The Speaker (Hon. Khatri): Yes Honourable Member, make your contribution.

Hon. Kimari: Ahsante Mheshimiwa Spika. Mheshimiwa Spika, mimi ni mmoja wapo wa Kamati ya Uchukuzi na *Chief Officer* ambaye Ripoti yake imeletwa hapa siku ya leo aliweza kupitia katika Kamati yetu na tukiangalia zile *qualification* zilikuwa zina hitajika katika kwake ndio aweze kupata nafasi ukiangalia upande wa *academic qualifications* utaona yuko na Bachelor Degree Science Engineering kutoka Chuo Kikuu cha Nairobi. Kwa hivyo hii ni moja wapo wa hizi *qualification* zilikuwa zahitajika ako nazo. Tukiangalia upande wa *records* za kazi mahali amefanya Mheshimiwa Spika utaona amefanya katika Kaunti ya Mombasa tangu 2013 hadi sasa. Kwa hivyo ni mtu ambae yuko na uweledi kwa mda mrefu tajriban tangu 2013 amefanya; vilevile na Kaunti ya Nairobi, Kisii, Machakos na Mombasa.

Mheshimiwa Spika, tukiteremka kidogo *professional association* Engineer mwenyewe yuko katika zile *association* zinahitajika kwa ma Engineers wale wengine kuwa katika nchi ya Kenya. Utaona kwa mfano amesajiliwa katika bodi ya Engineers hapa nchini kuanzia mwaka wa 2005, amekuwa *corporate Member* Institution of Engineers of Kenya tangu 14th January 2005.

Hiyo ni kuonekana amekuwa katika hii kazi kwa mda wa miaka ishirini kwendelea na tukiangalia upande wa *integrity* nitateremka kidogo upande wa *integrity*, Engineer mwenyewe hajawahi patikana, hajawahi pelekwa kortini, hajawahi kushtakiwa katika ukiukaji yaani kutowajibika vizuri katika kazi yake. Kwa hivyo Bwana Spika mimi kwa niaba ya Kamati ya Uchukuzi naunga huu Mswada mkono. Ahsante.

The Speaker (Hon. Khatri): Thank you, Yes Honourable Manuari.

Hon. Juma Manuari: Ahsante Mheshimiwa Spika. Kwanza nimshukuru Mwenyezi Mungu kwa Jumaa hili; pili, tumuombe sana Mungu atupe amani katika nchi yetu. Mheshimiwa Spika mimi kama mmoja katika Wanakamati hii ya uchukuzi namuunga mkono ndugu yangu Engineer Hassan kwa kutuletea jina la ndugu yetu Engineer Albert Keino. Mheshimiwa Spika mimi kama Mwanakamati hii kwanza katika maisha yangu nimekuwa katika maswala ya ujenzi wa mabarabara na ujenzi wa manyumba na ninavyomjua huyu Bwana Albert Keino ni mtu mwenye tajriba ya kutosha na sioni sababu ya sisi kama viongozi ndani uya Nyumba hii tuwe tutakuwa na nafasi ya kumjadili sana ama tumpinge ama tumfanye nini isipokuwa sisi kama viongozi ambao tuko hapa tumpatie nafasi mzee wetu Albert Keino kwa sababu umri alionao unatosha kusema kuwa Mombasa tutakuwa na barabara za kutosha na tutakuwa na miundo msingi ya kutosha na tutakuwa na mwelekeo wa kimaswala ya uchukuzi na yote yatakuwa yako vizuri kwa sababu ya ujeledi wake na uzee wake na zile fikra atakazozileta kwa sababu ana fikra za zamani na fikra za sasa kama tunavyojua wazungu walisema ana ile ya zamani na saa hii ya *digital* kulingana na mwelekeo wa ndugu yetu hapa alioleta hapa katika hizi hoja yake alioleta leo. Mheshimiwa Spika nimesimama kumuunga ndugu yangu mkono na pia niwaombe nyumba hii tulipitisheni hili swala kwa pamoja. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you Honourable Manuari. Yes Honourable Ibrahim Oyugi.

Hon. Omondi: Mr. Speaker, thank you very much for this opportunity. Mr. Speaker, when we adjourned last time I was one of the Members who emphasized on going through the Report which had delayed by that particular time and I really stressed that each and every Member should read line by line so that we understand the Paper well and the report well so that when we come back we are in position to give the right decision. Mr. Speaker, the Motion today is about the vetting of Engineer Albert Keino and it is true that I did a lot of research; I went through the Report line by line, I read the Report comprehensively and I understood, therefore if I stand here Mr. Speaker I stand here with a lot of authority to make my point that Mr. Engineer Albert Keino is capable for that particular position in our good County Mombasa as the chief Officer of Transport and Infrastructure.

