-

Mr. Speaker Sir, I beg to move the following motion:

THAT AWARE that, **Section 21** of the **Persons with Disabilities Act of 2003**, persons with disabilities are entitled to a barrier free and disability friendly environment to enable them to have access to buildings, roads and other social amenities, and assistive devices and other equipment to provide their mobility;

FURTHER AWARE that, disability is the experience of any condition that makes it more difficult for a person to do certain activities or have equitable access within a given society;

COGNIZANT THAT, it is vital to provide people with disabilities with basic facilities to live independent lives on an equal basis with others;

CONCERNED THAT, although there are laws that require buildings to be accessible to People Living with Disabilities (PWDs), they have been ignored. Majority of our buildings including but not limited to County Assembly Building, County Government Offices, schools, hospitals, supermarkets, banks. This has made it very difficult for PWDs to access essential services in both public and private premises;

9. Bills;

Adjournment.
