiwa Spika ndio nirudi kwa hoja, kulikuwa na marafiki wawili na hao walikuwa wanajidai ni marafiki lakini hawakuwa marafiki wa dhati, mmoja akaulizwa unataka nini maana utakachokitaka nitampa huyu mwenzako mara mbili, akaangalia akisema gari yule mwenzake atapewa na gari mbili, ikabidi aseme unitoboe jicho ili mradi tu yule mwenzake atobolewe macho mawili, sasa huu Mswada ulioletwa leo naufanisha na mfano huo Mheshimiwa Spika. Hawa watu *hawkers* ambao tunawaambia leo hukuyaangalia haya maombi matatu Mheshimiwa Spika yananitishia kwanza ili useme serikali ya Kaunti itengeze vibanda, hivi vibanda vitatengezwa wapi? Umetathmini umefanya hesabu tunao *hawkers* wako wangapi? Na kama umefanya utathmini huo ili kila mtu apate kibanda kutatengezewa vibanda vingapi ndani ya Kaunti ya Mombasa ndio viwatosheleze hawa wachuuzi.

Tena Mheshimiwa Spika alieleta hii Mswada huu ametaja kuwa kuna Mheshimiwa wa Abdirahman wa Old Town inasemekana ana wachuuzi wengi tukiwahesabu wachuuzi wa Old Town wanapita elfu tatu, je tutengeze vibanda elfu tatu kwa sababu ya wachuuzi tutakuwa jiji letu tunaliboresha ama tunaharibu na tena kukaja maombi mengine kwamba kujengwe vibanda tena kukawekwa kingereza kizuri *modern kiosk* ili wakodishiwe kwa bei nzuri garama ya kutengeza *modern kiosk* ni gani? Ili ndio utathmini kodi yao kwa mwezi itakuwa ngapi na alafu hawa watu tumejua katika biashara ya uchukuzi wao wanapata shilingi ngapi kwa mwezi Mheshimiwa Spika ndio waweze kuhesabu faida, watoe faida, watoe pesa ya kufanyia biashara, watoe pesa ya kuweka kodi, tena Mheshimiwa ambae hana huruma anasema wawekewe pesa ya kulipa kila mwezi na walipe kodi jamani hata kama hatumuogopi Mungu sio basi tuwaheshimu hawa wananchi maskini walio tuajiri Mheshimiwa Spika. Kuna vitu ambavyo hapa vimeelekezwa tena kumewekwa kipengele kizuri. Act 55 inasema, ‘*The Constitution obligates the state to promote the participation of youth in economy*’. Hii ukiwawekea vigezo vya ghali hivi katika mazingara yao ya kufanya biashara, *how are you then promoting* Mheshimiwa Spika?

Una wa *promote* vipi hawa wachuuzi wana pesa ngapi za kuweza kulipa kodi na walipe kodi na walipe kodi na walipe *permits* na vile vile wawe wanapata faida na kuendeleza biashara zao Mheshimiwa Spika. *Getting revenue* kwani hata watu hawaogopi Mheshimiwa Spika wanaomba mpaka maiti damu. Wachuuzi jamani inafaa sisi katika Jumba hili tukaweze kuwahurumia; badala ya kuwawekea mzigo, tuishurutishe serikali ya Kaunti iwazidishie marudufu, iwape *capital* na iwafundishe jinsi ya kufanya biashara na wawe wa biashara wakubwa. Kwa hayo mengi Mheshimiwa Spika, naomba kwa kusikitika sana; kwa kusikitika sana. Naomba nipinge na hata nikisimama pekee yangu; Jumba hili mara nyingi nimesimama pekee yangu kupinga vitu kama hivi. Niko radhi Mheshimiwa Spika lakini najua siku moja parapanda Italia na nitahesabiwa katika wema walio wema. Ahsante Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Manuari.