Mr. Speaker, first of all the Committee that vetted him and also the Report that the Committee read is a very competent Committee and therefore I do not have any doubt that the recommendation that they have made are upto task. Mr. Speaker, number two the competence of Albert Keino is very competent in this position; personally, I happened to be a Member of this Committee of Roads and Infrastructure in the last regime and indeed Mr. Keino held the same position and he was a very competent Chief Officer. Mr. Speaker, so I do not have doubt again if he gave him the same position. Mr. Speaker, as my fellow Member of County Assembly has said I would like to echo him on the same on the issue of integrity. Engineer Keino, having served in the last regime and also this regime I have not heard any issue touching him on integrity Mr. Speaker and therefore, I recommend him for the position.

Mr. Speaker also experience is a very important factor when you are considering somebody for a certain position in our country that is one of the best practice in our country; and it is indeed true as Honourable Manuari has stated that Mr. Keino has vast experience in the same field and he has also been a lot of networking in the same field in our County. Mr. Speaker, finally he is also suitable for the same position since he has a very good relationship with other workers in the same department and also Members of the County Assembly. Thank you Mr. Speaker, I recommend him.

The Speaker (Hon. Khatri): Yes Honourable Hamisi Mbaya from Timbwani Ward.

Hon. Hamisi Mbaya: Ahsante sana Mheshimiwa Spika kwa kunipatia fursa hii. Kwanza kabisa nimshukuru Mwenyezi Mungu, pili niwashukuru Waheshimiwa wenzangu kwa dalili za mapenzi ambayo tunaoneshana. Mheshimiwa Spika nimesimama kuunga mkono hoja hii ambayo tunamzungumzia ndugu yetu Engineer Albert Keino ambaye ameweza kumiminiwa sifa tele tele na sifa ambazo ilikuwa zikimwagwa na Waheshimwia wenza zinafanana ukweli kutokana na tabia zake Engineer Albert Keino. Mheshimiwa Spika, kawaida Waswahili wanasema, cha kujaa hakina lazima ya kuchungulia, Engineer Albert Keino yale maneno ambayo yamezungumzwa yana sura ya ukweli kwa sababu hiyo nimesimama kumuunga mkono Engineer Albert Keino kutokana na nafasi ambayo ameweza kupigwa pigwa nao msasa na Kamati ya Uchukuzi. Mheshimiwa Spika, nimeunga mkono hoja hii kwa asilimia 90 kwa 100. Ahsante sana.

The Speaker (Hon. Khatri): Thank you. Yes Honourable Makanga, Chaani Ward please make your contributions.

Hon. Makanga: Thank you Mr. Speaker. I stand to support the Motion brought in this House by Honourable Mohammed, Chair Transport. Mr. Speaker, first I want to congratulate the Committee for doing an excellent job; I think this is the only Committee so far that has delivered within the period that we have been in office. Mr. Speaker Sir, I want to confirm that Honourable Engineer Albert Keino is a great leader, he is a team player, he is down to earth and I think he is the only person or Engineer in his department who picks calls from all of us here irrespective of time. Mr. Speaker, I happened to attend the Committee hearings and we could see a man full of wisdom not only because of grey hair but from his articulation from how he responded to questions and everything about him we can say Honourable Speaker that we have the Chief that we need for that department.

Mr. Speaker, without much ado, I want to take us to paragraph 34 of the Report which states that when he was asked about what plans he has to ensure the stalled projects under the department are completed within the stipulated timeline, he was able to come out clear and say that most of these stalled projects have been as a result of being awarded when there are no funds and over expectations from the side of the government and the public. I think this is an honest opinion that he gave and out of it Honourable Speaker we have seen now that everything that is happening every tender that has been awarded in this first year of our administration and we can confirm in this House that there is no contractor with a pending bill in this period of our administration. So this was an honest opinion and we believe as a technical person he is in a position to continue advising our able Governor that we may have such a track record of having our business people doing business with the County government and getting back their funds in due time so that we can grow our County going forward.

Further Mr. Speaker, I want to appreciate Engineer Keino who has been the head of this department for having come out clearly and strongly to ensure that the stalled projects in my Ward that have stalled for the last seven years being an ECDE I can confirm to you that the contractor has now been paid after a period of six years where the leaders who came were not able to get this matter addressed. The contractor is now fully paid and he is coming back to the site this week and very soon I will call Honourable Members here so that we can come and eat *mbuzi choma* as we celebrate the good doings happening under the stewardship of Engineer Albert Keino. Therefore Mr. Speaker I stand to support with all my body organs. Thank you.

The Speaker (Hon. Khatri): Thank you. Yes Honourable Pamella, please make your contributions.

