**NOTICE OF MOTION**

Hon. Athuman Mwamwiri?

**Hon. Athman Mwamwiri:** Thank you Mr. Speaker, I beg to give a Notice of the following Motion.

*(Hon. Athman Mwamwiri moved the Notice of Motion)*

THAT AWARE that the Mombasa County has low education transition rate as many pupils drop out of school before completion of either primary or secondary education;

FURTHER AWARE that these school drop outs who are youths are mostly unemployed because of lack of technical skills which are essential in the employment market;

NOTING THAT there are institutions such as technical and vocational education and training TVET in the County; which help learners acquire skills, knowledge and attitudes needed to develop professional careers and contribute to the economy and which also receive sponsorship from the County Government;

CONCERNED THAT there is lack of awareness of the importance of the TVETs, which has resulted in the low number of technical skilled youths;

I therefore urge this Honorable Assembly to resolve that:

1. The County Government should embark on the massive sensitization efforts to raise the profile and highlight the importance of TVETs institution such as village polytechnics and home craft centres.
2. The County government should establish linkage mechanism between the polytechnics and County based industries to ensure that the youths gain employment.
3. The County Government should offer internship to the youths who have acquired technical skills from the polytechnics.
4. The County Government should increase the sponsorship kitty meant for the TVETs institutions.

Mr. Speaker sir, I seek leave of the House to immediately debate this Motion.

*(Question put and agreed to)*

...yes Hon. Mwamwiri.

**Hon. Athuman Mwamwiri:** Ahsante Mheshimiwa Spika kwa fursa nyengine. Mheshimiwa Spika wengi wetu tuko hapa kwa msukumo wa vijana mashinani ambao walikuwa na imani thabiti na sisi ya kwamba tutazingatia maslahi yao na sehemu pekee ya kuzingatia maslahi yao ni katika Bunge hili ndiposa tukaja na Hoja hii ya kwamba changamoto kubwa inayowakumba vijana wetu ni suala zima la ajira lakini kutokuwepo kwa ajira kunazo nyenzo ama sababu mwafaka zilizopelekea wao kutopata ajira, moja wapo ni changamoto hii ya vijana wengi kutomaliza masomo yao.

Mheshimiwa Spika tukiangalia takwimu tunakuta ya kwamba vijana wenye umri wa miaka sita na kumi na nane asilimia 30 yao hawapo shuleni, hawapo katika shule za msingi, hawapo katika shule za upili. Sasa swali nyeti tunajuliza watakapoingia miaka kumi na tisa na ishirini vijana hawa tutawapata wapi? Mheshimiwa Spika kadhalika tunapata asilimia nyengine ya vijana hawa hawamalizi darasa la nane na wengine kutomaliza kidato cha nne. Aidha kwa utepetevu wa wazazi ama kutokuwa na karo ya kuwawezesha kumaliza masomo yao. Mheshimiwa Spika idadi hii ni pigo kwetu sisi kama Kaunti ya Mombasa tukiwa na idadi kubwa ya vijana wasiokuwa na taaluma wala ujuzi wa kujiwezesha aidha kuajiriwa ama kujiendeshea biashara ili kujikimu katika maisha yao.

Mheshimiwa Spika hivi karibuni Kaunti ya Mombasa imekuwa na sifa mbaya ya idadi kubwa ya magenge ya wahuni ya vijana wenye umri mdogo; hii yote inatokana na nini, aidha ukosefu wa ufasaha wa elimu ama ukosefu wa ajira lakini hizi ajira tunazozungumzia basi na taaluma hatutaweza kuajiri vijana wetu hivyo kulazimu Kaunti kuita ama kutangaza nafasi hizi wazi kwa Kaunti zenginezo kutuletea waajiriwa.

Ndiposa tunaomba Bunge hili tupitische ya kwamba Kaunti ichukue dhamana tukizingatia masuala ya vyuo vya ufundi viko chini ya usimamizi wa Kaunti wananchi wapate taarifa wafahamishwe wafanyiwe elimu ya kimsingi kwa sababu saa hizi tuko na vyuo vya ufundi viwili Likoni na Kisauni lakini katika maeneo yale utakuta bado idadi kubwa ya watoto ama wanafunzi wamekosa hata kujiunga kwa kutojua masomo gani yanapatikana pale na umuhimu wake katika vyuo vile. Hivyo basi kuwe na taratibu maalum shule za msingi na za upili zitembelewe zipewe nasaha ama wanafunzi wapewe nasaha ya kwamba baada ya hapa sio mwisho kunayo nafasi ya TVET ambayo inaweza ikawakimu na taaluma mbali mbali zitakazo wawezesha kupambana na kutafuta ajira katika Kaunti yetu. Kadhalika Mheshimiwa Spika idara tulizo nazo katika Kaunti hii zishurutishwe na kulazimishwa ya kwamba wanafunzi wetu katika vyuo hivi vya upili wawe watapata *attachment* ama muda wa mazoezi na mafunzo ndani ya idara zetu katika Kaunti yetu.

