Honourable Speaker,

Pursuant to the provisions of Standing Order 41 (2) (c), I wish to request a statement from the Chairperson, Committee on Health, regarding the security of County Health Facilities.

Hon. Speaker, the security of health facilities within Mombasa County remains a critical concern due to increasing cases of vandalism, theft, and unauthorized access. This has not only led to damage and loss of essential medical equipment but has also posed risks to healthcare workers and patients.

Hon. Speaker, in light of these concerns, I urge the Chairperson of the Committee on Health to request the County Executive Committee Member (CECM) for Health to:

1. Provide a comprehensive report on the current security status of all County Health Facilities.
2. Outline any existing measures in place to prevent vandalism and enhance security.
3. Provide information on whether the County Government has plans to construct perimeter walls around all County Health Facilities to improve security.
4. Clarify whether there are plans to deploy security personnel at each health facility to safeguard infrastructure, staff, and patients.
5. Provide a timeline for the implementation of these security measures, if any.

Hon. Speaker, securing our health facilities will ensure the protection of critical health infrastructure and enhance service delivery. I, therefore, seek a timely response from the Committee to address this matter urgently.

***12. Statement – Overdue Retirement Benefits – Hon. Jactone Madialo (MCA, Mikindani Ward)**

Hon. Speaker,

I rise pursuant to Standing Order 41 (2) (c) to seek a statement from the Chairperson of the Committee on Finance, Budget and Appropriations regarding the issue of overdue retirement benefits for staff who retired from service.

Hon. Speaker,

It has come to my attention that several former members of staff who retired as far back as the year 2020 are yet to receive their retirement benefits. This unfortunate situation has primarily been caused by the non-remittance of statutory contributions by the County Government of Mombasa, which has resulted in undue hardship to these retirees who served this County diligently.

Hon. Speaker,

This matter demands urgent intervention to ensure that these former staff members receive their rightful dues without any further delay. It is imperative that the Chairperson, Committee on Finance, Budget and Appropriations investigates and provides a comprehensive report on:

1. The status of all unremitted retirement contributions by the County Government.
2. The reasons for the delay in processing retirement benefits for affected staff.
3. The proposed measures to ensure prompt settlement of these overdue benefits and prevent future occurrences.

Hon. Speaker,

In light of the above, I urge the Chairperson to enquire into and report on this matter at the earliest possible opportunity.

***13. Motion – Adjournment of the County Assembly – Hon. Athman Mwamwiri (Leader of Majority Party)**

Mr. Speaker Sir, I beg to move the following Motion;

THAT, pursuant to the provisions of Standing Order 25 (3), this Assembly adjourns for recess until Tuesday, 15th April 2025, in accordance with the Calendar of the County Assembly (Regular Sessions).

14. Bills;

Adjournment.