Hon. Arwa: Thank you Mr. Speaker for giving me this opportunity also to contribute. Mr. Speaker, I thank the Almighty God for having given us this wonderful moment; again when I go straight to my contribution, last time you gave us a very ample time to go and scrutinize well whether this Nominee is qualified or not and I want to confirm to this House that the Nominee Albert Keino is a competent person, qualified person because even if you look at the academic qualifications, the profession, the guy is right for that position. Again, I want to congratulate the Committee of Transport for doing a very wonderful job because the Report they gave us and they tabled before us is very important Report and without us wasting more time this Nominee is qualified for this position and I can confirm with a lot of confidence that he is going to deliver because in the few days that we have been here we had a slight of interest wanting to know whether the guy will deliver or not and even my fellow Honourable Members I think they were given some tenders to do some roads on the community based but I think the work...

[Loud consultations]

Mr. Speaker, sorry I withdraw that statement, sorry for going out of the point, am very sorry for that.

The Speaker (Hon. Khatri): Yes Honourable Allen Katana, are you on a point of information?

Hon. Katana: I cannot let this go on record because I think it's not in order when the Honourable Member who I respect so much is saying that the Honourable elected Members were given any work to do. So, I think Mr. Speaker the Honourable Member is not in order by saying that.

The Speaker (Hon. Khatri): Yes Honourable Pamella?

Hon. Arwa: I am sorry Mr. Speaker Sir. I withdraw the statement.

The Speaker (Hon. Khatri): Thank you. Continue please.

[Applause]

Hon. Arwa: I am sorry it is only that I missed the point, they were doing oversight Mr. Speaker, now if I finalize my contribution I also support the Motion. Thank you, Mr. Speaker.

DISCLAIMER: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor Page 9*

The Speaker (Hon. Khatri): Thank you very much. Yes Honourable Katana, please make your contribution.

Hon. Katana: Mheshimiwa Spika, kwanza nimshukuru ni shemeji yangu Mheshimiwa Pamela kwa changizo zake za maana na nikiwaacha hawa Waheshimiwa hawatampongeza lakini nataka kumpongeza mimi mwenyewe kwa sababu aliyonena ni ya maana na zaidi ya hizo ya sifa zilizotolewa za kumuhusu Engineer Keino ni nyingi na mimi kwa sababu fulani nisipo simama kuunga mkono hoja hii kwa sauti itakuwa naonyesha roho mbaya sana kwa sababu huyu Engineer nataka ijulikane kwamba anaishi 200 metres kutoka ile State House ya Shanzu. Kwa hivyo Mheshimiwa Spika mbali na hayo kazi zake Engineer tumezifuata na kwa kuwa hili Bunge si Bunge la kupitisha watu tu, twataka tueleze umma na Kaunti ya Mombasa kwa jumla ijue ya kwamba Ripoti hii iliyopeanwa ni ya kweli kwa sababu kazi zake ni thabiti. Kwa hivyo Mheshimiwa Spika sitaki nitoe muongozo wa kuzidi uwezo wangu lakini kwa kuwa mimi ni jirani ya Engineer ningekuomba ikiwa itawezekana mjadala ukomee hapo ili tukaweze kupitisha swala hili na Engineer Keino aendelee kufanya kazi. Nakushukuru Mheshimiwa Spika kwa nafasi hii.

The Speaker (Hon. Khatri): Thank you, Yes Honourable Joshua Mosee from Jomvu Kuu Ward please make your contribution.

Hon. Mose: Thank you Mr. Speaker Sir for giving me this opportunity to contribute to the Motion. I would like to congratulate our Committee for good job that we did, most Members have said the Report is good. When I go straight to the point, we looked at the qualification of the Engineer, the academic qualifications, employment record, profession association, suitability for the position and we realized he is very suitable for the position so I stand to support the Motion.

The Speaker (Hon. Khatri): Thank you very much, Yes Honourable Prischilla Mumba, The former Chair Committee on Transport, please make your contributions.