Mheshimiwa Spika kadhalika tunayo idadi kubwa, idadi ya kutosha ya makampuni katika Kaunti yetu ikiwemo kampuni za kiufundi, mahoteli na masuala ya EPZ washurutishwe kadhalika ya kwamba wanafunzi hawa wapate kipao mbele katika kuajiriwa katika Kaunti zile tukizingatia ya kwamba asilimia 70 ya masuala ya ajira inapaswa iwe ya wenyeji ama wa wakaaji wa Kaunti yetu. Tukizingatia hili Mheshimiwa Spika kwa vijana wetu watakuwa na ari na motisha ya kujiunga na vyuo hivi vya ufundi, hali kadhalika kampuni hizi zetu zitakuweco hazina jukumu kubwa la kutafuta watu wenye tajriba tukizingatia ya kwamba vipaji hivi tunavikuza hapa hapa katika Kaunti yetu.

Mheshimiwa Spika suala nyeti la mwisho tunaipongeza Kaunti kwa kuwa imekuwa ikifadhili asilimia 70 ya karo katika vyuo hizi lakini hakujakuwa na ufuatiliaji wa masuala haya kwa uhakika sasa hivi hatuwezi sema ni idadi ya watu wangapi ambao wamepata kunufaika na mfuko huu wa Kaunti hivyo basi tunaomba Bunge hili lipitische ya kwamba wale wanafunzi ama wale watoto wanatoka katika familia za maskini zaidi waweze kupata udhamini asilimia 100 katika ada yao ya mafunzo katika vyuo hivi. Mheshimiwa Spika kwa hayo ningepomba Bunge hili tuafikiane na tupitische haya kwa mustakbal ya vijana wetu na vijana wenzetu mashinani ili tuweze kujenga Kaunti yetu kwa sababu sasa hivi Kaunti yetu ya Mombasa tunategemea uzalishaji wa huduma kutoka kwa viongozi, watu wazima ama waajiriwa wazee. Hata hapa kwenye Bunge Mheshimiwa Spika tunao wafanyi kazi waliopitisha umri wa kustaafu lakini bado wako hapa kwa hofu ya kwamba vijana labda hawana tajriba ya nafasi zile husika, tuwajenge vijana wetu ili waweze kuzalisha Kaunti yetu na kuwa warithi wa Kaunti hii, shukran.

*(The Deputy Speaker exited the Chair)*

*(Applause)*

*(The Temporary Speaker (Hon. Raphael Bwire) in the Chair)*

**The Temporary Speaker:** Thank you Hon. Member for such impressive submission. Now Hon. Members the floor is very open for the insights. I saw you standing Hon. Chief Whip.

**Chief Whip** (Hon. Kitula): Ahsante sana Mheshimiwa Spika nimesimama kuweza kuunga mkono Hoja ilioweza kuletwa na Mwakilishi wa kata ndogo ya Likoni, ama kweli hivi sasa kama serikali tumeweza kuweka idara ama wizara rasmi ya masuala ya ugatuzi na vile vile huduma kwa jamii ambayo inayoongozwa na Waziri Seth Odongo. Mheshimiwa Spika naona sasa kuna muhimu zaidi kwa sababu hawa *Ward Administrators* watapatiwa jukumu la kuweza kuingia mashinani tukiweza kushirikiana nao kama sisi Wawakilishi katika kata ndogo mbali mbali pamoja na Wabunge Wateule katika Bunge hili.

Hii ni kuweza kuwaeleza wananchi wetu ambao wataweza kumaliza shule za msingi kwamba hapo sio hatima yao endapo twaweza kufeli katika matokeo ya mtihani wa kitaifa, Mheshimiwa Spika vile vile katika idara hii ambayo inaongozwa na Waziri Seth Odongo itakuwa bora zaidi ile pesa ambayo sisi kama serikali tumeweza kuweka ni asilimia 70 ya kuweza kuwalipia wanafunzi hawa kama anavyosema Mheshimiwa wetu kwamba tuweze kuongeza mfuko huu katika idara hii ili kuweza kuhakikisha kwamba kwa wanafunzi wetu wanapata elimu kwa sababu baada ya kulipiwa asilimia ile wale wanafunzi baadae wanaweza kutupata sisi kama Waheshimiwa ili kuweza kuhakikisha kwamba wanalipiwa asilimia 100.

Mheshimiwa Spika kwa hivyo mimi naona Hoja hii itaweza kutupatia mkazo kwa Wizara kuweza kuweka kiwango kikubwa ili kuweza kuwasimamia wanafunzi katika mashule haya endapo wataweza kumaliza katika shule ya msingi wataweza kupatiwa asilimia kubwa kuweza kulipia masomo yao. Vile vile kitu ambacho kimeweza kunipatia moyo zaidi katika hoja hii Mheshimiwa Spika ni kwamba sisi kama serikali ya Kaunti ya Mombasa kumekuwa na ugumu sana kuweza kupatia vijana hawa nafasi kuweza kusomea kupata taaluma katika idara zetu mbali mbali. Mheshimiwa Spika naona kwamba Mheshimiwa Mwakilishi wa Likoni ameweza kutilia mkazo sana katika suala hili sana kwamba sisi kama serikali tuna haki ya kuweza kupatia nafasi vijana wetu endapo wataweza kumaliza katika vyuo vikuu na kuhitimu kwamba waweze kupata elimu kidogo na vile vile umaarufu zaidi kupitia idara ama yale mafunzo ameweza kupata katika shule hii.