Hon. Juma Manuari: Ahsante Mheshimiwa Spika. Mimi nichukue nafasi hii kwanza kumshukuru Mwenyezi Mungu; pili, nichukue nafasi hii kama alivyo sema ndugu yangu Rodgers kuwa tumeleta Miswada na tukileta kitu ni lazima pia tuangalie hichi kitu kina faida gani? Na ni mali gani ya mwananchi ambayo itatumika? Na ni wapi kitu kama nchi kitawekwa kwa sababu Mombasa ni ndogo na tukisema tutaweka vibanda kila sehemu itabidi mpaka katikati ya barabara tuweke ambapo itakuwa tunasumbua na wananchi na wale wengine wa kupita. Kitu cha kwanza nchi yetu iliharibika tangu jadi. Kwa hivyo hata saa hizi tukileta Miswada kama hii ni kama tutakuwa tunafungua Pandora la watu wengine kula mali ya wananchi kwa sababu wataibeba vile watakavyo ibeba na itakuenda kwa *style* hili watakayo enda nayo mwisho wa siku tutasikia tumejenga vibanda salasini pahala fulani, tumejenga vibanda mia mbili pahala fulani tumedunga vibanda mia mbili lakini vitu hivi ukija kuchunguza, hakuna vitu kama hizo. Kwa hivyo, mimi nasema Mheshimiwa Spika mwenye Mswada huu ni Mswada mzuri sana lakini jinsi ilivyo kwa saa hii na taswira ya maisha yetu hata tukiwajengea; maana juzi tu kati ambao sisi hatukuwa kwenye Mabunge yaliopita kuna vibanda vilijengwa katika maeneo ya kama waenda hapo KRA huko Tudor lakini hivi vibanda vyote Mheshimiwa Spika vile vilijengwa cha kustajaabisha wale waliolengwa kwenda kwenye vibanda vile walirudi barabarani kwa sababu pia usijenge kibanda tu kwa jenga kibanda, angalia je biashara ipo? Usimjenge mtu kibanda pale ambapo ona hapa tutawatoa wachuuzi kule bara kule mjini tuwaweke huku je kuna biashara? Hili ni swali lazima watu wulizane kwa hivyo Mheshimiwa Spika mimi nimwambie ndugu yangu tu ndugu yangu Makanga yuko katika mwelekeo mzuri. Lakini mwelekeo wake mzuri huu ameuweka katika sehemu ambayo haitoeleweka na tutakua tunafungulia njia watu wengine waharibu mwelekeo. Kwa hivyo Mheshimiwa Spika mimi nimesimama kupinga Mswada huu. Ahsante Mheshimiwa Spika.

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, are you up on a point of order?

Hon. Ngare: *[Off microphone]*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Under Standing Order?

Hon. Ngare: *[Off microphone]*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): There is no violence that has been threatened in this House.

Hon. Ngare: *[Off microphone]*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): It is not my duty to guide you on which Standing Order; you will do that at your own time. Honourable Milka once you find the Standing Order then I will give you an opportunity to interrupt. Yes, Honourable Mwaka were you up on a point of order?

Hon. Mwaka Bakari: Ahsante Mheshimiwa Spika, mimi nimekaa nikachunguza tangu jana alieleta hii hoja nikaitizama kwa undani kusema kweli hii Mswada Mheshimiwa Makanga arudi afanye marekebisho...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Mwaka, unachangia hoja ama umesimama unachangia hoja?

Hon. Mwaka Bakari: Nachangia.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Proceed.

Hon. Mwaka Bakari: Ahsante Mheshimiwa Spika. Nikiangalia kwa undani hoja hii ni hoja nzuri lakini kwa mda huu ameuleta ni vizuri lazima kwanza aweze kutathmini aweze Kwenda kuiangalia jinsi vile ambavyo anasema vioski vijengwe. Kweli vioski vikijengwa vitaleta natija vitaleta natija kupitia ushuru kwa kuwa watakuwa wanakata leseni, hilo litaleta faida kwa Kaunti yetu. Lakini basi lazima pia tuchunge mali ya umma, kwa sababu utaenda kama pale Coast General miaka iliopita mitatu kulijengwa hizo vibanda leo hii ukifika haziko Kaunti hii ndio iliojenga. Kaunti hii imerudi imetoa hizo vibanda ambapo kwa ni pesa za wananchi zilitumika hata zile *material* ambazo zilijengwa pale zilichukuliwa zikaenda kufanyiwa kwa ma scrape, hivyo vibanda vyote ukifika Coast General hakuna. Pili, waliangalia tu ukijenga mahali kumbe hata sipo kwao, Kaunti walitumia mahali ambapo sipo kwao ni *road reserve* na ni mbele ya ukuta wa mwenye biashara, walienda wakajenga na wakarudi wakabomoa. Kwa hivyo Mheshimiwa Makanga mimi napongeza kupitia kwamba kama kutakuwa kuna mahali kwa kujengwa vibanda vya kudumu na mahali ambapo panaweza kusivunjwe tena hilo litaleta natija. Lakini kama tutakuwa tunachoma pesa za umma kujenga vibanda na leo tena vije vibomolewe sisi tutakuwa tunapata potea kwa hilo mimi niko 50 kwa 50 kwa sababu huku niko nataka Maendeleo na huku nataka pesa ya mwananchi iweze kudumu. Ahsante Mheshimiwa Spika naunga mkono kama kutakuwa kuna natija ya kufanya pesa za mwananchi ziweze kubaki na zifanye kazi sio tuweke pesa za mwananchi kesho zije ziharibiwe. Naunga mkono.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable, Honourable Frankline! Honourable Frankline Stop coaching the Honourable Member! Yes, the Leader of Minority?