Hon. Mumba: Ahsante Mheshimiwa Spika hasa kwa kukumbuka kazi yangu kwa Bunge lililopita na kwa kazi ya Kamati hii ya uchukuzi na nimeona ni vyema nichukue fursa hii hata mimi kuweza kuunga mkono hoja hii nikiwa vile vile ni Mwanakamati kwa sasa wa Kamati hii ya Muundo Msingi na vile vile nikiongeza sauti yangu kama Mwenyekiti aliyekuwa kwa ajili nilifanya kazi na Engineer Keino kwa karibu sana. Kwa hiyo miaka mitano iliyopita na najua uzoefu wake, najua ukali wake, najua urahisi wake, najua mienendo yake ya kikazi na katika Wadi zetu wakati huo nilipokuwa nikisimama kutetea majukumu yale yaliyokuwa niko nayo hakika ni kazi ngumu lakini Engineer ni mtu hachoki kwa wakati wowote unao muhitaji ni mtu yuko tayari akisikize, ni mtu yuko tayari afanye kazi inavyotakikana kama vile wenzangu walivyosema. Kuna kazi nyingi ambazo yeye amekuwa akisimamia; kuna zile ambazo zimeisha, kuna zile ambazo bado zinaendelea, kuna zile ambazo tunataka kuanzisha na tuna imani kuwa badala ya kupatia mgeni ambaye hatakuwa anajielewa na hana uzoefu wa kikazi ni heri kuendelea na mtu ambae tayari anajua ile kazi na anajua pahali ambapo ameachia na pahali ambapo anaendelea ndio tuweze kuona urahisishaji wa kazi ile kwa mda huu ambao tumepewa manake kama sasa hivi tunajua mwaka mzima umepita, tumebakia miaka kama mitatu ama minne ya kufanya zile kazi zetu tuweze kusimamia, kuona majukumu ya Wadi zetu yametekelezwa. Kwa hivyo mimi pia ninaongeza sauti yangu kama Mwanakamati kuwa Engineer Keino anatosha kuendelea na kazi. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you. Yes Honourable Mwamwiri, Leader of Majority party.

The Leader of Majority (Hon. Mwamwiri): Ahsante sana Mheshimiwa Spika. Awali ya yote niregeshe shukrani zangu kwa Jala Jalali kutuwezesha kujumuika kwa mara nyegine tena kuitendea haki serikali yetu lakini pia wale waliotupatia mamlaka ya kuwa hapa. Pili, Mheshimiwa Spika niombe Kiti chako radhi kwa kufika kuchelewa kwa sababu nilikuwa na ugeni kutoka shirika la uzalishaji umeme KENGEN wakiwa na mipango ya kutaka kuwekeza maeneo yetu ya Likoni Mheshimiwa Spika ambayo bado ni faida kwa watu wetu wa Mombasa, ndio maana nimechelewa...

[Applause]

Tatu, Mheshimiwa Spika, niipongeze Kamati iliyoongozwa na Mwenyekiti Mheshimiwa Hassan ulkher kwa jitihada ya kazi njema waliofanya kwa Kamati hii inaongozwa na Mheshimiwa ambaye yeye binafsi ni Mhandisi lakini pia wanachama wake katika Kamati hii wana tajriba ya kutosha katika maswala kusudio katika kuwezesha Mombasa yetu Mheshimiwa Spika. Mheshimiwa Spika, katika Ripoti hii mimi nitaangazia mambo mawili kwa sababu kikuu katika Ripoti Kamati ilipaswa kuangalia uwezo wa mwakilishi ama mteule katika nafasi hii ya kutekeleza majukumu yale. Mheshimiwa Spika, tukipitia katika wasifa wa mlengwa Mhandisi Albert Keino tunaona alianza majukumu yake ya uhandisi mwaka wa elfu moja kenda mia themanini na saba, ni wachache miongoni mwetu ambao tulikuwa tumezaliwa wakati huo! Wengi wa Waheshimiwa walioko hapa Mheshimiwa Spika pia walikuwa hawajazaliwa na umri alio nao katika weledi huu ni sawia na umri wa baadhi ya Waheshimiwa walioka katika hapa; hii inaonyesha ya kwamba hakuna shaka ama shauku katika utenda kazi wake, kwa weledi alio nao katika nafasi hii ambayo Mstahiki Gavana aliyompa na Kamati ikatekeleza jukumu lake kumpiga msasa kuweza kubaini uwezo wake katika hiki.

Pili, Mheshimiwa Spika Mwakilishi Albert Keino yeye mwenyewe katika maswala ya kihisani pia tumeona katika Ripoti hii amekuwa akijishughulisha sana na maswala ya kijamii, ikiwemo kusaidia baadhi ya watoto wasiojiweza ambao wanatoka familia masikini kuwalipia ada ya masomo yao vile vile amekuwa akisaidia baadhi ya watu wasiojiweza kuweza kuhimili na kukabili kulipa ada za maswala ya matibabu Mheshimiwa Spika na pia kuhusika katika faradhi ya maswala ya maziko, iwapo kumetokea dharura ya kijamii ya mtu miongoni mwetu ya mtu kupoteza maisha yake. Kwa hayo Mheshimiwa Spika binafsi nipongeze Kamati lakini pia niungane nao katika mapendekezo yao ya kuliomba Bunge hili kuweza kuafiki na kumpa fursa muwakilishi huyu nafasi hii ya Afisa Mkuu katika idara ya Uchukuzi na Miundo Msingi, kuweza kututendea haki katika Gatuzi la Mombasa na yale ambayo alianzia kwa Bunge la kwanza, la pili na hili la tatu aweze kuendeleza kwa sababu ana kumbu kumbu bayana ya jinsi miundo msingi na barabara zetu zinavyostahili kuwepo katika Gatuzi letu ili na sisi tuweze kusonga mbele. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you very much. Yes Honourable Fadhili Makarani, Deputy Speaker and Member from Port- Rietz Ward please make your contribution.