Kwa hivyo mimi nahimiza Bunge hili na Waheshimiwa wenzangu kwamba hoja hii ni kwa manufaa ya watu wetu kwa sababu wengi wa wanafunzi wetu wakimaliza darasa la nane hawajui kwamba kuna vyuo ambavyo vinastahili kutoa mafunzo ya ufundi na vile vile kuweza kujitegemea miradi mbali mbali. Kwa hivyo nawahimiza Wabunge wenzangu tuweze kupitisha Hoja hii kwa ajili ya manufaa ya watu wetu ambao wanatuwakilisha mashinani, ahsante Mheshimiwa Spika.

**The Temporary Speaker:** Thank you Hon. Chief Whip, yes Hon. Nzai.

**Hon. Nzai:** Ahsante sana Mheshimiwa Spika kwa kunipa nafasi hii ya mimi kuweza kutoa mchango wangu katika hoja hii. Mwanzo nasimama kupongeza Hoja hii kwa sababu naona Mheshimiwa Spika imekuja kwa wakati ufao kabisa; Katiba yetu ya ugatuzi ina kielelezo chema cha kusema kila Wodi ilikuwa iwe na chuo cha mafunzo kwa vijana yaani Youth polytechnics. Ninaamini kwa sababu ya changamoto za hapa na pale muhula wa kwanza uliopita hawakuweza kuchangia Hoja hii ama kutekeleza jambo hili hivyo basi nasema Bunge hili likipitisha Hoja hii itakuwa vyema sana kwa vijana wetu...

*(Interruption)*

**Hon. (Ms.) Chireri:** Point of information Mr. Speaker.

**The Temporary Speaker:** What is your Point of order, a Point of information Hon. Kombe will you wish to be informed by Hon. Lucy?

**Hon. Nzai:** Ninaomba Mheshimiwa Spika nipate nafasi nimalize Hoja yangu nisije nikasahau kipengele muhimu basi kama analo Mheshimiwa mwenzangu wa Mtopanga aweze kuchangia yake.

**The Temporary Speaker:** Hon. Member, the Member on floor is not willing to be informed.

**Hon. (Ms.) Chireri:** Hon. Speaker it's a burning issue.

**The Temporary Speaker:** Will you kindly give him a chance because he is not willing to be informed, kindly Hon. Member, the Member you intend to inform...

**Hon. Nzai:** Mheshimiwa Spika naomba niendeleze Hoja yangu.

**The Temporary Speaker:** Order Hon. Members! The Member intended to be informed is not willing to be informed, proceed Hon. Kombe.

**Hon. (Ms.) Chireri:** Mheshimiwa Spika...

*(Interruption)*

**The Temporary Speaker:** Order the Chairman is making a ruling Hon Lucy. Yes Kombe Nzai.

**Hon. Nzai:** Mheshimiwa Spika mimi nasimama kupongeza Hoja hii na ninasema ni wakati muhimu umefika kila Wodi iwe na chuo cha anwahi yake hivyo basi tutaweza kuendeleza vizuri hususan wale vijana ambao wanaacha shule na tutakuwa pia tunaendeleza ile taaluma ya talanta ambazo tuko nazo mtaani. Kwa hivyo mimi Mheshimiwa Spika ninasimama kupongeza mia fil mia hoja hii ya Mheshimiwa wa Likoni kwamba imekuja kwa wakati ufaao. Ahsante Mheshimiwa Spika.

*(Applause)*

**The Temporary Speaker:** Thank you. Hon. Member Mwakirunge.

**Hon. (Ms.) Mbura:** Ahsante sana Mheshimiwa Spika ningependa kuunga mkono hoja ilioretwa na Mheshimiwa mwenzangu na hoja hii kusema kweli ni hoja ambayo mimi naiunga mkono mia kwa mia na kwanza nampongeza Gavana wetu kwa sababu katika Wodi yangu tuko na hicho kituo cha ufundi lakini ningependa tukaweze kufanya hamasa kwa jamii zetu haswa Mwakirunge na zile Wodi zengine ambazo ziko na vyuo vya ufundi kwa sababu wengi kusema kweli hawajui kwamba hivyo vyuo vya ufundi vinaendelea. Kwa hivyo hamasa zile zitakapofanywa sisi kama viongozi ama kama wawakilishi wa Wodi ningependa tuhusishwe ili tuingie mashinani tuweze kuhamasisha jamii na iweze kujua kwamba kuna hivyo vyuo vya ufundi na waweze kujiandikisha kwa wingi.