The Leader of Minority (Hon. Matsaki): Ahsante sana Mheshimiwa Spika kwanza kunipa nafasi hii, pili nawakaribisha walimu na wanafunzi kutoka Kisauni Junior. Tatu nimesimama pia kuunga huu mkono Mswada huu umeletwa na Mheshimiwa mwenza lakini nikizidi kuongeza jambo Waheshimiwa wenza wamezungumza kuwa sio mpango kwa kweli ni jambo zuri sana hata Mheshimiwa Mwaka hajajua kwamba vile vibanda viliondolewa pale hospitali kwa sababu vinaboreshwa kutengeza *modern* kama vile Mheshimiwa mwenza alivyoleta huu Mswada.

[Applause]

Nne sio vyema kamwe wana biashara wadogo wadogo ama reja reja wawe wanaanguka kama vile Likoni hata kuingia ferry ni shida....

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Order! Honourable Leader of Minority Order! Yes, Honourable Katana are you up on a point of order?! Please proceed. He is proceeding with a point of order.

Hon. Katana: Mheshimiwa nimesimama kwa point of order 37 ya kwamba anayosema kiongozi wa chache ni ya uongo kwa sababu mimi mwenyewe namba moja kuna wakati nilienda Makadara Mheshimiwa Spika...

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Madialo allow the member without interrupting he is up on a point of order. Are you up on a point of order?

Hon. Madialo: Yes.

Temporary Speaker (Hon. Abdirahman Abdikadir): Which Point of order? Honourable Katana just have your seat?

Hon. Madialo: Is the Honourable Member in order to give a Point of order then rush to continue giving a point without you verifying the same way you did.

The Temporary Speaker (Hon. Abdirahman Abdikadir): It has been verified some of us have the Standing Orders. It's your responsibility; do you have the Standing Orders with you?

Hon. Madialo: But why were you verifying?

The Temporary Speaker (Hon. Abdirahman Abdikadir): I had verified the Standing Order he was standing on and I find him to be on the right track.

[Applause]

Hon. Madialo: Honourable Speaker, it's not in order.

The Temporary Speaker (Hon. Abdirahman Abdikadir): The Standing Order is as follows if you wish that I read it,

'That any Member shall be responsible for the accuracy of any facts which the Member alleges to be true and may be required to substantiate as any facts instantly'.

So Honourable Katana is very much in order to require the Leader of Minority to substantiate the claims. Yes, please proceed with your Point of order. Yes, Honourable Makanga, are you up on a point of order? Just hold on. Yes?

Hon. Makanga: Honourable Speaker, I think this is a House of order and records and I'm up on a Standing Order number 102;

That the Speaker or the Chairperson of Committees after having called attention to the conduct of Members who perceive him irrelevant...

Honourable Speaker, Honourable Katana is just out to create a debate for nothing! He cannot be standing here questioning all remarks and submissions made by the Honourable Members, can he allow the Honourable Members to make their contributions in silence then he will make his voting, why is he creating a case out of nothing? Honourable Speaker, let him sit down listen and respect the opinions of the other Honourable Members...

[Applause]

I am the mover of this Motion I have every right; I understand why I brought this Motion and if he feels he will not pass let him wait and vote he has already made his contribution. What is the issue? What is the issue? So, can Honourable Speaker give directions from your seat unless there is sabotage from the Committee on Trade? Unless there is sabotage from the Committee on Trade, I will not allow that to happen. Honourable Speaker, Honourable Allen Katana should not speak again he is creating irrelevant repetitions that add no value to the debate.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you for that submission but let me inform you Honourable Frankline that Honourable Katana is entitled to stand at any time if...

*[Interruption]
[Hon. Makanga off microphone]*

Honourable Frankline, you are grossly out of order and I will not tolerate that! So, I have issued the first warning to you that if you persist on with your conduct I will ask you to leave the chambers. Hon. Katana be guided that you are entitled to rise on any point of order provided that the point of order is in line. So please proceed with your point of order.