The Deputy Speaker (Hon. Makarani): Ahsante sana Mheshimiwa Spika. Mheshimiwa Spika mimi nimesimama kuunga mkono Ripoti hii iliyoletwa mbele yetu na Kamati hii ya uchukuzi. Mheshimiwa Spika, mengi yamesemwa na wenzangu ambayo sina budi kuunga mkono.

Mheshimiwa Spika, Engineer Keino amekuwa katika Kaunti hii hata mimi nikija mwaka elfu mbili na kumi na tatu kumbukumbu zangu zaniambia Engineer Keino alikuwa wakati wa Manispaa. Mheshimiwa Spika, hii inaonyesha wazi kuwa Engineer Keino amebobea kwenye kazi hii na tunaona kazi ambayo chini ya uongozi wake kazi ambayo imefanyika ndani ya Kaunti yetu ya Mombasa, kazi kadha wa kadha nyengine zimetajwa na Waheshimiwa hapa tumeona miundo misingi ya Mombasa vile inazidi kuimarika. Kwa hayo Mheshimiwa Spika mimi naunga wenzangu nasimama na wenzangu kuunga mkono Ripoti hii na kama alivyosema Kiongozi wa Walio Wengi, Kamati hii Mheshimiwa Spika ni Kamati ambayo...

Hon. Ngugi: Tukija Kongowea pia tunajua pia tuna changamoto za barabara zinatumisha kichwa, nataka nimuhakikishie Ndugu yangu Mheshimiwa wa Kongowea Mheshimiwa Samuel Mwaura tumepata jembe la kazi Bwana Albert Keino atatatia hizi shida. Ahsante Mheshimiwa Spika.

The Speaker (Hon. Khatri): Thank you. Yes Honourable Samuel Mwaura please make your contribution.

Hon. Mwaura: Ahsante Mheshimiwa Spika na pia namshukuru ndugu yangu Mheshimiwa Ngugi kwa sababu ya kutambua ya kwamba Kongowea kweli tunahitaji mtu mchapa kazi kama jinsi tunavyoona kwa Ripoti hii iliyoletwa na Kamati ya Uchukuzi. Hivyo niwashukuru sana wana Kamati wa Kamati hii kwa sababu ya kazi nzuri walioifanya na pia nisimame pamoja nao katika kuunga mkono Mswada huu wa kumpitisha ndugu yetu Bwana Albert Keino ili kwamba ashike nafasi hii ya *Chief Officer* wa Miundo Msingi. Tuna imani nae, tumeona kwa muda mchache ule tumekuwa hapa, wakati amekuwa akishikilia hio idara kazi imesonga na sisi sote kulingana na vile nimesikia kwa Waheshimiwa wengi nilifikiri kwamba mimi peke yangu ndio nimeona kazi yake lakini kumbe kazi imeonekana na Waheshimiwa wote. Kwa hivyo mimi Mheshimiwa Spika nashukuru kwa kunipa nafasi hii na ninauunga mkono. Ahsante.

The Speaker (Hon. Khatri): Thank you very much Honourable Mwaura from Kongowea Ward. Yes Honourable Florence Kachumbo, please make your contribution.

Hon. Kachumbo: Thank you Mr. Speaker for this opportunity. I want to plead my apology for coming late; there were some matters that needed my full attention that I had to attend to. I want to agree with this Report that has been submitted, I see that Engineer Albert Keino is well versed with his job, he has quite a good experience and we believe that he is going to do his work well. Thank you.

The Speaker (Hon. Khatri): Thank you very much Honourable Florence. Yes Honourable Bernard Ogutu from Changamwe Ward, make your contribution.

Hon. Ogutu: Ahsante sana Mheshimiwa Spika. Kwanza kabisa niweke wazi kwamba ni Mwanakamati wa hii Kamati ambayo imefanya hii kazi nzuri ambayo imeletwa mbele yenu siku hii ya leo. Pili niseme kwa binafsi namjua *Engineer* Keino, ni mtu mchapa kazi na tunatarajia ya kwamba ile kazi nzuri ambayo amefanya katika muhula uliopita atazidisha muhula huu na tunamtakia mema na tunaomba Jumba hili liweze kupitisha hii Ripoti yetu. The Speaker (Hon. Khatri): Thank you very much Honourable Ogotu. Yes Honourable Mariam Baimu from Frere Town Ward, please make your contribution.