Pili pia ningependa serikali yetu ya Kaunti kulingana na zile basari ambazo wanatoa hakika kuna kwengine zinatolewa lakini hazilipwi, hata saa hii vile ninavyoongea kuna watoto wengi wamefukuzwa ambapo sasa basari zimewekezwa lakini pesa hazijafika. Kwa hivyo ni muhimu kuwe na ufuatili wa hali ya juu ili watoto wetu wapate ujuzi na waweze kujinufaisha katika maisha. Ahsante sana Mheshimiwa Spika.

**The Temporary Speaker:** Thank you Hon. Member I have seen Hon. Tobias Samba for a long time, can you kindly give us what you have Hon. Samba please.

**Hon. Samba:** Yes thank you Mr. Speaker for giving me this opportunity. I think it will force us to compel in this House to amend our Standing Order so that it allows Members to be informed by force because there are some who need information. Mr. Speaker thank you for this moment and I would like to contribute also for this Motion because it is a very important Motion to us, they say if you open the door for institutions or schools you will close the door of prisons or rather jails. Mr. Speaker the level of education in our country is not favourable to some of us, the level of education is wanting; in each and every Sub County they are opting to have our own Technical Vocational Education and Training centres as at now we only have two as a County and that is not good for any developed County. We are passed that and like in my case my Ward, that is Mvita Sub County we don't have even a single technical institution or rather training centre.

Mr. Speaker when we were growing up President Moi used to compel all Form Four Leavers to pass through NYS and to some extent it gave birth to some ideas and when we were also growing up when we were in school we were taught several things like plaiting, stitching at a time we could even make some toys, it was preparing us for the future. Mr. Speaker as we speak right now if you cannot find somebody who can lead you to greener pastures you are doomed to fail, you are going to fail and they have turned to be failure in education, (??) it is automatic failure in life.

But that should not be the case Mr. Speaker if we have enough technical, vocational educational and training centres it will offer some benefits to us and I have to commend Hon. Mwamwiri for bringing such a Motion. I would just request this House to adopt as it is but I would wish that Hon. Mwamwiri to at least indicate in his one of key points that at least each and every Sub County should have its own technical, vocational educational and training centre. Thank you so much Mr. Speaker.

*(Applause)*

**The Temporary Speaker:** Thank you Hon. Member, yes Hon. Hamida.

**Hon. (Ms.) Ali:** Thank you Mr. Speaker Sir for giving me this opportunity. I support this Motion for Mr. Mwamwiri and I want to urge the County government to bring these institutions of technical for the young ones because right now we have problems of not having technicians, plumbers and carpenters. So for us to have these institutions at least we will have these people because education is not only books of having to go to the University because we need the technicians, plumbers and we need people who work with their hands so I support this Motion. Thank you Mr. Speaker Sir.

**The Temporary Speaker:** Thank you Hon. Member, yes Hon. Aran.

**Hon. Oindo:** Ahsante sana Mheshimiwa Spika kwa kunipa fursa hii angalau mimi pia niweze kuongea; kwanza ningependa kushukuru sana Mheshimiwa rafiki yangu wa karibu Mheshimiwa Athman Mwamwiri kwa kuleta hoja hii ambayo ina maana sana kwa vijana wetu na Mwenyezi Mungu azidi kukubariki muungwana mpaka watu washangae. Ya pili Mheshimiwa Spika walivyotangulia kuongea Mheshimiwa Samba na Mheshimiwa Hamida na wale wote walioongea ni kwamba twahitaji hizi ma TVETs ziwe katika kila *Sub County* kwa sababu gani, wale wanaoenda kwa hizi TVETs haimanishi kwamba hawawezi kusoma ama ni wale watu hawawezi kufanikiwa kimaisha lakini unapata wale watu wana akili kama watu wengine wamebarikiwa lakini sasa hawana ule uwezo wa kwenda chuo kikuu na sasa hapa ni mahali pa kuwasaidia tunafaa tushirikiane kama viongozi. Mimi kama Mwakilishi wa Vijana katika Bunge hili naomba Waheshimiwa tuichukulie hii hoja na tuifuatilie kabisa ili iweze kufanikiwa kwa sababu gani twaona watu wengi hawatili maanani sana zile hoja tumepitisha haswa sisi viongozi...

*(Applause)*

Hoja zapitishwa lakini zaenda hivi hivi lakini mimi naomba tafadhali Waheshimiwa ni wakati tushikane hoja ikipitishwa tuifuatilizie na tujue kwamba ni hizi kama ni Waziri wanahusika tafadhali iweze kufanyika vijana wetu waweze kunufaika...

*(Applause)*

Itakuwa twaja twashinda hapa twafanya na yapitishwa lakini baadae hakuna kwa sababu gani Mheshimiwa Spika kama kweli twataka tusaidie vijana wetu na kama kweli Kaunti yetu iko tayari kusaidia vijana hakuna haja ilipiwe asilimia 70, wanafaa walipiwe asilimia 100 ndio waweze kusaidia wafaidike...

*(Applause)*

Halafu ukienda kwa hizi TVETs walimu wanapitia shida sana, kuna siku niliweza kutembea Mheshimiwa Spika eneo la Likoni iko Mtongwe si ndio Mheshimiwa Mwamwiri? nilipata kwamba unapata wako na morali.

