10. Statement – Poor Drainage at Ziwa la Ngo'mbe Dispensary – Hon. Hamisi Nyota (MCA, Ziwa la Ngo'mbe Ward)

Honourable Speaker,
I stand pursuant to Standing Order 40 (1) to request a statement from the Chairperson, Committee on Transport and Infrastructure regarding the poor drainage system at Ziwa la Ng'ombe Dispensary.

Honourable Speaker,
The drainage condition at this health facility is deplorable, particularly during the rainy season. With the onset of the current rains, the situation has significantly worsened, resulting in severe flooding within and around the facility. This has made access to essential healthcare services extremely difficult, especially for vulnerable groups such as pregnant mothers, persons living with disabilities, and patients with serious illness who require urgent medical attention.

Honourable Speaker,
It is important to note that last year the Department undertook a clean-up exercise of the soak pit and surrounding water channels, which had a positive impact on drainage and access to the facility.
However, the recurrence of the problem this year signals a need for a more permanent and sustainable solution.

Honourable Speaker,
Access to a clean and safe healthcare environment is a basic right, and urgent action must be taken to resolve this matter and safeguard the health and well-being of the public.

Honourable Speaker,
In light of this, the Chairperson should enquire and report on the following:

- The current status of the drainage system at Ziwa la Ng'ombe Dispensary
- Whether there are immediate plans in place to address the drainage issue during the ongoing rainy season.
- Provide information on any long-term interventions planned by the Department to improve drainage at the facility.
- Clarify what measures will be taken to ensure the problem does not recur with every rainy season.

11. **Motion – Adoption of the Report on Public Participation of the Mombasa County Fiscal Strategy Paper (CFSP) 2025 – Hon. Kibwana Swaleh (Chairperson, Committee on Finance, Budget and Appropriations)**

Mr. Speaker Sir I beg to move the following motion;