Hon. Baimu: Ahsante sana Mheshimiwa Spika kwa kunipatia nafasi hii. Mimi kwanza ningependa kuwapongeza Mwenyekiti na Kamati yako ya Miuundo Msingi kwa kazi nzuri muliofanya kwa kuweza kuweka pendekezo la kumteua Bwana Albert Keino kama mteule wa hio nafasi ya Afisa Mkuu wa Uchukuzi na Miuundo Msingi. Kwanza ningependa kusema, tukiangalia, viko vipengee fulani ambavyo hii Kamati vimekagua ndio kuweza kuleta hapa mbele yetu tuweze kupitisha; ya kwanza ni hiyo *personal background* ya mtu, tunaona huyu Bwana mwaka aliozaliwa 1963 *Alhamdulillah* ki umri amesonga mbele kwa hivyo ni mtu ki imani yangu ana hekima na busara ya hali ya juu. Tukienda upande wa pili, *academic and professional qualifications* huyu Bwana amesoma Chuo Kikuu cha Nairobi na ana Shahada ya *Science in Civil Engineering*.

Kwa hivyo yeye kuweza kuwania huu wadhifa wa upande wa miundo msingi nafikiri amewekwa pahali ambapo patamsaidia ama ana uzoefu napo. Tukienda upande wa ajira, si ati ni mgeni katika huu uwanja wa mambo ya mabarabara; tunaona kwamba amefanya katika Kaunti tofauti katika nchi yetu ya Kenya. Kwa hivyo ki imani yangu kuanzia 2013 mpaka leo huyu Bwana nina imani ana uzoefu mkubwa katika hio hali ya *field* ambayo kazi anatakikana afanye. Tukiangalia hapa pia katika *professional associations and memberships*, kusoma tu si mwisho wa kila kitu; huyu Bwana pia amejingiza katika ma *associations* kadha wa kadha na *membership* wa kadha wa kadha ili azidi kupata ujuzi ama tajriba ya kufanya hii kazi yake. Nikimalizia *integrity*, ambacho ni kipengee kikubwa sana katika kuandika mtu yeyote kazi. Nina imani huyu Bwana alivyopelekwa makaratasi yake kwenda kukaguliwa kwa watu wa *integrity* amepatikana hana shida yeyote, hajawekwa kortini ama kupelekwa kortini kwa kukosa nidhamu kwa upande wowote ule. Kwa hivyo mimi sina budi kuunga na Mwenyekiti mumefanya kazi nzuri na watu wako, tuweze kumpitisha huyu Bwana Keino azidi kutufanyia kazi nzuri Mombasa Kaunti. Ahsanteni.

The Speaker (Hon. Khatri): Thank you very much. Yes Honourable Hamida Noor, please make your contribution.

Hon. Noor: Thank you Mr. Speaker Sir for giving me the opportunity to put my views on the Nominee, Mr. Albert Keino. Mr. Albert Keino has been in our County for quite sometime and in the last regime even we have seen the kind of work he has done and supervising all the roads those have been built within the Mombasa County Assembly. Looking at his background on academics Honourable Speaker he is the suitable person for this job and coming to his professional association, he has joined a lot of associations in engineering fraternity as their Member. Mr. Speaker, for me I can see this is the right Nominee for the job, with those few remarks, I support the Motion.

The Speaker (Hon. Khatri): Thank very much. Take it back to Honourable Mohamed to reply to the Motion.

Hon. Hassan Mohamed: Ahsante Bwana Spika kwa kuweza kunipatia fursa ya kujibu hoja ambazo zimeweza kuletwa na Waheshimiwa wenza kuhusiana na mteule Bwana *Engineer* Albert Keino. Kwanza kabisa nawapongeza na kutoa shukurani zangu za dhati katika moyo wangu kuhakikisha kwamba sote tuna msemo mmoja wa kusema kwamba *Engineer* Albert Keino anaweza katika Idara ya Uchukuzi na Miundo Msingi.

Mimi kama Mwenyekiti katika Kamati ya Idara hii vile vile natoa pongezi zangu kwa Kamati yangu kuweza kufanya kazi nzuri na tuna imani kubwa kwamba ndani ya miaka hii ambayo tuko, tutaweza kuona matunda zaidi na zaidi kwa sababu Waheshimiwa washaweza kuonja asali wanataka kujua mzinga uko wapi? Na ni muda mchache tu wameweza kuona kazi ya *Engineer Albert Keino* kulingana na Idara hadi sasa ndio Idara peke inaweza kufanya vizuri bila kupingwa na yeyote hapa, Mheshimiwa Spika kulingana na hoja ambazo wameweza kutoa. Kwa hivyo nawaomba Ndugu zangu waweze kuunga mkono hoja hii ya *Engineer Albert Keino* kuweza kutumikia watu wa Mombasa na kututumika sisi kama vile tulivyoweza kuwahidi wananchi. Ahsante sana Bwana Spika.