Wana bidii wanatengeneza vitanda, wanashona haya masuti yetu ukiona zile suti mimi navaa nakwambia Mheshimiwa Spika mbili kati ya hizo ninazovaa ziko nyingi nimenunua huko. Sasa tunafaa tuamue kama Waheshimiwa pia waweze kupewa motisha na waweze kupatiwa kazi na Mheshimiwa Mwamwiri kama unaweza kuongeza kwa hii hoja yako tujue kwamba wakishatengeneza kama ni vitanda vitaenda wapi? Kama kuna vile vitu Kaunti inahitaji kununua tunajua *Inspectorate* wetu wanafaa kuwa na hizi sare tafadhali hizi ma TVETs wapatiwe nafasi wazishone angalau itasaidia pia riziki zao ziingie. Kwa hiyo Mheshimiwa Spika mimi nasema tushikane na tuweze kusaidiana ili vijana wetu wasaidike tupunguze umaskini na tuko pamoja tukisongesha Kenya mbele. Ahsante.

**The Temporary Speaker:** Thank you, yes Hon. Nyiro?

**Hon. Nyiro:** Hatimaye Mheshimiwa Spika jicho lako limegusa kiwiliwili changu; kwanza nimpongeze Mheshimiwa Mwamwiri kwa kuleta hoja hii japo niseme ina mapungufu mengi kwa sababu suala zima la vyuo pamoja na shule za chekechea ziko katika majukumu ya Kaunti na jana nilipokuwa nikiangalia runinga niliangalia kijana mdogo sana ulimwenguni ambaye alifanya upasuaji wa kwanza akiwa daktari akiwa na miaka saba. Kama kuna wenzangu waliangalia KBC jana saa tatu kuna kijana mmoja mdogo mwenye asili ya Kihindi ambaye alionyeshwa kama daktari mdogo zaidi duniani aliyeweza kufanya upasuaji katika umri wa miaka saba na mambo hayo ni ya kushangaza lakini sikushangaza ni kwamba kuna vijana wana talanta lakini hakuna njia ya kuwatia motisha wala kuwachukulia katika hali ya kana kwamba wako bora sana sana, tunaona kwamba mwanafunzi mzuri ama kijana mzuri ambaye anaenda mpaka kidato cha nne ama Chuo kikuu ndio anakuwa mtu wa maana.

Pengine Mheshimiwa Mwamwiri ametaja kuhusu kwamba vyuo viko vitatu sio viwili Kisauni tuko na viwili; kuna kimoja pale Kisauni Polytechnic na chengine kiko Mwakirunge na Likoni, ni vitatu na mapungufu ambayo nimeyataja kuhusu hoja hiyo ya Mheshimiwa Mwamwiri ni kwamba amehimiza sana kwamba tufanye elimu ili vijana wajaze vile vyuo lakini Mheshimiwa Mwamwiri vile vyuo ni vitatu na ikiwa ni kufanya kampeni ya vijazwe basi ni tutakuwa tunafanya kama vile Mheshimiwa Kibaki alivyofanya. Mheshimiwa Kibaki alisema elimu ni ya bure wanafunzi wakafurika madarasani, walimu wakawa wanashindwa kuwamudu wale wanafunzi na ikawa ni bora elimu sio elimu bora.

Kwa hivyo nafikiri pa kuanzia kwanza ni tukae na kile kitengo husika na tujue kutoka kwao wana mipango ipi ya kuhakikisha kwamba hivi vyuo vinapatikana kila mahali ama kila *Sub County* na tukitoka pale tunakuwa na kazi rahisi ya kuwahimiza vijana waingie katika vile vyuo. Kuna mahali ambapo jinsia ama ile Wizara ya Jinsia Vijana na Michezo na yale mambo mengine wana jukumu kubwa kuhakikisha kwamba wana miradi mbali mbali; ya kuhamasisha vijana, zile Wazungu wanaita *mentorship programs* kwa sababu vijana wengi wanakaa ama majukumu yao yanafanyiwa kazi katika ile Wizara ya vijana, na Wizara hii nafikiri ina jukumu la kufanya zile Wazungu wanafanya *mentorship programs* ili tuone kwamba vijana wanapewa elimu kwa sababu hii wizara pia inapewa fedha za kufanya miradi ya vijana mashinani.

Jambo lengine la msingi ni kwamba mbali na hivi vyuo kuna vifaa kama vile zile tunaita *Social Halls* kuna vijana ambao wana talanta kwa mfano kuna vijana ni waimbaji, kuna vijana wanaweza kutengeza michezo ya kuigiza na hawa vijana michezo ya kuigiza na zile *art* ndogo kama vile kutengeza zile shanga hazifundishwi *Polytechnic* ni vitu ambavyo vijana wanajifunza wakiwa mashinani na wakiwekewa hizi *Social Halls* watakuwa wanazijaza wakiwa wanafundishana na kubadilishana mawazo...

