THAT, the County Government to establish a multi-sectoral task force dedicated to addressing online child exploitation. The task force should include representatives from government agencies, law enforcement, educational institutions, NGOs, and technology companies. The task force will be responsible for developing and implementing strategies, monitoring progress, and coordinating efforts across sectors. 2. THAT, the County Government to partner with relevant stakeholders to implement mandatory digital literacy and online safety education programs in schools to equip children with the knowledge and skills to protect themselves from online exploitation. Develop and distribute educational materials and resources for parents, guardians, and educators to raise awareness about online risks and protective measures within the Community. 3. THAT, the County Government to collaborate with technology companies to enhance online monitoring tools and reporting mechanisms for detecting and addressing cases of online exploitation. Use the Mombasa County established helpline for reporting suspected cases of online child exploitation. 4. THAT, the County Government to partner with relevant stakeholders to review and update existing laws and regulations related to online child exploitation to ensure they are robust and effective. Provide specialized training for law enforcement officers and legal professionals	Tuesday, 13th August 2024 (064 Sitting)	Hon. Milka Moraa Ngare (Nominated MCA)	Wednesday, 14th August 2024 (067 Sitting)	Adopted

	to handle online child exploitation cases effectively.