Mr. Speaker, I also wish to inform the House that the Committee observed the following: that Mr. Ali has a Masters Degree of Science Mobile Telecommunication, innovation from Strathmore University, he is also a holder of a Bachelor of Engineering, Electrical and Telecommunication Engineering from the Moi University. On his work experience Mr. Speaker, Mr. Ali has been an Information Analyst at Mombasa County Public Service Board and also has previously worked as the Assistant Director Board operations at Mombasa County Public Service Board; very briefly he has also worked as a Director street lighting operations at the County Government of Mombasa. And whether he is knowledgeable on the position he has been nominated? Finally. The Nominee had a net worth of Kshs 9Million and also the Committee found the Nominee suitable for appointment as the Chief Officer Lands, Urban Planning and Housing. So on the Committee recommendation: we recommend that this House approves the nomination of Mr. Ali AbdulRahman Shariff as Chief Officer for Lands, Urban Planning and Building as nominated by His Excellency the Governor of Mombasa County. Thank you very much and I wish the Honourable Members to support the governments' venture to develop our good County. Thank you very much.

The Deputy Speaker (Hon. Makarani): Thank you. Yes Honourable Ibrahim Omondi?

Hon. Omondi: Yes Mr. Speaker, thank you very much. Mr. Speaker, I happen to be one of the Members of the very Committee of Lands, Urban Planning and Housing, and indeed I want to affirm to this Honourable House that what the Chair has said is true. We met and went through the Report and we actually did the vetting on the Nominee on the said date and we realised that the Nominee met almost all the threshold and I think he has reasonable minimum qualifications for this particular position Mr. Speaker. Mr. Speaker, before I actually rally or request my fellow Members to support this particular Motion briefly I would just like to go through some of the points that made me actually affirm that the Nominee is capable of the position when you read the Report you will find that in academic as a Chair has stated that he is very qualified and he has a Masters of Science Degree in Mobile Telecommunication Renovation from Strathmore University.

Mr. Speaker, also I would like to inform this House that the Nominee before the House also has got a vast experience in the respective field and the best practice I think we can give him the job and I know he will be up to the task to that particular job. Mr. Speaker, he has worked in both private and public sectors and he has also been a Director of Street Lighting from January, 2019 from the same Mombasa County and that means that has built a very good networking with the Mombasa County employees and the people who live in this County. Mr. Speaker, on the issue of integrity, the Nominee has never been charged in a court of law and neither has he been also mentioned on any investigative report of the County Assembly or any commission of enquiry. I therefore Mr. Speaker recommend and rally this House to support Mr. Ali Abdulrahman Shariff to be the Chief Officer of Lands, Urban Planning and Housing in Mombasa County. Thank you Mr. Speaker.

The Deputy Speaker (Hon. Makarani): Thank you. Yes, Honourable Mwaka Mwalundonda?

Hon. Mwaka Bakari: Ahsante sana Mheshimiwa Spika kunipatia fursa hii na mimi niweze kuweka kauli yangu. Kama niliposimama hapa pia mimi ni Mwanachama wa Kamati ya Ardhi; Mheshimiwa Spika ningependa kusema Ali Shariff tuweze kumjua tangu akiwa ni *Director* wa *Transport* na katika ile kazi yake ya uchukuzi alionyesha juhudi nzuri sana kufanya kazi yake ambayo kwamba ilikuwa inaonekana, ndiposa leo hii yuko hapa kwa Wizara ya Ardhi na nina imani kwamba ataweza kufanya kazi nzuri zaidi. Kwa hivyo Mheshimiwa Spika nasimama kuunga mkono kwa kuweza kuteuliwa na kulingana na hii Ripoti yake iliyokuwa hapa, haina hata doa, kwa hivyo anatosha kuweza kufanya kazi hii ya *Chief officer* wa Ardhi. Naunga mkono na naomba Waheshimiwa wenza waweze nao kumuunga mkono na kupitisha Ripoti hii. Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Makarani): Thank you. Yes, Honourable Morgan Matsaki?

The Leader of Minority (Hon. Matsaki): Ahsante sana Mheshimiwa Spika. Kwanza napeana shukrani kwa kufika salama; Bunge hili kuna mambo mawili na matatu yameniwesha kuchelewa. Kwa ufupi mimi nashukuru pia, kwa sababu ya huyu Mheshimiwa Ali Shariff na naunga mkono sababu hata ukiangalia Mwenyekiti wa Ardhi alivyozungumza na Mheshimiwa mwenza alivyozungumza pia mimi pia ni Mwanakamati wa hiki kitengo na ninaunga mkono. Ukiangalia hasa kwa upande wa elimu anafaa na nina imani kubwa sana kwake kwamba ataweza kufanya kazi kwa Kaunti hii ya Mombasa, Kwa hivyo Waheshimiwa wenza tuzidi tu kumuunga mkono aweze kufanyia wana Mombasa kazi. Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Makarani): Thank you. Yes, Honourable Leila Nyache?