Hon. Katana: Mheshimiwa Spika naomba nisikizwe watu wakiwa kimya kwanzo, tena nilikumbushe Jumba hili la kwamba hatukuja hapa kufanya sarakasi tulikuja hapa kuwahudumikia wananchi wetu. Ninachosema *Standing Order* 87 ya kwamba kila mtu analolisema liwe ana uhakika nalo. Mimi nina uhakika na hili naweza kujipiga nalo kifua Mheshimiwa Spika na ni ya kwamba yule Mheshimiwa anenisikiza kabla haja *consult*.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Proceed.

Hon. Katana: Kwa sababu Mheshimiwa Spika hawanisikizi alafu wanaropokwa.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Proceed! Proceed Honourable Katana!

Hon. Katana: Sawa Mheshimiwa Spika. Leo nakuheshimu sana maana leo Mwenyezi Mungu amekupa hekima kubwa sana Mheshimiwa Spika imesemeka, imeanza kusemwa na Mheshimiwa Mwaka nikavumilia, ikarudiwa na Mheshimiwa Kiongozi wa Wachache Bungeni ya kwamba vile vibanda pale nje ya Makadara vilitolewa kwa sababu vijengwe vya kisasa lakini Mheshimiwa Spika nataka nikwambie tena kwa kujipiga kifua mimi nimepeleka mgonjwa pale Makadara sipitali na nilipo peleka...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana! Honourable Katana! Honourable Katana!

Hon. Katana: Mheshimiwa Spika naomba unisikize mimi nataka kuelezea Mheshimiwa Spika sababu ni kwa nini vibanda vilitolewa na vibanda vilitolewa kwa sababu pale pana biashara haramu.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana, you have made your point, take your seat!

Hon. Katana: Sasa hawa wakisema vibanda vinatolewa kwa sababu kuwekwe modern Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana, you are pushing the button harder and I will not take it, you have made your point that the Honourable Leader of Minority you have alleged that there are plans to construct modern kiosks there what Honourable Katana is asking is whether you have substantive evidence to the allegations you have made.

The Leader of Minority Party (Hon. Matsaki): Mheshimiwa Spika kwanza unajua ilikuwa ni wewe umuulize anasema kuna biashara haramu anaweza kutoa thibitisho?! Unaona?! Pili vibanda vyajengwa na naunga mkono huu Mswada ambao umeletwa na Mheshimiwa mwenza sababu gani? Si vyema kamwe nimepatiwa mfano mzuri sana vibanda vikijengwa; kwanza tunaboresha huu mji ikiwa ukiangalia Likoni na nimetoa Likoni mfano mzuri sana ni vyema kweli watalii wanaotoka makwao kuja kutembea sehemu za diani na wanapita Likoni vile kumejazana vile. Kaunti inapochukua hatua ya kujenga vibanda vyema Likoni patakuwa pazuri na tutakua tunazidi kuboresha mji wetu vizuri na pia mapato yatapatikana kwa hivyo Mheshimiwa Spika nimesimama kuunga mkono na kamati ya trade ichukue siku...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Order! Order! Order Honourable Katana! Honourable Leader of Minority before you wind up just have your seat and allow Honourable Katana to make his point please.

The Leader of Minority Party (Hon. Matsaki): Sasa Mheshimiwa Spika ni kunionea unanionea.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Have your seat please he is up on the floor.

The Leader of Minority Party (Hon. Matsaki): Lakini nimesimama kuunga mkono....

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Katana what is your point of order?

Hon. Katana: Mheshimiwa Spika hajatoa uhakiki ama kurekebisha kanuni zake za kusema vile vibanda vilibomolewa kwa sababu ya kuboresha! Mheshimiwa Spika ndio nikawa nakuambia vile vibanda viliondolewa kwa sababu kuna biashara ya haramu yenye inafanyika kwa sababu wanauza madawa na madawa yako Makadara na ushahidi ninao hata hapa Mheshimiwa Spika hata ukisema nionyeshe nitaonyesha.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Order! Order! Order!

[Interruption]

Yes, Honourable Milka are you up on the point of order? Please proceed to cite to the point of order. Honourable Katana!

[Low Consultations]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Proceed please to make your point.

Hon. Ngare: I hope I am fine. I am standing on point of order 87 and I want to urge this House that we are getting out of point. The Motion brought in by Honourable Makanga is talking about modern kiosks meaning that if we have modern kiosks, they will be readily accessible and when they are readily accessible, we will do more business and create more revenue.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Milka, you are debating.