(Applause)

Na ni uchumi sasa wakati tunapoangalia pengine *Polytechnic* zinaweza kuwa muhimu zile *Social Hall* zinaweza zikatuondolewa vijana mashinani haraka.

Hii ni kwa sababu vijana wengi siku hizi hawapendi vile vitu vigumu vigumu ukichukua kijana mtaani umpeleke asome mambo ya *Mechanical Engineering* wanaona ni kazi ngumu lakini ukimpeleka asome pengine kushona shanga ama kufanya mchezo wa kuigiza ama kuimba wapate kuna Wasanii wengi ambao wapo wameboba tunaweza kuwaleta mashinani wafanye *mentorship* ili vijana wetu waweze kufanya mambo msingi wanaofanya ikawasaidia. Kwa hivyo Mswada huu mzima una mapungufu mengi kwa sababu ni mengi yale ambayo vijana wanaweza kuhusishwa nayo na wakaweza kuwa vijana wa maana kwa sababu kitambo tujenge vyuo viwe vinapatikana kiurahisi kuna haya mengine pia tungeyafanya tukienda mbele. Kwa hivyo mimi napeana changamoto kwa wizara ya vijana, Mheshimiwa Aran nafikiri masikio yako yapo wazi Wizara ya vijana ina mambo mengi ambayo ingefanya ikishirikiana na Wizara ya elimu kuona kwamba mashinani kuna mambo mengi yanafanyika kuona kwamba vijana wetu wanafanyiwa *mentorship* ya kutosha ili tuwaondoe katika maskani katika ulevi, tuwaondoe katika yale makundi ya wajukuu wa babu au wajukuu wa nyanya...

(Applause)

...Kwa hivyo mchango wangu ni kwamba huu mjadala ni mzuri lakini tuufanye uwe bora zaidi na ni vizuri tupate ripoti kutoka Wizara ya elimu watueleze wana mpango upi kuhakikisha kwamba hivi vyuo vimepatikana kote maana hata kwangu tunavyoongea hakuna hata chuo kimoja cha chekechea. Sasa watoto wangu wale wadogo wanasoma wapi hakuna *nursery institution* kwangu Wodi nzima hakuna, sasa tukikosa kuanzia pale chini tukiwangoja *Polytechnic* hatutawapata maanake kule chini walikosa elimu. Hivyo basi tuongezee haya mambo yote kwa ule Mswada wa Mheshimiwa Mwamwiri tuoboreshe ili tuone kwamba inawafaidi, lakini Mswada huu ni mzuri na naunga mkono. Ahsante sana Mheshimiwa Spika.

(Applause)

**The Temporary Speaker:** Thank you, yes Hon. Thoya.

**Hon. Thoya:** Ahsante Bwana Spika, nakupa kongole kwa kukuona hapa kwa hivyo kalia kiti kisawasawa Mheshimiwa Spika. Nataka kuchukua nafasi hii kuunga mkono Mswada huu na ni Mswada ambao umekuja wakati unaofaa lakini yote tisa naona ni mipango tu ya kubambanya ile hali ya watoto vile wanahangaika mitaani na imebidi tuwe wajanja tuone vile ambavyo twaweza kupiga maji tukapita upande wa pili. Mimi ninachosema kuwe kutakuwa na *Social Hall*, kujengwe naona kizungu inaitwa TVET yaani Vyuo vya Ufundi mwisho wa kuisha ni watoto waweze kuajiriwa na mwajiri mkubwa zaidi tukiwa katika kiwango chetu yatakikana iwe ni serikali ya Kaunti mbali na kusema zile kampuni za kibinafsi ambazo nimeziona hapa. Sisi kama serikali ya Kaunti tumekuja na mfumo mpya ambapo idara nyingi sana zinachukua kandarasi zinachukua makampuni ya watu binafsi, hivyo ile nafasi ya kuajiri hawa vijana moja kwa moja kama wafanyi kazi wa Kaunti inakosekana. Kwa hivyo nachukua changamoto hii hususan nikiwa Mwenyekiti wa Leba na naona kwamba ipo haja vijana waweze kupata nafasi za ajira, ningependa kutilia pondo kwamba tuanze sisi wenyewe zile vitengo; kama ni ya *transport and infrastructure* tuchukue mara mbili aidha ichukue vijana moja kwa moja ama kama ni Mwanakandarasi ambaye amepewa kandarasi sehemu ya Jomvu, sehemu ya Kisauni aambiwe kandarasi hii utafanya lakini vibarua wako utawachukua kutoka kwa vyuo ambavyo viko ile sehemu ya Kisauni...