Hon. Nyache: Ahsante sana Mheshimiwa Spika kwa kunipa fursa nyengine ya kuweza kuchangia. Kwanza nimesimama kuunga mkono hoja hii iliyokuja na Mheshimiwa mwenza Amriya Juma Boy wa Mjambere. Nataka nimpe kongole sana pamoja na Kamati yake kwa kuweza kutuletea hii Ripoti ya huyu Bwana, amekuja na hii hoja ya Ripoti ya huyu *Chief officer* wa Ardhi Bwana Ali Shariff. Mimi kwanza nimesimama pia kumuunga mkono kwa sababu nikiangalia katika hivi vigezo vyake ni mtu ambaye pia amesoma ako na *Bachelor's Degree* ya Engineering, Electrical and Telecommunication kutoka Chuo Kikuu cha Moi, hio inaashiria wazi kwamba huyu ni msomi na hii kazi ataweza kuelewa vizuri Mheshimiwa Spika. Pia nikiangalia kigezo chengine cha pili ana uzoefu wa hizi kazi za serikali na pia za nje; kwa hivyo mimi pia niko pamoja na wenzangu, ninaunga mkono nikiangalia hapa hakuwa mfidadi pia, ni mtu ambaye Ripoti yake pia inaonekana ni nzuri na inaeleweka na mimi vile ninavyo mfahamu ni mtu mwenye hekima na heshima na huwa ni mtu mwenye kusikiza ni msikilizi sana. Kwa hivyo mimi sina budi kuunga mkono Mheshimiwa Spika na naunga mkono hoja hii. Ahsante Mheshimiwa Spika.

The Deputy Speaker (Hon. Makarani): Thank you. Yes, Honourable Makanga?

Hon. Makanga: Ahsante Mheshimiwa Spika. Mimi pia vile vile nasimama kuunga mkono, Ripoti ambayo imeletwa na Mwenyekiti wa Masuala ya Ardhi na Mipangilio ya mji. Mheshimiwa Spika, nimesimama nimuunge mkono ndugu yetu huyu ambaye ameteuliwa kuwa *Chief Officer* katika Wizara hii ya Ardhi na nikiangalia ni kwamba huyu ni kijana mwenzangu

hilo ndio jambo ambalo limenivutia kwamba sisi vijana tunaweza na tukipewa nafasi tuna uwezo wa kudhihirisha uongozi. Amezaliwa mwaka wa themanini na nane hivyo namaanisha ako na miaka thelathini na tano, na tunaona kwamba kulingana na Ripoti hii, ameweza kuwa katika maswala ambayo moja kwa moja inaathiri mkaazi wa Mombasa, amekuwa kama *Director* katika ile Wizara ya mataa ya barabarani na nishukuru Mheshimiwa Spika kwamba nimeweza kuwa na mazungumzo na huyu Mheshimiwa kabla hata tujue kwamba anakuja kuteuliwa na tukiwa na hali tata ya shida ya mataa katika Wadi yangu eneo la Chaani, aliwajibika yeye mwenyewe huweza kutembea katika Wadi ile, tukazunguka na yeye na akanipa ahadi ya kwamba tutapata suluhisho. Mheshimiwa Spika ninavyoongea Chaani inang'ara kwa sababu huyu *Chief Officer* anayekuja alichukua jukumu ya pia kumpa mkono kijana mwenzake ili tusongeshe Mombasa mbele.

Kwa hivyo nina imani kwamba anapokuja katika Wizara hii ya mashamba, ambayo Kamati hii inaongozwa na Wakili mwenye akili katika Bunge hili, tunaamini kwamba tutaweza kupata suluhu ya yale matatizo ambayo tumebaki nayo ya maswala ya hati miliki katika maeneo yetu na habari njema ni kwamba Mheshimiwa Spika akiwa katika *acting capacity* kufikia saa hii nawaaliken *in advance* kwamba miezi miwili ijayo tutatoa hati miliki katika Wadi ya Chaani kwa sababu ya juhudi zake na wale ambao wako katika idara hii. Kwa hivyo Mheshimiwa Spika namuunga mkono mia fil mia na Mungu amjalie utenda kazi ambao wataendendela kugusa maisha ya wananchi na wakaazi wa Mombasa. Ahsante sana Mheshimiwa Spika.