Hon. Ngare: I'm not debating.

The Temporary Speaker (Hon. Abdirahman Abdikadir): You are debating.

Hon. Ngare: I am only giving.

The Temporary Speaker (Hon. Abdirahman Abdikadir): I'm looking at the Standing Order you have cited and I'm looking at the relevance of the argument you are making. Totally irrelevant.

Hon. Ngare: What does 87 say?

The Temporary Speaker (Hon. Abdirahman Abdikadir): You wish me to read?

Hon. Ngare: Yes.

The Temporary Speaker (Hon. Abdirahman Abdikadir): That any Member shall be responsible for accuracy of any facts.

Hon. Ngare: Exactly. They are misleading us.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Who is misleading you?

Hon. Ngare: The Members who have been talking saying that having modern kiosks is contrary to what he is saying. Mr. Speaker give me a minute to quote because when I stood earlier to quote what I wanted to quote on a member who said that can we have examples of where this has worked. I want to quote...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Honourable Katana, just seat down now. Honourable Milka.

Hon. Ngare: Can I quote?

The Temporary Speaker (Hon. Abdirahman Abdikadir): I will not allow you to get into the debate. I had given you an opportunity to contribute to the debate you have quoted your Standing order and I have listened to you. So, allow other Members to contribute to the debate.

Hon. Ngare: Thank you for being unfair a second time.

The Temporary Speaker (Hon. Abdirahman Abdikadir): And as such Honourable members allow me to use Standing Order 87(2) *that if a Member has sufficient reasons to convince the Speaker that the member is unable to substantiate of which Allen Katana has convinced me the Speaker shall require that such Member The Leader Of Minority substantiates the allegations not later than the next sitting day failure to which the Member shall be deemed to be disorderly within the meaning of Standing Order 109 unless the Member withdraws the allegation and gives suitable apology* you can save us all that by just withdrawing your allegations.

The Leader of Minority Party (Hon. Matsaki): Honourable Speaker, I think I will substantiate in next sitting. Thank you.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Next sitting. Thank you. Please take note that the Member is required to substantiate the fact that he has alleged. Yes, Honourable Pamela.

Hon. Ojala: Thank you Mr. Speaker for giving me this opportunity also to air my views. Mr. Speaker, before I proceed with my contribution, I also want to acknowledge the presence of students from Kisauni Vision Junior Academy. Mr. Speaker, when I embark on the discussion, I stand to support the Motion; *Establishing Modern Kiosks for Street Hawkers to Promote Urban Order and Revenue Growth*. I want to congratulate my son-in-law Honourable Makanga from Chaani, Mr. Speaker this is a very important Motion before us today as Honourable Member and as a Member of Trade coming from Likoni constituency if you look at the situation both Island and Mainland from Likoni constituency the situation is pathetic. Mr. Speaker, I do not see why the Honourable Member cannot be convinced that this is a very important Motion because when you happen to be in Likoni Island hawkers are crowded along the road and it's putting their lives at risk and if you check the Urban Areas and City Act, 2011 mandates the County government to put proper plans. I want to define what modern kiosk means; it means affordable, available, acceptable, accessible to the vendors and buyers Mr. Speaker, so let no Member from any constituency mislead this House. This is a House of record and law Mr. Speaker; we need to be serious. I am speaking as a Member of Trade and I stand fully supporting the Motion. Thank you, Mr. Speaker.

[Applause]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Mariam Baimu.

Hon. Baimu: Ahsante sana Mheshimiwa Spika mimi nimesimama kuunga mkono Mswada huu ulioletwa na Mheshimiwa Hossana nikiongelea tuu kwa kiasi ni kwamba kweli hawa wachuuzi imefika wakati waweze kuangaliliwa nafasi ili waweze kuuza biashara zao kwa sababu tunaona kweli si Likoni peke yake ambako kuna msongamano. Msongamano iko kila pahali hata hapa CBD ukipita *every place* hata huko kwetu upande wa kuvuka bridge unaona pia watu wako kwa barabara we mwenye kutembea hata kwa barabara kama *pedestrian* ni shida magari ya kona *jam* kwa sababu zinauzwa kwa barabara bidhaa. Kwa hivyo kusema ukweli Mheshimiwa Spika ikiwa kutawekwa mikakati kabambe ya kuweza kuhakikisha hizi *viosk* vimetengezwa ili waweze kupata ajira zao pale na pia kuwe na some *order* katika barabara zetu nafikiri itakuwa ni jambo la maana sana kwa hivyo Mheshimiwa Spika nimesimama kuunga huu mkono Kongole Mheshimiwa Hossana. Ahsante.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, Honourable Katana are you up on a point of order? Yes, Honourable Frankline Makanga? Frankline Makanga, please contribute to the Motion respond to the Motion.