(Applause)

...Iwekwe wino wa kutosha, wa kukolea pale kwamba kandarasi twakupa waenda kule Changamwe na kuna chuo kimefunguliwa juzi kule Changamwe chukua wale wanafunzi waweke ndani ya huo mradi wapate cha kuondokea na wapate ujuzi zaidi. Kama ni kandarasi ya mambo ya stima tuko na kitengo hapa, ni hiyo, si ndio? Wale mafundi, kuna wale vijana wetu katika vyuo hivyo hivyo tuchukue wale wale na iwe ni sheria ambayo Bunge hili itapitisha kwamba wale vijana ambao wanatoka katika vyuo hivyo aidha wana ufundi wa stima, ufundi wa ushonaji, ufundi wa uchongaji wachukuliwe na hiyo itatia nguvu zaidi watoto wengine wajitoe waingie katika vitivo hivyo na ni Mswada ambao umekuja wakati mzuri wakati tunasema kwa heri kwa mfumo wa elimu wa 844 ambapo mtoto hata kujishonea kifungo alikuwa hawezi saa hii hatutaki tena kufuga maroboti tunataka kuleta watoto ambao wanajijua kufua nguo, kujishonea nguo wenyewe. Ni lazima tuijua kwa hivyo mimi naunga mkono zaidi ya yote kule kwetu Jomvu sisi nasi tunataka ni TVET ama ni aina yoyote munajua lakini tunataka tuwe na chuo cha ufundi ili Mwanakandarasi akija kule chini tuseme chukua kutoka *Polytechnic* ya Jomvu Kuu, naona niachie hapo Bwana Spika.

**The Temporary Speaker:** Yes. Hon Leila.

**Hon. (Ms.) Nyache:** Ahsante Mheshimiwa Spika kwa kunipatia fursa hii ya kuweza kuchangia Mswada huu. Kwanza nampongeza Mheshimiwa Mwamwiri kwa kutuletea Mswada huu ambao ni wa maana sana kwa vijana wetu; mimi nataka kusema kidogo kwamba kule kwetu Changamwe hicho chuo cha ufundi tuko nacho Wodi ya Port Reitz tuko nacho Mheshimiwa Mbunge wetu Omar Mwinyi alifanya bidii sana na akatuletea hicho chuo cha ufundi pale Wodi ya Port Ritz na kinatumika *Sub County* yote ya Changamwe. Mimi tu ningependa kusema Mheshimiwa Spika vijana wetu wanahitaji uhamasisho sana kuhusiana na hivyo vyuo vya ufundi, wanahitaji sana kwa sababu hicho chuo kiko pale na hata vijana hawaji vijana kila siku tunawatangazia katika mikutano Mheshimiwa Omar Mwinyi anatangaza hawaji chuo bado hakijajaa kiko nusu watoto wako nusu. Kwa hivyo wanahitaji uhamasisho sana wao wako kwenye vibarua tu lakini hawajui ule ufundi ndio kama kinga yao ya maisha ama ndio maisha yao ya baadae.

Kwa hivyo hapa tunahitaji uhamasisho halafu pia Mheshimiwa Spika kuna hivi vikundi haramu pia vinasababishwa na watoto kukosa kwenda shule ama kukosa kwenda shule hizi za ufundi ama watoto wale waliachia shule njiani; kama hawa watoto walioachia shule njiani kuna changamoto za kimaisha ni sisi tuungane viongozi tujaribu tuangalie yule wa kurudishwa shule, yule wa kwenda kwenye chuo cha ufundi na huyu wa kuzingatiwa katika talanta yake...

(Applause)

Lakini tukisema tunawasukuma sukuma hivyo hatutapata kitu, mimi ningependa tufanye hivyo viongozi wenzangu Waheshimiwa wote mlioko hapa tuangalie ni yupi wa shule, ni yupi wa ufundi, ni yupi wa talanta tuweze kuwasukuma na pia napongeza huo Mswada mia fil mia. Shukran.

(Applause)

**The Temporary Speaker:** Yes Hon. Amriya Juma Boy.

**Hon. (Mrs.) Amriya Juma:** Thank you very much Mr. Speaker am grateful to see you in that seat, it is very inspiring...

(Applause)

...For the last-borns in the House. I wish to make several comments; I am not sure whether am supporting this Motion or am not but let me make my point. One, I think youth unemployment is now a County disaster or a National disaster as it is and most probably because surely the County or the National Government can't take in everyone who is qualified or unqualified so what the solution is that we should channel our systems so that we can encourage self employment. Now self employment in what sense? So that is how this vocational educational institutions come in but the problem is the perception of our youths with regards to these vocational institutions which I don't blame them. It is a result of the historical injustices and colonialism where there was an association of vocational training or skilled based training was associated with failures, so those who could not do well in class were asked to learn some skills so that they can provide cheap forced labour for the colonialist. So that has really affected our mentality with regards to how we view these technical and vocational institutional training; I think the first point is to actually alleviate the status of training institutions so that we are looking at proficiency and result oriented and skilled proficiency such that when somebody goes through the training, they can be able to match up with this globalization and the new era's of Information Technology, that it is not just a training but you come out with a product that is self sufficient in our market place which is not actually the case as it is even today.

So before we can even sensitize the youths to go to these training institutions we have to make sure that we have improved the capacities of these institutions so that they can be able to produce our youth or personnel that are required and are marketable in our new trends because times are moving Mr. Speaker. So having said that, I am not sure I want to believe that we are going to get to a time where even a graduate has to go through the training so that they are no jobs, so you have to get skills and you have to go through these vocational training and you be self employed. It is not an option for those who have not made it to either middle level colleges or universities it will be a mandatory requirement so that one must need. And also being careful that we do not encourage our students to fail so that they can acquire better skills than those who have passed, but having said that am opposing to the third request from this Motion; *that youths who have acquired technical skills should get employment or internships*. Truth be told Hon. Members there are no jobs out there and you do not expect that everyone to get employed, so this is the mentality we as the Representatives should go out there and tell our people that jobs are not there we have to create our own jobs and at least we can facilitate or the County or the National government can fast track our self employment but the jobs are really not there. Thank you so much Mr. Speaker.

**The Temporary Speaker:** Thank you Hon. Amriya. Hon. Members now allow me to call the Motion mover Hon. Athman Mwamwiri to reply.

**Hon. Athman Mwamwiri:** Ahsante kwa fursa nyengine, ningependa kuchukua fursa hii kuwashukuru Waheshimiwa wote waliochangia hoja hii; zaidi Waheshimiwa vijana ambao tulipata fursa tukakaa katika kongamano na baadhi ya mashirika ya vijana tukatathmini na tukajadili suluhu ya vijana wetu na tukaafikiana miongoni mwao ikiwa ni hoja hii tuliyo ileta leo Bungeni. Hii ni ahadi tuliokuwa tumewekea vijana katika kongamano lile na nina imani safari hii tumeianza kwa ushirikiano mwema baina ya viongozi na vijana wetu.

Mheshimiwa Spika, Waheshimiwa wenzangu wamesisitiza hoja ya kuhamasishwa kwa vijana wetu ama jamii kuhusiana na masuala haya ya vyuo vya anuwai; kadhalika, idadi ya vyuo vya anuwai imezingatiwa ya kwamba ni finyu na imetajwa chuo cha Changamwe lakini hakijakuwa chini ya usimamizi wa Kaunti. Vilivyoko katika usimamizi wa Kaunti ni Mtongwe City Polytechnic na kile cha Mwakirunge, hata kile cha Kisauni kiko mikononi mwa watu binafsi Mheshimiwa Spika.

Kwa hivyo ni hoja nyeti na muhimu ya kwamba idadi ya vyuo anuwai viweze kuongezwa katika kila *Sub-County* ama maeneo yetu Mheshimiwa Spika. Mheshimiwa Spika kujengwa uwezo kwa vijana wetu kunahitajia pia ushirikiano mwema baina ya idara husika ya Kaunti na hivi viwanda; Maafisa wa kiufundi katika viwanda hivyo waweze kueleza Kaunti yetu ni nini kizingatiwe katika mtaala ule ya kwamba wao wanahusisha zaidi tajriba gani na gani na gani ndio ziwe ni nyenzo zitakazofunzwa katika vyuo vile.

Mheshimiwa Spika imetajwa hoja ya kwamba Kaunti yetu kidogo ina utepetevu katika kutekeleza baadhi ya maazimio yanayopitishwa katika Bunge hili; ni kweli na haitakuwa na maana ya sisi kuwepo katika Bunge hili ikiwa hoja zetu haziwezi kutekelezwa kwa wakati unaofaa. Kwa hivyo nina imani tutashirikiana, tutasukuma na ikilazimu tutalazimisha panapostahiki Mheshimiwa Spika.

Mheshimiwa Spika vyuo vya anuwai si kwamba tu ni lengo na shabaha ya kutafutia vijana wetu kazi lakini tunafahamu ya kwamba ufundi ule umekusudiwa hususan watu waweze kujikimu na kujajiri wenyewe kama Mheshimiwa Moses Aran alivyotangulia kusema; binafsi amekuwa ni mnunuzi bora katika vyuo hivyo akinunuwa masuti na baadhi ya nguo kwa wanafunzi wetu. Kwa hivyo hiyo ni changamoto na motisha ya kuwa kwamba wanaweza wakajajiri pasi na kutafuta ajira pekee yake.

Kadhalika Mheshimiwa Spika tukimalizia kuna hoja ya kutafutiwa soko, bidhaa zinazotengenezwa katika vyuo vile hilo ninaungama ni suala nyeti na mwafaka ya kwamba tukiwawezesha kuwapa soko ya kwamba wakitengeneza bidhaa fulani soko lipo tayari basi hakutakuwa na shida ya wao kutafuta ajira bali kujisimamia moja kwa moja. Kwa hivyo ninashukuru kila Mheshimiwa aliyechangia na kama ametokea wa kupinga basi tunajua mkataa ya wengi Waswahili wanasema ana jina lake watajumlisha. Kwa hayo mengi na machache nasema shukran Mwenyezi Mungu Atubariki Bunge hili.

*(Applause)*

**The Temporary Speaker:** Thank you Hon. Athman Mwamwiri. Hon. Members I now put a question that this House adopt the Motion; importance of the technical vocational and educational and training in tackling youth unemployment in the same terms as debated.

*(Question put and agreed to)*

*(Applause)*