Hon. Makanga: Ahsante Mheshimiwa Spika. Kwanza nachukua fursa hii kuwashukuru Waheshimiwa wenza wenye akili timamu na wenye hekima ambao wamesimama kuunga mkono Mswada huu. Mheshimiwa Spika...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Order! Order! Yes, Honourable Katana.

Hon. Katana: Mheshimiwa Spika inafaa tuongee kwa nidhamu kwa sababu akisema waliounga mkono ndio wana akili timamu kumaanisha wale ambao wamepinga ni wenda wazimu ama anamaanisha nini? Ahsante.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Yes, is that what you are alleging Honourable *Hosanna*?

Hon. Makanga: Mheshimiwa Spika unajua hali ya afya ni tofauti na siwezi semea mtu hali yake ya kiafya; mimi nimesema Mheshimiwa Spika nashukuru wale waliounga mkono wakiwa wamefikiria kwa kitimamu cha akili sijasema kwamba wale wale waliopinga wana shida ya akili...

[Interruption]

The Temporary Speaker (Hon. Abdirahman Abdikadir): Proceed! Proceed! Please.

Hon. Makanga: Ahsante Mheshimiwa Spika. Mimi nawashukuru Waheshimiwa wenza ambao wameona umuhimu wa kupitisha hoja hii ama kuunga mkono hoja hii na Mheshimiwa Spika labda kwa kutoa taka wenzangu ambao wanafikiria labda wale wachuuzi ndiyo watajijengea hii ni pesa ya serikali itatumika kujenga na ni jukumu la kiserikali hawa wachuuzi wa reja reja wana haki sawa na wale wenye pesa kama vile Mheshimiwa Katana mwenye uwezo wa kujijengea ghorofa na aweke duka. Kwa hivyo Mheshimiwa Spika ni wajibu wetu sisi kuondoa dhiki ambayo wananchi wetu wanapata wakiwa mjini, kuondoa dhiki ya wachuuzi wetu wanapo hangaishwa na Manispaa kwa sababu ya kufanya biashara barabarani. Mheshimiwa Spika endapo sisi hatutawajibika na kuelekeza serikali ni nini inafaa kufanywa basi tutakuwa tumeanguka katika majukumu yetu. Kwa hivyo Mheshimiwa Spika nawashukuru Waheshimiwa wenza ambao wameunga mkono hoja hii na ieleweke kwamba zinapojengwa hizi sehemu za kufanyia biashara tunafaa kuhakikisha kwamba sheria imefuatwa katika ugawaji ili wale walengwa waweze kufikiwa. Kama nyuma kulikuwa na tatizo haimaanishi kwamba sisi ni wale tuliokuwa nyuma, sisi tuko hapa kurekebisha kama vile unapata mgonjwa unahakikisha kwamba amekuja na maumivu ya kichwa kama vile Mheshimiwa Katana labda amekuja kwangu ni mgonjwa nimtafutie dawa itakayo mponya akirudi nyumbani awe ako salama. Kwa hivyo Mheshimiwa Spika nashukuru sana Waheshimiwa wenza na ni wakati wa kupigia kura tupitishe hoja hii Serikali ya Mombasa ifanye kazi yake tukisonga mbele kuwahudumia wananchi wetu wa Mombasa. Ahsante sana Mheshimiwa Spika.

The Temporary Speaker (Hon. Abdirahman Abdikadir): Thank you. Honourable Katana, I will not allow you to make any contribution please take your seat. Honourable Members, I now put the question that the Motion by Honourable Frankline Makanga on, *Establishing Modern Kiosks for Street Hawkers to Promote Urban Order and Revenue Growth*, be approved by this Honourable House in the same terms as debated.

[Interruption]

I repeat and Members please let us maintain order Honourable Madialo! I now put the question that the Motion by Honourable Frankline Makanga on, *Establishing Modern Kiosks for Street Hawkers to Promote Urban Order and Revenue Growth* be approved by this Honourable House in the same terms as debated.

[Question put and agreed to]
[Applause]
